SUBJECT: CDB-0133-21 Design Build Services Vertical/Architectural (Vertical) Design Build Projects Contract 71908-22 Auld & White Constructors, LLC
Fire Station 17 Phase I Amendment 3A

Based on the Design Criteria Package developed by City engineers, the Department of Public Works, in accordance with Design/Build CDB-0133-21, Contract 71908-22, has completed negotiations with Auld & White Constructors, LLC for 100 % construction services for the Fire Station 17. Negotiations have resulted in the GMP amount of $1,996,500.00, which includes $300,000.00 in contingency, with bonds as indicated on the attached Scope and Fee Summary D-1 and allowing for completion of the work within 120 days from the Notice to Proceed. Auld & White Constructors, LLC is committed to meeting the 20% JSEB participation goals established for the contract.

Accordingly, this is to recommend that contract 71908-22, originally executed August 17, 2022, for CDB-0133-21 between the City and Auld & White Constructors, LLC, Inc for Design Build Services Vertical/Architectural (Vertical) Design Build Projects be amended to incorporate the attached Scope and Fee Summary, Exhibit D-1 for Fire Station 17 Phase I for the GMP amount of $1,996,500.00, known as Amendment 3A.

To be encumbered as follows:

32111.127001.565051.010364.00.00.00	32124.127001.565050.010364.00.00.00

Re: COJ Fire Station No. 17
Addition and Renovation – Phase 1

Maria Williams
City of Jacksonville
214 North Hogan Street, 10th Floor
Jacksonville, Florida 32202

Dear Ms. Williams:

We are pleased to submit our proposal for construction of the COJ Fire Station No. 17 Addition and Renovation based on the drawings prepared by TTV Architects, Inc. (see attached Drawing Log) and our Proposal Clarifications.

Our Guaranteed Maximum Amount is: $1,996,500.

Additional Funding Required to complete the project: $656,400

This Proposal is for acceptance within one hundred twenty (120) days. Due to current market volatility, contingency may be used to cover added costs due to construction materials escalation (i.e., metal, plastics, wood, etc.) and labor availability

If you wish for us to proceed with this work, please sign in the space below and return to our office. If you have any further questions, please do not hesitate to contact me at (904) 296-2555.

Sincerely,

Charles M. Broughton
Estimator

	BUILDERS RISK INSURANCE	7,200
	CONTRACTOR INSURANCES & RISK MANAGEMENT	52,500
	PERFORMANCE & PAYMENT BOND	15,400
	IRRIGATION METER FEE	5,000
	DOMESTIC WATER METER FEE - **ALLOWANCE**	15,000
	BUILDING PERMIT FEES	17,400
	SUB TOTALS #2	**1,857,500**
	CONSTRUCTION MANAGER'S FEE	139,000
	TOTAL CONSTRUCTION COST	1,996,500

Proposal Clarifications
COJ Fire Station No. 17 Addition and Renovation
April 18, 2023

Included Items

1. Project Specifications dated November 18, 2022, provided by TTV Architects, Inc.

2. Payment and Performance Bond.

3. City of Jacksonville Building Permit Fees.

4. 1" irrigation meter fee.

5. Allowance for 1" domestic water fee – final gallons per day usage calculations are required to determine the JEA usage charges.

6. Seven and a half percent (7.5%) sales tax.

7. Builder's Risk Insurance.

8. We anticipate a 120-day, on-site construction duration.

9. Construction duration quoted for completion of scope of work identified within this proposal. Commencement to be 15 days following issuance of Notice to Proceed, all governmental permits and confirmation of delivery dates for long lead materials.

10. Dewatering, if any, to be accomplished by sump pumping and/or over-excavation of the footing and backfilling, with gravel.

11. Asbestos abatement of existing vinyl floor tile.

12. Existing shed and metal building are existing to remain.

13. Provide new undercounter grease trap to service the Kitchen.

14. Oil water separator allowance includes 1,000-gallon concrete oil water separator to serve Rescue and Engine Bay [111]. Sanitary sewer piping is assumed out the South of the building and tie-in at on-site sewer main.

15. Underground roof drain allowance includes additional 6" PVC roof drain piping to all downspout locations. Total of eight (8) downspout connections is included to match the Roof Plan.

16. Removal of the existing Engine Bay slab on grade as required for new addition.

17. 8" thick reinforced super duty concrete paving on 8" thick crushcrete base at Engine Bay driveway. All other site concrete is 5" thick non-reinforced on compacted subgrade.

18. Existing floor finishes shall be removed down to the existing terrazzo substrate in lieu of the structural slab.

19. Split face concrete masonry units with painted finish.

Proposal Clarifications
COJ Fire Station No. 17 Addition and Renovation
April 18, 2023

Included Items (cont'd)

20. Supplemental concrete and masonry design item allowance includes:

    a. Missing thickened edge in Section A2/S200 at the masonry walls bearing between the addition and existing building.
    b. Missing masonry wall section on S100 to close the Engine Bay addition.

21. Level frame rafter tails with fiber cement soffits and fascia.

22. Roofing dry-in only.

23. Three (3) PGT impact rated operable windows, bronze.

24. CHI Model 3240 steel sectional overhead doors from manufacturers standard color selection in lieu of coiling overhead doors. Departure door includes light curtain and LED safety light.

25. Plain sliced white birch wood doors, material only.

26. Mechanical operated cipher lockset at Door (111A) in lieu of access control card reader.

27. Install Owner furnished exterior signage per Elevation 1/A300.

28. Reinstall existing Kitchen Hood per Note 3/M101.

29. One (1) ADA trench drain is included at the shower located in ADA Restroom [107].

30. Two (2) electric unit heaters shall be provided at Rescue and Engine Bay [111] to provide freeze protection for trucks.

31. The door controller for Door (111D) shall be located on the South wall of Rescue and Engine Bay [111], adjacent to Door (111B).

32. Two (2) motion sensing light switches shall be provided at Rescue and Engine Bay [111] in lieu of automated lighting controls shown in Detail 10/E500.

33. Stainless steel receptacle cover plates shall be limited to devices located within the Kitchen backsplash tile.

34. Bid Alternate to provide upgraded 400 amp electrical services as indicated on Sheet E601 is included.

35. 120-volt smoke detectors.

36. Lightning protection system.

37. Testing for Emergency Responder Radio Communication System signal strength only.

Proposal Clarifications
COJ Fire Station No. 17 Addition and Renovation
April 18, 2023

Excluded Items

1. Removal, replacement, or handling of any unsuitable or hazardous materials, unless otherwise noted.
2. Impact fees, pollution charges, concurrency fees, tree mitigation, if any.
3. Electrical meter fees (existing to remain).
4. Cost of utility/electrical power once permanent meter is set.
5. Florida Green Building Coalition Certification.
6. Design Fees.
7. Architect and Engineer Construction Administration Fees.
8. Maintaining existing power and systems during construction.
9. Asbestos survey.
10. Abatement of materials containing less than 1% asbestos.
11. ADA parking (by Others per Site Geometry Plan).
12. Fencing and Gates.
13. Landscape and Irrigation.
14. Landscape maintenance.
15. Import of topsoil for landscaped areas. Existing soils onsite are assumed to be acceptable.
16. HDPE bollard covers.
17. Hardie/PVC at soffit & fascia.
18. Millwork and countertops including stainless steel.
19. Spray foam insulation.
20. New roofing, to be dried in only.
21. Caulking at concrete joint pavement.

Excluded Items (cont'd)

22. Owner furnishings: residential appliances, tables, chairs, furniture, erase boards, television brackets, televisions, artwork, etc.STC rated doors.

23. Installation of doors & hardware.

24. Window sills at existing windows (existing to remain).

25. Drywall and acoustical ceilings including misc. patching.

26. Moisture mitigation for flooring and flooring adhesive materials, if required.

27. Flooring (epoxy, floor tile, wall tile, terrazzo, polished concrete, floor protection, etc.).

28. Painting.

29. Division 10 specialties (i.e. toilet partitions, accessories, bicycle rack, flagpole, etc.)

30. Installation of Owner-furnished wood lockers.

31. Window treatments.

32. Fire dampers.

33. General exhaust and supply fan at Engine Bay and Apparatus Bay with associated NO/CO2 monitoring.

34. Relocate existing diesel exhaust capture system.

35. Fire Station Alerting System modifications and additions by Purvis.

36. Replacement of existing electrical receptacles and circuitry.

37. Access Control systems.

38. All interior and exterior signage <u>except</u> for code required "exit" and ADA signage for Restrooms.

39. Fire Sprinkler System.

40. Natural gas and propane related work.

41. Generator fuel.

42. Commissioning of plumbing, mechanical and electrical systems including functional performance testing.

43. Emergency Responder Radio Communication System.

Allowances / Alternates
COJ Fire Station No. 17 Addition and Renovation
April 18, 2023

Allowances – Amounts Included in the Base Price

1. Domestic water meter fee.	$ 15,000
2. Oil water separator.	$ 28,000
3. Underground roof drainage.	$ 30,000
4. Supplemental concrete and masonry design items.	$ 15,000
5. Existing soffit/fascia repairs and enhancements.	$ 4,000
6. Fire rate existing masonry wall at Officer's Bunk [112] and Engine Bay [111].	$ 3,000

BASIS OF AWARD: EVALUATION CRITERIA

NUMBER OF BIDS INVITED: 4 **NUMBER RECEIVED: 7** **OTHER: 0**

SUMMARY OF BIDS AND RECOMMENDED ACTIONS:
The City had previously issued this RFQ and the evaluation committee has evaluated proposals. Subsequently, presentations were conducted and evaluated on February 3, 2022. Based upon the combination of proposal and presentation evaluations, scores and rankings are as follows (Listed in alphabetical order):

Firm	Score	Ranking
Auld & White Constructors, LLC	118	1
Baker Consulting and Engineering, LLC dba Baker Design Group	97 50	3
Stellar Group, Inc.	115	2

Recommend approval of award to Auld & White Constructors, LLC as receiving the highest score in accordance with the evaluation and ranking above. Period of service will be five (5) years from the date of contract execution. Total not-to-exceed award amount will be $8,000,000.00 annually ($40,000,000.00 total) with carryover for any unused portion.

This award will be funded from various agency accounts and executed by formal contract through the Office of General Counsel
