With that said, the election of Sheriff Waters only covers the remaining term of our originally elected Sheriff, so Sheriff Waters' term expires 7/1/2023. We have a new primary

election in March 2023 with a possible runoff election in May to elect a Sheriff for the regular 4 year term. Sheriff Waters is running for the 4 year term in March and we are planning that he will be elected to the new 4 year term. However, we also need to have a contingency plan for the remote possibility that another Sheriff could be elected.

With the uncertainty outlined in the background above, we have concluded that it may be best to extend our current contract POA-9A08876, which expires 5/29/23. The extension would be for 6 months to get us through the transitions and to allow time to implement any changes. Would the Chambers Group, Inc., be willing to extend the current contract for that period?

Deidra,

Due to the Sheriff transitions, possible redesigns and other reasons, the Services chain of command requested that we ask Blackinton to extend the current bid, SC-0417-19, for an additional 6 months. Blackinton has agreed to such an extension.

Mark,

I appreciate the background information. Certainly seems reasonable to accommodate for the additional 6 months although beyond this, I could make no further commitments. I believe this term would conclude the current contract if memory serves?

We will hold current pricing through the end of November of 2023.

Regards,

David Elliott

Subject: Sheriff Transitions and Our Contract

David,

Our current cycle originally elected Sheriff left in June 2022 before his term expired. As a result, the Governor appointed an interim Sheriff until a new election could be held. We have now conducted two elections, a primary and general, resulting in Sheriff Waters being sworn into office November 22nd.

However, the election of Sheriff Waters only covers the remaining term of our originally elected Sheriff, so Sheriff Waters' term expires 7/1/2023. We have a new primary election in March 2023 with a possible runoff election in May to elect a Sheriff for the regular 4 year term. Sheriff Waters is running for the 4 year term in March and we are planning that he will be elected to the new 4 year term. However, we also need to have a contingency plan for the remote possibility that another Sheriff could be elected.

Sheriff Waters' staff is currently working on some realignments that will help us to conform to certain criteria for Florida Sheriff agencies. One of these changes may be that we will change the title on Police badges from "officer" to "deputy." There may be some other changes necessary as well but they have to be explored since we are different from normal Florida Sheriff's agencies due to the consolidated government.

With the uncertainty outlined in background above, we have concluded that it may be best to extend our current badge contract SC-0417-19, which expires 5/29/23. The extension would be for 6 months to get us through the transitions and to allow time to implement any changes. Would Blackinton be willing to extend the current contract for that period?
