Diversion System of Care
Scope of Work

Summary: On September 3, 2020, the Partnership for Child Health received the Juvenile Justice Diversion award from Kids Hope Alliance to implement, provide and manage diversion services for youth in Duval County. The Duval County Diversion System of Care will begin implementation October 1, 2020 – September 30, 2021, with four contract renewals through September 30, 2025.

Target population:
Duval County youth up to and including the age of seventeen at the time of offense who have been referred to the juvenile justice system for criminal offenses allegedly committed within the jurisdiction of Duval County and who meet the specific eligibility criterion for diversion as determined by the Juvenile Division of the SAO.

Scope of Services:

- Reduce involvement in the juvenile justice system by providing prescribed services to divert juvenile offenders from the delinquency system and reduce recidivism;
- Incorporate accountability activities, counseling/therapeutic services, family support services, and youth development activities that strengthen protective factors and reduce risk factors that lead to delinquent and maladaptive behavior;
- Ensure greater access to diversion services county-wide so that eligible youth are served in the timeliest and most appropriate manner to reduce barriers the family may have in accessing services;
- Reduce disproportionate minority representation of youth by ensuring equitable access to effective culturally competent programming.

Contract Requirements

- Monthly Summary Report submitted by the 10th of each month. Quarterly narrative reports submitted at the end of each quarter by the 10th of the subsequent month.
- All Staff have Level 2 background screening and have an Attestation of Good Moral Character
