SUBJECT: RECOMMENDATION TO RESCIND AWARD

RE: Countywide Bridge and Roadway Maintenance-
Bridge 724118, Yellow Bluff Road Bridge Maintenance Site 4
Bid No.: RFQ-0045-17 & 0185-18
Bid Date: May 19, 2021
Award Amount: $213,804.80

The Department of Public Works is requesting that the award for RFQ-0045-17/0185-18, approved July 26, 2021, for the base bid price in the amount of $213,804.80 to Intron Technologies, Inc. be rescinded. Intron Technologies has advised that because of nationwide material cost escalations due to Covid and material shortages, they would be unable to proceed with the project at their current bid price. The project was put on hold until a determination could be made regarding the cost increase.

We therefore recommend that the award for Bridge 724118, Yellow Bluff Road Bridge Maintenance Site 4 be rescinded. We will re-bid the project at a future date.

Gary,
The subject project, Yellow Bluff Road Bridge Maintenance, has been stalled due to unprecedented material price escalations during the COVID era that made continuing under the current agreement unrealistic. The follow-up inflationary environment has not allowed recovery to pre-COVID costs and therefore we agree with termination of the PO executed for this project with no resulting fines or limitations.

Please let us know if you have any questions or need additional information.
Best Regards,
Jody
