SUBJECT: **Recommendation for Rejection of all Bids - Request for Proposal - Residential Curbside Solid Waste and Recyclables Collection and Transportation Services Automated - Service Area I**
Bid No. **ESC-0457-22**
Bid Date: **October 12, 2022**

A total of one (1) bid was received by the Procurement Division on October 12, 2022 for the Request for Proposals (RFP) ESC-0457-22 Residential Curbside Solid Waste and Recyclable Collection and Transportation for Service Area I. The one bid for RFP ESC-0457-22 was submitted by Waste Management, Inc. of Florida (WM). The Solid Waste Division (SWD) scored the bid response pursuant to the specifications, requirements and terms and conditions of ESC-0457-22 and all issued addendums including personal interviews with references concerning levels of service for similar types of projects.

In addition, SWD reviewed the State of Florida www.Sunbiz.org to determine the current corporate status of the respondent. Based on the scoring matrix contained in the RFP, WM scored an average total of 85.63 points out of 100 possible points with an offered per premise price of $28.53. Using the total premise count of 76,044 contained within the RFP, the calculated bid amount would be $2,169,535.32 per month with a yearly total of $26,034,423.84. The total contract award amount of $26,034,423.84 greatly exceeds the budgeted amount derived from the solid waste user fee and the bid amounts received for rear load service under ESC-0458-22 so that it would not be in the best interest of the City to consider this award. Therefore, the SWD respectfully requests to Reject all Bids for RFP ESC-0457-22. Nothing contained herein shall be amended, modified or otherwise revised without prior CSPEC and Mayor's approval.

Please advise the Solid Waste Division when this item will be placed on the MBRC agenda so a member of Public Works can attend.
