SUBJECT: **Recommendation to Award, CP-0007-24**
ONAS Corporation
Pedestrian Safety Improvement Program – North, West and Southeast Areas

---

The Right of Way and Stormwater Maintenance Division of the Department of Public Works have received bid submittals on the referenced project for compliance with the contract documents.

A review of bids was conducted for bids received from GEC Trucking and Construction, Inc., ONAS Corporation and CAP Contracting, Inc. Upon completion of this review, it was determined the minimum qualifications set forth by JSEB were not met by any of the bidders and did not comply with contract documents as required.

We therefore recommend that all bids received for the Pedestrian Safety Improvement Program – North, West, & Southeast Area contracts, be rejected.

If additional information is needed, please contact Amy Griffin, 904-255-6927.

PEDESTRIAN SAFETY IMPROVEMENT PROGRAM
NORTH, WEST AND SOUTHEAST AREAS

DUVAL COUNTY
2023 - 2024

SECTION 30

SCOPE OF WORK

30.1 SCOPE: The work covered by these plans and specifications consists of furnishing all labor, materials and equipment; and performing all operations necessary for the construction of concrete sidewalks and appurtenant work including enclosing existing drainage ditches as required for the installation of sidewalk at designated locations, as specified in the Contract Documents.

30.2 LOCATION: The work sites will be on any street, highway, or other City property located within the North, West and Southeast Areas within Duval County (See maps). However, at any time during the extent of this contract, the City may issue purchase orders to construct sidewalks in other areas of the City.

30.3 INTENT: It is the intent of this Contract to provide, upon request, well-constructed City standard sidewalks at various locations within the limits of the City of Jacksonville. It is not the intent of these Contract Documents to minutely define the mode, means, methods, techniques, sequence, or procedures of construction selected by the Contractor, or the safety precautions and programs incidental to the work of the Contractor, but rather to set forth reasonable and rational criteria for the construction thereof.
