RE: SC-0204-20 Dumpster Rental and Garbage Collection Services
Converting Award from Advanced Disposal to GFL Environmental

Dear Mr. Lange,

As was recently announced, Waste Management, Inc. (WM) acquired Advanced Disposal Services, Inc. (Advanced Disposal) on October 30, 2020. In connection with that acquisition, certain assets of Waste Management and Advanced Disposal were divested to GFL Environmental, Inc. (also known as GFL Solid Waste Southeast LLC) effective October 30, 2020. As a result, the Dumpster Rental and Garbage Collection Services agreement (SC-0204-20) awarded to Advanced Disposal on August 16, 2019 moved to GFL effective October 30, 2020.

Locally, GFL will operate out of the former Advanced Disposal facility located at 7580 Philips Highway.

GFL Environmental is agreeable to acquiring award SC-0204-20 for Dumpster Rental and Garbage Collection Services with the City of Jacksonville and adhering to all terms and conditions of the agreement.

Derick Redding
General Manager
GFL Environmental

Advanced Disposal | GFL

Dear Valued Customer,

On October 30, 2020, Waste Management ("WM") acquired Advanced Disposal Services, Inc. ("Advanced Disposal"). In connection with that acquisition, certain assets of WM and Advanced Disposal have been sold to subsidiaries of GFL Environmental Inc. ("GFL") effective October 30, 2020. As a result, your collection service has moved to GFL as of that date.

GFL is excited to be your new service provider. GFL is the fourth largest diversified environmental services company in North America and currently operates in 27 states in the United States through its network of high-quality solid waste assets, and is ideally situated to continue to meet the high service standards you have come to expect when working with Advanced Disposal. *Rest assured, there will be no disruption to your service and GFL will be operating as "business as usual" during the transition.* Over the long term, Advanced Disposal trucks and other equipment, such as containers, dumpsters, and compactor units, will be updated to reflect the GFL brand.

In some cases, WM/Advanced Disposal has agreed to continue providing some services to you as a subcontractor to GFL, so you may continue to see a WM/Advanced Disposal truck collecting some of your trash, recycling and/or yard waste. **Regardless of the logo on the truck collecting your waste, GFL is your primary point of contact for payment and any issues you may have with your service.** As a reminder, please pay your Advanced Disposal invoice including any advance billing in accordance with the invoice. Future invoices will be from GFL.

We are committed to making this transition as seamless and transparent for you as possible. You will hear from GFL regarding your account in 7-10 days and we recommend you add donotreplysouthfieldbilling@gflenv.com to your address book and keep an eye out for the GFL logo on any incoming communications. **Any questions or concerns should be directed to GFL at 1-888-895-8696.**

We greatly appreciate your support during this transition and thank you for your business.

Waste Management Completes $4.6 Billion Acquisition of Advanced Disposal

October 30, 2020

- Waste Management's Acquisition of Advanced Disposal Combines Dedicated and Experienced Teams with Shared Commitments to Safety, Outstanding Customer Service and Operational Excellence
- Waste Management Continues to be Confident in the Long-Term Value from the Acquisition and Expects Annual Cost and Capital Expenditure Synergies to Exceed $100 Million

HOUSTON--(BUSINESS WIRE)--Oct. 30, 2020-- Waste Management (NYSE: WM) announced today that it completed its acquisition of all outstanding shares of Advanced Disposal on October 30, following the receipt of required regulatory approvals. The previously announced purchase price of $30.30 per share in cash represents a total enterprise value of $4.6 billion when including approximately $1.6 billion of Advanced Disposal's net debt. Advanced Disposal stock will no longer be traded on the NYSE.

This acquisition grows Waste Management's footprint and allows the Company to deliver unparalleled access to differentiated, sustainable waste management and recycling services to approximately 3 million new commercial, industrial and residential customers primarily located in 16 states in the eastern half of the United States.

"We are excited to reach the finish line on this compelling acquisition, and I would like to welcome the Advanced Disposal team members to the WM family," said Jim Fish, President and Chief Executive Officer of Waste Management. "The acquisition expands Waste Management's reach and positions us for significant earnings and cash flow growth. The hard work our integration teams have done has prepared us to provide a seamless transition for employees and customers."

Immediately following the completion of the Advanced Disposal acquisition, Waste Management and Advanced Disposal completed the sale to GFL Environmental of all of the assets required by the U.S. Department of Justice to be divested in connection with the Advanced Disposal acquisition.

Waste Management funded the transaction using a combination of credit facilities and commercial paper. Waste Management expects to maintain a strong balance sheet and solid investment-grade credit profile with leverage ratios well within the financial covenants of its credit facilities.

"With integration getting underway, the team is focused on a strong finish to 2020," Fish concluded. "We look forward to providing our 2021 outlook for the combined organization when we announce fourth quarter and full-year earnings."
