SUBJECT: COUNTYWIDE HOT ASPHALT SPEED HUMP AND SPEED TABLE CONSTRUCTION - RE-BID

BID #: CS-0102-23 **OPEN DATE:** 6/21/2023

GENERAL GOVERNMENT AWARDS COMMITTEE

KIND AND BASIS OF CONTRACT: CONSTRUCTION CONTRACT – OCTOBER 1, 2023 THROUGH SEPTEMBER 30, 2026 WITH TWO (2) ONE (1) YEAR RENEWAL OPTIONS

AGENCY: TRAFFIC ENGINEERING DIVISION

BASIS OF AWARD: ALL OR NONE TO THE LOWEST RESPONSIVE, RESPONSIBLE BIDDER

NUMBER OF BIDS INVITED: 8 **NUMBER RECEIVED:** 2 **OTHER:** 0

SUMMARY OF BIDS AND RECOMMENDED ACTIONS:
Recommend approval to reject ONAS Corporation for being non-responsive; specifically, for not providing a list of completed projects as was required in *Section 3, Appendix G – Project Specific Qualifications.*

D.T. Services, Inc. provided *Form 4A Full and Fair Consideration of Ex-Offenders For Awarded Contractor Direct Hiring* upon request from the City. Recommend approval to waive *Form 4A* as a minor technicality.

Recommend approval of award to the lowest responsive, responsible bidder, D.T. Services, Inc., in the annual not-to-exceed award amount of $300,000.00 per year ($900,000.00 total). Period of service will be three (3) years from October 1, 2023 through September 30, 2026 with two (2) one (1) year renewal options.

Funding for this award will be encumbered from account 32124.153101.565051.001121.00000000.00000.0000000, executed by formal contract through the Office of General Counsel, and processed via Purchase Order(s).

This award is subject to appropriation by the City in the fiscal year beginning October 1, 2023. No funds have been appropriated to date. The City has no obligation for payment and work hereunder is not authorized unless funds are appropriated for work herein. A written notification will be provided in the event the funds are appropriated.

RE: **Recommendation to Award**
Countywide Hot Asphalt Speed Hump and Speed Table Construction - Re-Bid

Bid No.:	**CS-0102-23**
Bid Date:	**June 21, 2023**
Award Amount:	**$300,000.00**
Recommended Contractor:	**D.T. Services, Inc.**

Traffic Engineering has reviewed the two (2) bids received for the above-referenced project. ONAS Corporation failed to provide a list of completed projects as was required in Section 3, Appendix G – Project Specific Qualifications. Therefore, Traffic Engineering recommends ONAS Corporation be rejected from this bid.

D.T. Services, Inc. 20319 County Road 121, Hilliard, FL 32046 submitted the lowest qualified responsive bid, however, Form 4A Full and Fair Consideration of Ex-Offenders For Awarded Contractor Direct Hiring was completed upon request from the City. Recommend approval to waive Form 4A as a minor technicality.

We therefore recommend the subject bid be awarded to D.T. Services, Inc., in the amount of $300,000 per year (900,000 total). Period of service will be October 1, 2023 through September 30, 2026, with two (2) one (1) year renewal options.

Total funding for this project will be encumbered by contract as follows:

ACCOUNT	TOTAL
32124-153101-565051-001121-00000000-00000-0000000	$300,000.00

APPENDIX G

Project Specific Qualifications

The Bidder/Contractor and named Subcontractor (if applicable) shall be companies located in Duval or a surrounding county and meet the following minimum requirements:

- Bidders must be actively licensed by the State of Florida to perform the scope of services defined herein.
- Bidders must have a minimum of three (3) years of experience installing hot mix asphalt speed humps and speed tables within the past five (5) years.
- Bidders must provide the specific locations of speed humps and speed tables they have installed that meet COJ standards for the COJ Traffic Engineering Division's quality review.

Failure to provide the documented evidence with the bid submittal will automatically disqualify the bid and result in rejection.

COUNTYWIDE HOT ASPHALT SPEED HUMP AND SPEED TABLE CONSTRUCTION - RE-BID

SECTION 30

SCOPE OF WORK

30.1 Scope:
The work shall include all labor, materials, and equipment to install temporary pavement markings and standard 12' x 24' speed humps or standard 22' x 24' speed tables within the City of Jacksonville's specifications and standards. The work also includes removing and/or replacing damaged asphalt pavement in the form of repairs and/or construction. Work locations will be determined by City. Work shall be completed per Items 6 - 9 of the Bid Proposal Form (Section 3-2).

Signage and permanent markings will be the responsibility of City of Jacksonville, Traffic Engineering Division. The maintenance of traffic will be the sole responsibility of contractor.

Bidders must be actively licensed by the State of Florida to perform the scope of services defined herein; must have a minimum of three (3) years of experience installing hot mix asphalt speed humps and speed tables within the past five (5) years; and must provide the specific locations of speed humps and speed tables they have installed that meet COJ standards for the COJ Traffic Engineering Division's quality review.

30.2 Location:
This project is located within the limits of the City of Jacksonville, Florida and confined to the publicly owned right-of-way easements or properties associated with each project site. The sites or roadway segments are at various locations throughout the city. The City reserves the right to add or delete sites or roadways from the project as needed. It is anticipated that some sites or roadways will be along an identified corridor or within an area or zone; therefore, the Contractor may be able to work concurrently at several locations.

30.3 Intent:
It is the intent of these Contract Documents to establish in advance of issuing a purchase order, the Contract Unit Price for all items or work and materials which may be needed to install temporary pavement markings, speed humps 12' x 24' within City Specifications and Standards, or speed tables per MUTCD.

It is not the intent of these Contract Documents to minutely define the mode and fabric of construction of this project, but rather to set forth reasonable and rational criteria for the construction thereof.

30.4 Budget and Quantity of Work:
The quantity of work to be performed under this solicitation will be determined by the City and specified in each purchase order; however, the City does not guarantee a minimum amount of work to be awarded.

The quantities of work indicated in the Bid Proposal Form or the budget amount in these or any City document are not considered either a minimum or maximum amount of work to be performed but do represent the best estimate of the work expected to be awarded and performed by this solicitation.

The City reserves the right to add or delete bid items at any time during the contract period.

B. BASIS OF AWARD

The project may be awarded to the lowest responsive, responsible Bidder for the Total Base Bid contingent on the availability of funds within the project's approved budget. The City has the right to reject any or all bids if it is in the best interest of the City.

C. REVISIONS OF BID PROPOSAL FORM

Request for revision of the Bid Proposal Form must be made to the ENGINEER at least ten (10) days prior to date of opening of Bids. Revision of the Bid Proposal by the Bidder will void the Bid.

D. CONTRACT EXPIRATION DATE

The Contract expiration date shall be established 120 calendar days after the scheduled construction completion date in order to comply with Executive Order 2013-05.

E. BID CHANGES

No changes in the amount of Bids appearing on the outside of Bids will be considered. Only the amounts shown on bidding documents inside the envelope will be considered. All changes, corrections and erasures must be initialed by the person signing the bid.

F. CONSTRUCTION COMPLETION

The intent of this contract is that the Contractor provides **Countywide Hot Asphalt Speed Hump and Speed Table Construction (Re-Bid)** during the period of Fiscal Years 2024, 2025, and 2026 (October 1, 2023 through September 30, 2026). The Contractor shall begin work within ten (10) calendar days, including Sundays and holidays, after issuance of a Blanket Order or Purchase Order from the City. No Blanket Orders or Purchase Orders will be issued under this Contract after September 30, 2024 unless the Contract is renewed. The active Contract will expire 120 days thereafter. All work started under a Blanket Order or Purchase Order shall be completed by the expiration date. By mutual agreement of both parties, provided funds are available, the Contract may be extended two (2) times for a period of one (1) year each. Each extension amendment of the contract will be amended prior to September 30th of the current contract fiscal year.

Based upon the agreement of all parties, the Contract Unit Prices may be adjusted one (1) time per fiscal year, after the initial contract term, based on the stated Consumer Price Index (CPI) for All Urban Consumers – South Region All Items, (Series CUURO300SAO), over the preceding twelve (12) months from the latter of the date of Contract Award or the date of the previously approved Contract Unit Price rate adjustments. The adjusted Contract Unit Prices will be calculated using the current Contract Unit Prices and adjusting them by the amount of the stated CPI.
