TAX DESIGNATIONS AND COVENANTS

Bank Qualification: Lessee initial here if this provision is applicable:
If not initialed, this provision does NOT apply to this Agreement.

(a) Lessee hereby designates this Agreement as a "qualified tax-exempt obligation" as defined in Section 265(b)(3)(B) of the Code. The aggregate face amount of all tax-exempt obligations (excluding private activity bonds other than qualified 501(c)(3) bonds) issued or to be issued by Lessee and all subordinate entities thereof during the calendar year during which the Commencement Date of this Agreement occurs, including this Agreement, is not reasonably expected to exceed $10,000,000.

(b) Lessee hereby covenants that Lessee and all subordinate entities thereof will not issue in excess of $10,000,000 of "qualified tax-exempt obligations" (including this Agreement but excluding private activity bonds other than qualified 501(c)(3) bonds) during the calendar year during which the Commencement Date of this Agreement occurs without first obtaining an opinion of nationally recognized counsel in the area of tax-exempt obligations of state and local governments acceptable to Lessor that the designation of this Agreement as a "qualified tax-exempt obligation" will not be adversely affected.

OPINION OF COUNSEL

As legal counsel of Lessee, I have examined (a) the Agreement, which, among other things provides for the sale to and purchase by the Lessee of the Property, (b) an executed counterpart of the ordinance or resolution of Lessee which, among other things, authorizes Lessee to execute the Agreement and (c) such other opinions, documents and matters of law as I have deemed necessary in connection with the following opinions. Based on the foregoing, I am of the following opinions: (1) Lessee is a public body corporate and politic, duly organized and existing under the laws of the State and has a substantial amount of one or more of the following sovereign powers: (a) the power to tax, (b) the power of eminent domain, and (c) police power. (2) Lessee has the requisite power and authority to purchase the Property and to execute and deliver the Agreement and to perform its obligations under the Agreement; (3) the Agreement and the other documents either attached thereto or required therein have been duly authorized, approved and executed by and on behalf of Lessee, and the Agreement is a valid and binding obligation of Lessee enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditor's rights generally; (4) the authorization, approval and execution of the Agreement and all other proceedings of Lessee relating to the transactions contemplated thereby have been performed in accordance with all open meeting laws, public bidding laws and all other applicable state and federal laws; and (5) there is no proceeding pending or threatened in any court or before any governmental authority or arbitration board or tribunal that, if adversely determined, would adversely affect the transactions contemplated by the Agreement. All capitalized terms herein shall have the same meanings as in the Agreement. Lessor, its successors and assigns, and any counsel rendering an opinion on the tax-exempt status of the interest components of Rental Payments are entitled to rely on this opinion.

ARTICLE II

Section 2.01. Representations and Covenants of Lessee. Lessee represents, warrants and covenants for the benefit of Lessor as follows:

(a) Lessee is a municipal corporation and political subdivision duly organized and existing under the constitution and laws of the State. Lessee will do or cause to be done all things to preserve and keep in full force and effect its existence as a body corporate and politic. Lessee is a political subdivision of the State within the meaning of Section 103(a) of the Code or a constituted authority authorized to issue obligations on behalf of a state or local governmental unit within the meaning of the regulations promulgated pursuant to said Section of the Code.

(b) Lessee is authorized under the constitution and laws of the State to enter into this Agreement and the transaction contemplated hereby and to perform all of its obligations hereunder.

(c) Lessee has been duly authorized to execute and deliver this Agreement by proper action and approval of its governing body at a meeting duly called, regularly convened and attended throughout by a requisite majority of the members thereof or by other appropriate official approval.

(d) This Agreement constitutes the legal, valid and binding obligation of the Lessee enforceable in accordance with its terms, except to the extent limited by applicable bankruptcy, insolvency, reorganization or other laws affecting creditors' rights generally.

(e) No event or condition that constitutes, or with the giving of notice or the lapse of time or both would constitute, an Event of Default exists at the Commencement Date.

(f) Lessee has, in accordance with the requirements of law, fully budgeted and appropriated sufficient funds for the current fiscal year to make the Rental Payments scheduled to come due during the Original Term and to meet its other obligations for the Original Term, and such funds have not been expended for other purposes.

(g) Lessee will do or cause to be done all things necessary to preserve and keep in full force and effect its existence as a body corporate and politic.

(h) Lessee has complied with such public bidding requirements as may be applicable to this Agreement and the acquisition by Lessee of the Property hereunder.

(i) There is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, public board or body, pending or threatened against or affecting the Lessee, nor to the best knowledge of the Lessee is there any basis therefor, wherein an unfavorable decision, ruling or finding would materially adversely affect the transactions contemplated by this Agreement or any other document, agreement or certificate which is used or contemplated for use in the consummation of the transactions contemplated by this Agreement or materially adversely affect the financial condition or properties of Lessee.

(j) All authorizations, consents and approvals of governmental bodies or agencies required in connection with the execution and delivery by the Lessee of this Agreement or in connection with the carrying out by the Lessee of its obligations hereunder have been obtained.

(k) The entering into and performance of this Agreement or any other document or agreement contemplated hereby to which the Lessee is or is to be a party will not violate any judgment, order, law or regulation applicable to the Lessee or result in any breach of, or constitute a default under, or result in the creation of any lien, charge, security interest of other encumbrance on any assets of the Lessee or the Property pursuant to any indenture, mortgage, deed of trust, bank loan or credit agreement or other instrument to which the Lessee is a party or by which it or its assets may be bound, except as herein provided.

(l) The Property is essential to the function of the Lessee or to the service Lessee provides to its citizens. The Lessee has an immediate need for, and expects to make immediate use of, substantially all the Property, which need is not temporary or expected to diminish in the foreseeable future. The Property will be used by Lessee only for the purpose of performing one or more of Lessee's governmental or proprietary functions consistent with the permissible scope of Lessee's authority and will not be used in the trade or business of any other entity or person.

(m) Lessee will comply with all applicable provisions of the Code, including without limitation Sections 103 and 148 thereof, and the applicable regulations of the United States Treasury Department to maintain the exclusion of the interest components of Rental Payments from gross income for purposes of federal income taxation.

(n) Lessee has never failed to appropriate or otherwise make available funds sufficient to pay rental or other payments coming due under any lease purchase, installment sale or other similar agreement.

(o) All the costs of acquiring the Property, including amounts attributable to the financing of software, maintenance, warranty and similar items, are consistently treated as Capital Expenditures by the Lessee on its books and records. All proceeds of this Agreement will be used, directly or indirectly, to finance Capital Expenditures or, to the extent permitted by law, de minimis expenditures for certain specified purposes.

(p) Lessee has received written assurance from Vendor that with respect to the portion of the Property being prepaid, the same maintenance, repair, extended warranty, updates or maintenance or support services, as applicable, are regularly provided to nongovernmental persons on the same terms.

Section 2.02. Certification as to Arbitrage. Lessee hereby represents as follows:

(a) The estimated total costs of the Property will not be less than the total principal portion of the Rental Payments.

(b) The Property has been ordered or is expected to be ordered within six months of the Commencement Date, and the Property is expected to be delivered and installed, and the Vendor fully paid, within one year of the Commencement Date.

(c) Lessee has not created or established, and does not expect to create or establish, any sinking fund or other similar fund (i) that is reasonably expected to be used to pay the Rental Payments, or (ii) that may be used solely to prevent a default in the payment of the Rental Payments.

(d) The Property has not been and is not expected to be sold or otherwise disposed of by Lessee, either in whole or in major part, prior to the last maturity of the Rental Payments.

(e) To the best of our knowledge, information and belief, the above expectations are reasonable.

ARTICLE III

Section 3.01. Lease of Property. Lessor hereby demises, leases and lets the Property to Lessee, and Lessee rents, leases and hires the Property from Lessor, in accordance with the provisions of this Agreement, for the Lease Term. The Original Term of this Agreement shall commence on the Commencement Date and shall terminate on the last day of Lessee's current fiscal year. The Lease Term may be continued at the end of the Original Term or any Renewal Term for an additional Renewal Term up to the Maximum Lease Term; provided, however, that at the end of the Original Term and at the end of each Renewal Term until the Maximum Lease Term has been completed, Lessee shall be deemed to have continued this Agreement for the next Renewal Term unless Lessee shall have terminated this Agreement pursuant to Section 3.04 or Section 10.01. The terms and conditions during any Renewal Term shall be the same as the terms and conditions during the Original Term, except that the Rental Payments shall be as provided in the Payment Schedule.

Section 3.02. Termination of Lease Term. The Lease Term shall terminate upon the earliest of any of the following events:

(a) the expiration of the Original Term or any Renewal Term and the nonrenewal of this Agreement in the event of nonappropriation of funds pursuant to Section 3.04;

(b) the exercise by Lessee of the option to purchase the Property under Article X and payment of the Purchase Price and all amounts payable in connection therewith;

(c) a default by Lessee and Lessor's election to terminate this Agreement under Article XII; or

(d) the payment by Lessee of all Rental Payments authorized or required to be paid by Lessee hereunder during the Maximum Lease Term.

Section 3.03. Continuation of Lease Term. Lessee currently intends, subject to Section 3.04, to continue the Lease Term through the Original Term and all of the Renewal Terms and to pay the Rental Payments hereunder. Lessee reasonably believes that legally available funds in an amount sufficient to make all Rental Payments during the Original Term and each of the Renewal Terms can be obtained. The responsible financial officer of Lessee shall do all things lawfully within his or her power to obtain and maintain funds from which the Rental Payments may be made, including making provision for such Rental Payments to the extent necessary in each proposed annual budget submitted for approval in accordance with applicable procedures of Lessee and to exhaust all available reviews and appeals in the event such portion of the budget is not approved. Notwithstanding the foregoing, the decision whether or not to budget or appropriate funds or to extend this Agreement for any Renewal Term is solely within the discretion of the then current governing body of Lessee.

Section 3.04. Nonappropriation. Lessee is obligated only to pay such Rental Payments under this Agreement as may lawfully be made from funds budgeted and appropriated for that purpose during Lessee's then current fiscal year. In the event sufficient funds shall not be appropriated or are not otherwise legally available to pay the Rental Payments required to be paid in the next occurring Renewal Term, as set forth in the Payment Schedule, this Agreement shall be deemed to be terminated at the end of the then current Original Term or Renewal Term. Lessee agrees to deliver written notice to Lessor of such termination at least 90 days prior to the end of the then current Original Term or Renewal Term, but failure to give such notice shall not extend the Lease Term beyond such Original Term or

Renewal Term. If this Agreement is terminated in accordance with this Section, Lessee's rights to the Property will simultaneously terminate and Lessee agrees, at Lessee's cost and expense, (a) to immediately discontinue use of the Property, (b) to return to Lessor any portion of the Property constituting tangible personal property, (c) to remove any intangible Property from Lessee's property and terminate access to and use of such Property, whether such Property is installed on premises or accessed remotely or by internet connection and, as applicable, deliver or otherwise release the same to Vendor at the location or locations specified by Vendor, and (d) within 30 days of any such termination, to deliver a certificate to Lessor certifying that Lessee has complied with this sentence.

ARTICLE IV

Section 4.01. Rental Payments. Lessee shall pay Rental Payments exclusively from legally available funds, in lawful money of the United States of America to Lessor on the dates and in the amounts set forth on the Payment Schedule. Any Rental Payment not received on or before its due date shall bear interest at the rate of 18% per annum or the maximum amount permitted by law, whichever is less, from its due date. As set forth on the Payment Schedule, a portion of each Rental Payment is paid as, and represents payment of, interest.

Section 4.02. Rental Payments to Constitute a Current Expense of Lessee. The obligation of Lessee to pay Rental Payments hereunder shall constitute a current expense of Lessee, and does not constitute a mandatory payment obligation of Lessee in any fiscal year beyond the then current fiscal year of Lessee. Lessee's obligation hereunder shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the general credit, tax revenues, funds or moneys of Lessee.

Section 4.03. Rental Payments To Be Unconditional. EXCEPT AS PROVIDED IN SECTION 3.04, THE OBLIGATIONS OF LESSEE TO MAKE RENTAL PAYMENTS AND TO PERFORM AND OBSERVE THE OTHER COVENANTS AND AGREEMENTS CONTAINED HEREIN SHALL BE ABSOLUTE AND UNCONDITIONAL IN ALL EVENTS WITHOUT ABATEMENT, DIMINUTION, DEDUCTION, SET-OFF OR DEFENSE, FOR ANY REASON, INCLUDING WITHOUT LIMITATION ANY FAILURE OF THE PROPERTY TO BE DELIVERED OR INSTALLED, ANY DEFECTS, MALFUNCTIONS, BREAKDOWNS OR INFIRMITIES IN THE PROPERTY OR ANY ACCIDENT, CONDEMNATION OR UNFORESEEN CIRCUMSTANCES.

ARTICLE V

Section 5.01. Delivery, Installation and Acceptance of the Property. Lessee shall (a) order the Property, (b) cause any portion of the Property constituting tangible personal property to be delivered and installed at the location specified on the front of this Agreement, (c) cause any intangible Property to be accessible from Lessee's computers, servers and other electronic equipment, either by installing the software directly on premises or providing remote access thereto, and (d) pay any and all delivery, installation and other costs in connection therewith. When the Property has been delivered and installed or is otherwise accessible by the Lessee, Lessee shall immediately accept the Property and evidence said acceptance by executing and delivering to Lessor an acceptance certificate acceptable to Lessor. After it has been installed, any portion of the Property constituting tangible personal property and any computers, servers and other electronic equipment using intangible Property will not be moved from the location specified on the front of this Agreement without Lessor's consent, which consent shall not be unreasonably withheld.

Section 5.02. Enjoyment of Property. Lessee shall peaceably and quietly have and hold and enjoy the Property during the Lease Term, without suit, trouble or hindrance from Lessor, except as otherwise expressly set forth in this Agreement.

Section 5.03. Right of Inspection. Lessor shall have the right at all reasonable times during regular business hours to enter into and upon the property of Lessee for the purpose of inspecting any portion of the Property constituting tangible personal property.

Section 5.04. Use and Maintenance of the Property. Lessee will not install, use, operate or maintain the Property improperly, carelessly, in violation of any licensing or other agreement, or in violation of any applicable law or in a manner contrary to that contemplated by this Agreement. Lessee shall obtain all permits and licenses, if any, necessary for the installation, use, operation and maintenance of the Property. In addition, Lessee shall comply in all respects with all applicable laws, regulations and rulings of any legislative, executive, administrative or judicial body: provided that Lessee may contest in good faith the validity or application of any such law, regulation or ruling in any reasonable manner that does not, in the opinion of Lessor, adversely affect the interest or rights of Lessor under this Agreement. Lessee agrees that it will, at Lessee's own cost and expense, maintain, preserve and keep the Property in good repair, working order and condition and install all updates, upgrades, improvements and additions to the Property made available to it by Vendor. Lessor shall have no responsibility to maintain or repair or to provide or make updates, upgrades, improvements or additions to the Property.

ARTICLE VI

Section 6.01. Title to the Property. During the Lease Term, title to the Property shall vest in Lessee, subject to the provisions of this Agreement and any applicable license or other agreement. Upon any termination of this Agreement pursuant to Sections 3.02(a) or Section 3.02(c), Lessee's title shall immediately and without any action by Lessee terminate. Upon any termination of the Agreement pursuant to Sections 3.02(b) or 3.02(d), title to the Property shall be vested in Lessee, free and clear of any claim by or through Lessor.

Section 6.02. UCC FILINGS. Lessee authorizes Lessor to file a financing statement with respect to the Property.

ARTICLE VII

Section 7.01. Liens, Taxes, Other Governmental Charges and Utility Charges. Lessee shall keep the Property free and clear of all liens, charges and encumbrances, except those created under this Agreement. The parties to this Agreement contemplate that the Property will be used for a governmental or proprietary purpose of Lessee and, therefore, that the Property will be exempt from all property taxes and other similar charges. If the licensing, use, possession or acquisition of the Property is found to be subject to taxation in any form, Lessee will pay all taxes and governmental charges lawfully assessed or levied against or with respect to the Property. Lessee shall pay all utility and other charges incurred in the use and maintenance of the Property. Lessee shall pay such taxes and charges as the same become due; provided that, with respect to any such taxes and charges that may lawfully be paid in installments over a period of years, Lessee shall be obligated to pay only such installments that accrue during the Lease Term.

Section 7.02. Insurance. At its own expense, Lessee shall maintain (a) casualty insurance insuring any portion of the Property constituting tangible personal property against loss or damage by fire and all other risks covered by the standard extended coverage endorsement then in use in the State and any other risks reasonably required by Lessor in an amount at least equal to the then applicable Purchase Price of the Property, (b) liability insurance that protects Lessor from liability in all events in form and amount satisfactory to Lessor, and (c) workers' compensation coverage as required by the laws of the State; provided that, with Lessor's prior written consent, Lessee may self insure against the risks described in clauses (a) and (b). All insurance proceeds from casualty losses shall be payable as hereinafter provided. Lessee shall furnish to Lessor certificates evidencing such coverage throughout the Lease Term, as applicable. All such casualty and liability insurance shall be with insurers that are acceptable to Lessor, shall name Lessor as a loss payee and an additional insured, respectively, and shall contain a provision to the effect that such insurance shall not be cancelled or modified materially without first giving written notice thereof to Lessor at least ten days in advance of such cancellation or modification. All such casualty insurance shall contain a provision making any losses payable to Lessee and Lessor, as their respective interests may appear.

Section 7.03. Advances. In the event Lessee shall fail to maintain the insurance required by this Agreement, pay the taxes or charges required to be paid by it under this Agreement or keep the Property in good repair and operating condition, Lessor may, but shall be under no obligation to, purchase the required policies of insurance and pay the cost of the premiums thereof, pay such taxes and charges and maintain and repair the Property and pay the cost thereof. All amounts so advanced by Lessor shall become additional rent for the then current Original Term or Renewal Term. Lessee agrees to pay such amounts with interest thereon from the date paid at the rate of 12% per annum or the maximum permitted by law, whichever is less.

Section 7.04. Financial Information. Lessee will annually provide Lessor with current financial statements, budgets, proofs of appropriation for the ensuing fiscal year and such other financial information relating to the ability of Lessee to continue this Agreement as may be requested by Lessor.

Section 7.05. Release and Indemnification. To the extent permitted by law, Lessee shall indemnify, protect and hold harmless Lessor from and against any and all liability, obligations, losses, claims and damages whatsoever, regardless of cause thereof, and expenses in connection therewith (including, without limitation, counsel fees and expenses and any federal income tax and interest and penalties connected therewith imposed on interest received) arising out of or as the result of (a) the entering into this Agreement, (b) the ownership of any item of the Property, (c) the ordering, licensing, acquisition, use, operation, condition, purchase, delivery, rejection, storage or return of any item of the Property, (d) any accident in connection with the licensing, operation, use, condition, possession, storage or return of any item of the Property resulting in damage to property or injury or death to any person or (e) the breach of any covenant herein or any material misrepresentation contained herein. The indemnification arising under this paragraph shall continue in full force and effect notwithstanding the full payment of all obligations under this Agreement or the termination of the Lease Term for any reason.

ARTICLE VIII

Section 8.01. Risk of Loss. Lessee assumes, from and including the Commencement Date, all risk of loss of or damage to the Property from any cause whatsoever. No such loss of or damage to the Property nor defect therein nor unfitness or obsolescence thereof shall relieve Lessee of the obligation to make Rental Payments or to perform any other obligation under this Agreement.

Section 8.02. Damage, Destruction, Unfitness for Use and Condemnation. If (a) any portion of the Property constituting tangible personal property is destroyed, in whole or in part, or is damaged by fire or other casualty or if any portion of the Property is otherwise rendered unfit for use by any cause whatsoever, or (b) title to, or the temporary use of, any portion of the Property or the interest of Lessee or Lessor in any portion of the Property shall be taken under the exercise of the power of eminent domain by any governmental body or by any person, firm or corporation acting under governmental authority, Lessee and Lessor will cause the Net Proceeds to be applied to the prompt replacement, repair or restoration of the Property, unless Lessee shall have exercised its option to purchase Lessor's interest in the Property pursuant to Article X. Any balance of the Net Proceeds remaining after such replacement, repair or restoration of the Property has been completed shall be paid to Lessee.

Section 8.03. Insufficiency of Net Proceeds. If the Net Proceeds are insufficient to pay in full the cost of any replacement, repair or restoration referred to in Section 8.02, Lessee shall either (a) complete such replacement, repair or restoration and pay any costs thereof in excess of the amount of the Net Proceeds, or (b) purchase Lessor's interest in the Property pursuant to Article X. The amount of the Net Proceeds, if any, remaining after completing such replacement, repair or restoration or after purchasing the Property shall be retained by Lessee. If Lessee shall make any payments pursuant to this Section, Lessee shall not be entitled to any reimbursement therefor from Lessor nor shall Lessee be entitled to any diminution of the amounts payable under Article IV.

ARTICLE IX

Section 9.01. Disclaimer of Warranties. LESSOR MAKES NO WARRANTY OR REPRESENTATION, EXPRESS OR IMPLIED, AS TO THE VALUE, DESIGN, CONDITION, MERCHANTABILITY OR FITNESS FOR PARTICULAR USE OR PURPOSE OF THE PROPERTY OR AGAINST INFRINGEMENT, OR ANY OTHER WARRANTY OR REPRESENTATION WITH RESPECT THERETO. IN NO EVENT SHALL LESSOR BE LIABLE FOR ANY ACTUAL, INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGE IN CONNECTION WITH OR ARISING OUT OF THIS AGREEMENT OR THE EXISTENCE, FURNISHING, FUNCTIONING OR LESSEE'S USE OR MAINTENANCE OF ANY PROPERTY PROVIDED FOR IN THIS AGREEMENT.

Section 9.02. Vendor's Warranties. Lessee may have rights under the contract evidencing the purchase of the Property or licensing or other agreements; Lessee is advised to contact the Vendor for a description of any such rights. Lessor hereby assigns to Lessee during the Lease Term all rights under any licensing or other agreement and warranties, if any, running from Vendor to Lessor included in or respecting the Property. Lessor hereby irrevocably appoints Lessee its agent and attorney in fact during the Lease Term, so long as Lessee shall not be in default hereunder, to assert from time to time whatever claims and rights (including without limitation warranties) related to the Property that Lessor may have against the Vendor. Lessee's sole remedy for the breach of any such licensing or other agreement, warranty, indemnification or representation shall be against the Vendor, and not against Lessor. Any such matter shall not have any effect whatsoever on the rights and obligations of Lessor with respect to this Agreement, including the right to receive full and timely payments hereunder. Lessee expressly acknowledges that Lessor makes, and has made, no

representations or warranties whatsoever as to the existence or availability of such agreements or warranties by any Vendor

ARTICLE X

Section 10.01. Purchase Option. Lessee shall have the option to purchase Lessor's interest in all (but not less than all) of the Property, upon giving written notice to Lessor at least 60 (but not more than 180) days before the date of purchase, at the following times and upon the following terms:

(a) On any Rental Payment Date, upon payment in full of the Rental Payments and all other amounts then due hereunder plus the then applicable Purchase Price to Lessor; or

(b) If substantially all of the Property is substantially damaged, destroyed or otherwise rendered unfit for use or is condemned, on the day Lessee specifies as the purchase date in Lessee's notice to Lessor of its exercise of the purchase option, upon payment in full of the Rental Payments and all other amounts then due hereunder plus (i) the Purchase Price designated on the Payment Schedule for such purchase date if such purchase date is a Rental Payment Date or the Purchase Price for the immediately preceding Rental Payment Date if such purchase date is not a Rental Payment Date, and (ii) if such day is not a Rental Payment Date, an amount equal to the portion of the interest component of the Rental Payment scheduled to come due on the following Rental Payment Date accrued from the immediately preceding Rental Payment Date to such purchase date, computed on the basis of a 360 day year of twelve 30 day months.

Upon the exercise of the option to purchase set forth above, title to the Property shall be vested in Lessee, free and clear of any claim by or through Lessor.

Section 10.02. Determination of Fair Purchase Price. Lessee and Lessor hereby agree and determine that the Rental Payments hereunder during the Original Term and each Renewal Term represent the fair value of the use of the Property and that the amount required to exercise Lessee's option to purchase Lessor's interest in the Property pursuant to Section 10.01 represents, as of the end of the Original Term or any Renewal Term, the fair purchase price of the Property. Lessee hereby determines that the Rental Payments do not exceed a reasonable amount so as to place Lessee under a practical economic compulsion to renew this Agreement or to exercise its option to purchase the Property hereunder. In making such determinations, Lessee and Lessor have given consideration to (a) the costs of the Property, (b) the uses and purposes for which the Property will be employed by Lessee, (c) the benefit to Lessee by reason of the acquisition and installation of the Property and the use of the Property pursuant to the terms and provisions of this Agreement and any applicable licensing and other agreements, and (d) Lessee's option to purchase Lessor's interest in the Property

ARTICLE XI

Section 11.01. Assignment by Lessor. Lessor's interest in, to and under this Agreement and the Property may, without notice to or the consent of Lessee, be assigned and reassigned in whole or in part to one or more assignees by Lessor. Lessee hereby appoints Municipal Registrar Services (the "Registrar") as its agent for the purpose of maintaining a written record of each such assignment in form necessary to comply with Section 149(a) of the Code. No such assignment shall be binding on Lessee until the Registrar has received written notice from Lessor of the name and address of the assignee. Lessee agrees to execute all documents, including chattel mortgages or financing statements that may be reasonably requested by Lessor or any assignee to protect its interest in the Property and in this Agreement. Lessee shall not have the right to and shall not assert against any assignee any claim, counterclaim, defense, set-off or other right Lessee may from time to time have against Lessor.

Section 11.02. Assignment and Subleasing by Lessee. None of Lessee's right, title and interest in, to and under this Agreement and in the Property may be assigned or encumbered by Lessee for any reason, except that Lessee may sublease all or part of the Property, to the extent, if any, permitted by any applicable licensing and other agreements, if Lessee obtains the prior written consent of Lessor and an opinion of nationally recognized counsel in the area of tax exempt municipal obligations satisfactory to Lessor that such subleasing will not adversely affect the exclusion of the interest components of the Rental Payments from gross income for federal income tax purposes. Any such sublease of all or part of the Property shall be subject to this Agreement and the rights of the Lessor in, to and under this Agreement and the Property.

ARTICLE XII

Section 12.01. Events of Default Defined. Subject to the provisions of Section 3.04, any of the following shall be "Events of Default" under this Agreement:

(a) Failure by Lessee to pay any Rental Payment or other payment required to be paid hereunder at the time specified herein;

(b) Any termination or suspension of any of Lessee's rights under any licensing agreement included in the Property.

(c) Failure by Lessee to observe and perform any covenant, condition or agreement on its part to be observed or performed or to comply with any licensing or other agreement included in or respecting the Property, other than as referred to in Section 12.01(a), for a period of 30 days after written notice, specifying such failure and requesting that it be remedied, is given to Lessee by Lessor, unless Lessor shall agree in writing to an extension of such time prior to its expiration; provided, however, if the failure stated in the notice cannot be corrected within the applicable period, Lessor will not unreasonably withhold its consent to an extension of such time if corrective action is instituted by Lessee within the applicable period and diligently pursued until the default is corrected;

(d) Any statement, representation or warranty made by Lessee in or pursuant to this Agreement or its execution, delivery or performance shall prove to have been false, incorrect, misleading or breached in any material respect on the date when made;

(e) Any provision of this Agreement shall at any time for any reason cease to be valid and binding on Lessee, or shall be declared to be null and void, or the validity or enforceability thereof shall be contested by Lessee or any governmental agency or authority if the loss of such provision would materially adversely affect the rights or security of Lessor, or Lessee shall deny that it has any further liability or obligation under this Agreement;

(f) Lessee shall (i) apply for or consent to the appointment of a receiver, trustee, custodian or liquidator of Lessee, or of all or a substantial part of the assets of Lessee, (ii) be unable, fail or admit in writing its inability generally to pay its debts as they become due, (iii) make a general assignment for the benefit of creditors, (iv) have an order for relief entered against it under applicable federal bankruptcy law, or (v) file a voluntary petition in bankruptcy or a petition or an answer seeking reorganization or an arrangement with creditors or taking advantage of any insolvency law or any answer admitting the material allegations of a petition filed against Lessee in any bankruptcy, reorganization or insolvency proceeding; or

(g) An order, judgment or decree shall be entered by any court of competent jurisdiction, approving a petition or appointing a receiver, trustee, custodian or liquidator of Lessee or of all or a substantial part of the assets of Lessee, in each case without its application, approval or consent, and such order, judgment or decree shall continue unstayed and in effect for any period of 30 consecutive days.

Section 12.02. Remedies on Default. Whenever any Event of Default exists, Lessor shall have the right, at its sole option without any further demand or notice, to take one or any combination of the following remedial steps:

(a) By written notice to Lessee, Lessor may declare all Rental Payments and other amounts payable by Lessee hereunder to the end of the then current Original Term or Renewal Term to be due.

(b) Lessor may terminate this Agreement and hold Lessee liable for Rental Payments and other amounts payable by Lessee hereunder to the end of the then current Original Term or Renewal Term, and in such event, Lessee's rights to the Property will simultaneously terminate and Lessee agrees, at Lessee's cost and expense, (a) to immediately discontinue use of the Property, (b) to return to Lessor any portion of the Property constituting tangible personal property, (c) to remove any intangible Property from Lessee's property and terminate access to and use of such Property, whether such Property is installed on premises or accessed remotely or by internet connection and, as applicable, deliver or otherwise release the same to Vendor at the location or locations specified by Vendor, and (d) within 30 days of any such termination, to deliver a certificate to Lessor certifying that Lessee has complied with this sentence. Lessor reserves the right to, and Lessee agrees that the Lessor or Vendor may, upon termination of this Agreement, enter the premises where the Property is located or used to retake possession of the Property or ensure compliance with the previous sentence.

(c) Lessor may take whatever other action at law or in equity may appear necessary or desirable to enforce its rights as Lessor under this Agreement.

In addition, Lessee will remain liable for all covenants and indemnities under this Agreement and for all legal fees and other costs and expenses, including court costs, incurred by Lessor with respect to the enforcement of any of the remedies listed above or any other remedy available to Lessor. Lessor may charge interest on all amounts due to it at the rate of 18% per annum or the maximum amount permitted by law, whichever is less.

Section 12.03. No Remedy Exclusive. No remedy herein conferred upon or reserved to Lessor is intended to be exclusive and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle Lessor to exercise any remedy reserved to it in this Article it shall not be necessary to give any notice, other than such notice as may be required in this Article.

ARTICLE XIII

Section 13.01. Notices. All notices, certificates or other communications hereunder shall be sufficiently given and shall be deemed given when delivered or mailed by registered mail, postage prepaid, to the parties at the addresses on the front of this Agreement (or at such other address as either party hereto shall designate in writing to the other for notices to such party), to any assignee at its address as it appears on the registration books maintained by Lessee.

Section 13.02. Binding Effect. This Agreement shall inure to the benefit of and shall be binding upon Lessor and Lessee and their respective successors and assigns.

Section 13.03. Severability. In the event any provision of this Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

Section 13.04. Entire Agreement. This Agreement constitutes the entire agreement between Lessor and Lessee.

Section 13.05. Amendments. This Agreement may be amended in writing by Lessor and Lessee.

Section 13.06. INTENTIONALLY OMITTED.

Section 13.07. Usury. The parties hereto agree that the charges in this Agreement shall not be a violation of usury or other law. Any such excess charge shall be applied in such order as to conform this Agreement to such applicable law.

Section 13.08. Jury Trial Waiver. TO THE EXTENT PERMITTED BY LAW, LESSEE AGREES TO WAIVE ITS RIGHT TO A TRIAL BY JURY.

Section 13.09. INTENTIONALLY OMITTED.

Section 13.10. Captions. The captions or headings in this Agreement are for convenience only and in no way define, limit or describe the scope or intent of any provisions or sections of this Agreement.

Section 13.11. Applicable Law. This Agreement shall be governed by and construed in accordance with the laws of the State.

Section 13.12. Role of Lessor. Lessor has not acted and will not act as a fiduciary for Lessee or as Lessee's agent or municipal advisor. Lessor has not and will not provide financial, legal, tax, accounting or other advice to Lessee or to any financial advisor or placement agent engaged by Lessee with respect to this Agreement. Lessee, its financial advisor, placement agent or municipal advisor, if any, shall each seek and obtain its own financial, legal, tax, accounting and other advice with respect to this Agreement from its own advisors (including as it relates to structure, timing terms and similar matters).

Section 13.13. Electronic Transactions. Lessor, in its sole discretion, may permit Lessee to electronically copy and/or deliver by telecopier or other electronic means of transmission an executed counterpart of this Agreement, and any document, schedule, amendment, addendum, supplement or agreement related hereto or executed in connection herewith, with the exception of the IRS Form 8038-G which Lessee must execute using an original, manual signature (not e-Signature). By so copying and/or delivering any such document, Lessee hereby represents and agrees (a) that such transmission constitutes due delivery of such executed document, (b) that the counterpart of such executed document as printed by the recipient, including Lessee's signature thereon, shall be deemed to constitute an original and shall be admissible in any court or other legal proceeding as an original, and (c) to deliver to Lessor, promptly on request, such document bearing Lessee's original "wet ink" signature; provided that neither delivery nor failure to deliver the document bearing Lessee's original "wet ink" signature shall limit or modify the representations and agreements set forth in clauses (a) and (b). This Agreement, including any document, schedule, amendment, addendum, supplement or agreement related hereto or executed in connection herewith with the exception of the IRS Form 8038-G, may be executed in counterparts and any facsimile, photographic or other electronic transmission and/or electronic signing of the Agreement by the Lessee when manually countersigned by Lessor or attached to Lessor's original signature counterpart and/or in Lessor's possession shall constitute the sole original chattel paper as defined in the UCC for all purposes and will be admissible as legal evidence thereof. At Lessor's option, Lessor may require a manual signature.

This Addendum to that certain Lease Purchase Agreement (together with all Exhibits and this Addendum, the "Agreement") dated as of March 17, 2023, between Cisco Systems Capital Corporation (together with its successors and assigns, "Lessor"), and City of Jacksonville, Florida (together with its successors and assigns, "Lessee"), is incorporated in and is hereby made a part of the Agreement. Lessor and Lessee hereby agree that capitalized terms used herein and not otherwise defined herein shall have the terms assigned to such terms in the Agreement and that the following changes and additions shall be made to the Agreement:

1. **Section 3.04** of the Agreement is hereby amended by adding the following sentence at the end of that Section

   Upon return of the Property to Lessor, Lessor shall use its best efforts to lease or sell the Property upon such terms as Lessor in its reasonable judgment deems prudent Lessor shall apply the net proceeds of that sale or lease in the following manner: (i) first, to reimburse Lessor for all costs associated with the taking, removing, holding, repairing and leasing or selling of the Property; (ii) second, to pay to Lessor an amount equal to the Purchase Price for the Property at the time of the termination of this Agreement; (iii) third, to pay to Lessor the amount necessary to satisfy Lessee's remaining obligations under this Agreement; and (iv) fourth, to remit any amount thereafter remaining to Lessee. 2. **Section 4.02** of the Agreement is hereby deleted and the following **Section 4.02** is hereby inserted in lieu thereof:

   Section 4.02. Rental Payments to Constitute a Current Expense of Lessee. The obligation of Lessee to pay Rental Payments hereunder shall constitute a current expense of Lessee payable from sources other than ad valorem taxes and does not constitute a mandatory payment obligation of Lessee in any fiscal year beyond the then current fiscal year of Lessee. Lessee's obligations hereunder shall not in any way be construed to be a debt of Lessee in contravention of any applicable constitutional or statutory limitation or requirement concerning the creation of indebtedness by Lessee, nor shall anything contained herein constitute a pledge of the ad valorem tax revenues, funds or moneys of Lessee. Lessor and Lessee further understand that the use of the ad valorem taxing power to make Rental Payments cannot be compelled.

3. **Section 6.02** of the Agreement is hereby deleted.

4. **Section 12.02** of the Agreement is hereby amended by adding the following language to the end of that Section.

   Lessor and Lessee agree that there is no intention to create under this Agreement a right of Lessor to dispossess Lessee involuntarily of the legal title to or the right of use of the Property. Lessor hereby irrevocably waives any right to specific performance of Lessee's covenant to transfer legal title and return of possession of the Property to Lessor.

5. IF LESSEE IS A COUNTY, Lessee represents and covenants that (a) if the Maximum Lease Term is greater than five years, Rental Payments will be payable from sources other than ad valorem taxes, and (b) Lessee represents and covenants that this Agreement has been, or will be, approved by the Board of County Commissioners of Lessee prior to the Commencement Date.

Except as specifically set forth in this Addendum, all terms and conditions contained in the Agreement remain in full force and effect and are hereby ratified and confirmed. If there is any conflict between the terms of this Addendum and the remainder of the Agreement, the terms of this Addendum will prevail.

Payment shall be made from the Acquisition Fund for the cost of acquisition of part or all of said Equipment listed in the Agreement upon presentation to Escrow Agent of one or more properly executed Payment Request and Acceptance Certificates, a form of which is attached as Exhibit A, executed by Lessee and approved for payment by Lessor, together with an invoice for the cost of the acquisition of said Equipment for which payment is requested and a written approval by Lessor of the Vendor be paid.

8. The Acquisition Fund shall terminate upon the occurrence of the earlier of (a) the presentation of a proper Payment Request and Acceptance Certificate, with the portion thereof designated "Final Acceptance Certificate", properly executed by Lessee, or (b) the presentation of written notification by Lessor, or, if Lessor shall have assigned its interest under the Agreement, then the assignees or subassignees of all of Lessor's interest under the Agreement or an Agent on their behalf, that an Event of Default has occurred or that Lessee has terminated the Agreement pursuant to Section 3.04 of the Agreement. Upon termination as described in clause (a) of this paragraph, any amount remaining in the Acquisition Fund shall be used to prepay the principal component of Rental Payments unless Lessor directs that payment of such amount be made in such other manner directed by Lessor that, in the opinion of nationally recognized counsel in the area of tax exempt municipal obligations satisfactory to Lessor, will not adversely affect the exclusion of the interest components of Rental Payments from gross income for federal income tax purposes. If any such amount is used to prepay principal, the Exhibit A of Rental Payments appearing

in the Agreement shall be revised accordingly as specified by Lessor. Upon termination as described in clause (b) of this paragraph, any amount remaining in the Acquisition Fund shall immediately be paid to Lessor or to any assignees or subassignees of Lessor's interest in this Escrow Agreement.

9. Escrow Agent may at any time resign by giving at least 30 days written notice to Lessee and Lessor, but such resignation shall not take effect until the appointment of a successor Escrow Agent. The substitution of another bank or trust company to act as Escrow Agent under this Escrow Agreement may occur by written agreement of Lessor and Lessee. In addition, Escrow Agent may be removed at any time, with or without cause, by an instrument in writing executed by Lessor and Lessee. In the event of any resignation or removal of Escrow Agent, a successor Escrow Agent shall be appointed by an instrument in writing executed by Lessor and Lessee. Such successor Escrow Agent shall indicate its acceptance of such appointment by an instrument in writing delivered to Lessor, Lessee and the predecessor Escrow Agent. Thereupon such successor Escrow Agent shall, without any further act or deed, be fully vested with all the trusts, powers, rights, duties and obligations of Escrow Agent under this Escrow Agreement and the predecessor Escrow Agent shall deliver all moneys and securities held by it under this Escrow Agreement to such successor Escrow Agent.

10. Escrow Agent incurs no liability to make any disbursements pursuant to the Escrow Agreement except from funds held in the Acquisition Fund. Escrow Agent makes no representations or warranties as to the title to any Equipment listed in the Agreement or as to the performance of any obligations of Lessor or Lessee. Escrow Agent may consult legal counsel in the event of any dispute or question as to the construction of any provisions hereof or its duties hereunder, and it shall incur no liability and shall be fully protected in acting in accordance with the opinion or instructions of such counsel. Lessee agrees to indemnify Escrow Agent for, and to hold it harmless against, any loss, liability or expense incurred in connection herewith without gross negligence or willful misconduct on the part of Escrow Agent, including without limitation legal or other fees arising out of or in connection with its entering into this Escrow Agreement and carrying out its duties hereunder, including without limitation the costs and expenses of defending itself against any claim of liability in the premises or any action for interpleader. Escrow Agent shall be under no obligation to institute or defend any action, suit, or legal proceeding in connection herewith, unless first indemnified and held harmless to its satisfaction in accordance with the foregoing, except that Escrow Agent shall not be indemnified against any loss, liability or expense arising out of its own gross negligence or willful misconduct. Such indemnity shall survive the termination or discharge of this Escrow Agreement or resignation of Escrow Agent.

11. This Escrow Agreement shall be governed by and construed in accordance with the laws of the State in which Escrow Agent is located.

12. In the event any provision of this Escrow Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof.

13. This Escrow Agreement may not be amended except by a written instrument executed by Lessor, Lessee and Escrow Agent.

14. This Escrow Agreement may be executed in several counterparts, each of which so executed shall be an original. Copies, telecopies, facsimiles, electronic files and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action or suit in the appropriate court of law.

15. Escrow Agent shall be entitled to fees and expenses for its regular services as Escrow Agent as agreed to in writing with the [Lessor/Lessee]. Escrow Agent is entitled to fees for extraordinary services and reimbursement of any out-of-pocket and extraordinary costs and expenses, including, but not limited to, attorneys' fees. Escrow Agent shall have a first lien upon the Acquisition Fund for the purpose of paying its fees and expenses. All of Escrow Agent's compensation, costs and expenses shall be paid by [Lessee/Lessor].

16. The parties hereto agree that, for tax reporting purposes, all interest or other income, if any, attributable to the funds held by Escrow Agent pursuant to this Escrow Agreement shall be allocable to Lessee. Lessor and Lessee agree to provide Escrow Agent completed Forms W-9 and other forms and documents that Escrow Agent may reasonably request (collectively, "Tax Reporting Documentation") at the time of execution of this Escrow Agreement and any information reasonably requested by Escrow Agent to comply with the USA Patriot Act of 2001, as amended from time to time. Additionally, the parties shall complete the Incumbency Certificate attached to this Escrow Agreement and provide it to Escrow Agent upon the execution of this Escrow Agreement. Great find Bill! You are good – numbers were running together for me. This is why you and Deidra are in procurement and budget ☺. So, because the credit is accounted for, Dianna can put the amount as: $1,674,627.76
Correct?
Or
Would you like it to be the $1,721,193 to match the award?

The $1.721m is directly from the bid tabulation sheet prepared by the City. It looks like the difference is a credit of $46,566 on page 3 of the attached PDF.

Deidra or Bill,

Hello. Dianna is finishing the cisco capital/DLL document that will also incorporate the SAAS and EUIF. The final piece she needs clarification on to ensure the initial document has the appropriate amount approved is the following.

If you add up the smartnet and the EA, the total is as follows:
EA: $914,943.33 + Smartnet: $759,684.43 (we thought?) = $1,674,627.76

The amount below is $1,721,193.76
The difference is $46,566

Did you add up all lines and the actual correct amount is $1,721,193.76? Please advise asap so Dianna can finalize the documents by EOD and send to you, thank you!

Deidra and Bill,
Working on several options on the backend due to the below update.

Let me ask this please (as the verbiage on the PO was to hold off on the required SAAS) – I know Bill is holding an "emergency ask" and am wondering if he can get the attached into that ask? The attached is an example (needs to be changed a bit) and also JSO JUST did a SAAS with the securonix award so hoping this will be an easier ask because of that....? Just a thought as working through the many options.

Good morning again! While we work through the legal documents and discussions, I wanted to answer your other question(s) in the meantime. At this time, we need to resolve the document discussion or have the signed SaaS along with the PO to process as stated 2/13. That said, my hope is with the below verbiage put onto the PO (and the answer regarding the addendum is acceptable to my legal), that we can move forward with PO processing and will accept the signed SaaS within 90 days (along with the EUIF for Cisco). If at anytime, it is easier to have a call, I am happy to schedule that and thank you!

-verbiage on the PO:
This Purchase Order is issued pursuant to Netsync Quote AAAQ384556-02. City of Jacksonville understands that this quote contains a three (3) year SaaS agreement. City of Jacksonville agrees that it will issue two additional Purchase Orders in consecutive years following this purchase order for the remainder of the services as outlined in the Quote. City of Jacksonville acknowledges that the multiyear agreement cannot be terminated for convenience and may only be terminated annually in advance for reasons of non- appropriations.

-Dollar amount per year(straight PO to Netsync):

Year 1: $1,070,184.88
1. EA - $310,500.45

2. Smartnet - 759,684.43

Year 2:

3. EA - $302,221.44 (plus any items added in the past year – true up)
4. Smartnet – TBD based on new equipment bought, etc

Year 3:

5. EA - $302,221.44 (plus any items added in the past year – true up)
6. Smartnet - TBD based on new equipment bought, etc

OR

-Dollar amount per year using Cisco Capital (DLL) – which COJ has used in the past (please see attached and below):

$573,931.25 annually plus any true ups or new equipment coverage etc.

Year 1: $573,931.25 annually plus any true ups or new equipment coverage etc.

Year 2: $573,931.25 annually plus any true ups or new equipment coverage etc.

Year 3: $573,931.25 annually plus any true ups or new equipment coverage etc.

For City of Jacksonville, they have done payment plans in past using the same financial terms and conditions we will present. It will also entitle the customer to 0% true-forwards per the EA Pay program in the coming years.

This funder (DLL, a.k.a. Cisco Capital) for this Cisco solution also worked on another technology payment plan agreement with the city in 2021. Because of that previous work, an underlying agreement is already in place to meet the city's requests as it related to 1) insurance, 2) release and indemnity language 3) risk of loss and 4) confirmation of the ability to conduct electronic transactions. We're confident we can also leverage this existing agreement for this payment plan.

The funding team worked with their legal and finance team through Lynn Jacobson – Assistant Director, Systems and Technology.

Camille,

Our legal department will review the documents you are requesting to be signed and there will most likely be an additional document that will be added as an addendum but you stated that we could proceed with the issuance of a purchase order. There are terms and conditions associated with our purchase orders. We don't require the signing of a MSA.

Deidra,
Morning!

I am adding legal to this email chain.
Kindly advise on this:

1. *I also need to know if COJ/JSO has any sort of MSA with us or if they will be requiring us to sign any of their standard agreements with this purchase? Some customers require us to sign their purchase agreements. With these agreements there are often terms that will contradict and preclude what we are trying to do with this PO statement. So before I can give my final blessing on delaying a saas agreement, I need confirmation in regards to what all the customer will be having us sign of theirs(if anything).*

Ok, please start putting both through processing. At this time, we DO need the SaaS at time of PO in order to place the order. **Pricing discounted and protection, as well as coverage needed, shows we would need the PO by 2/23 in order to process in time.**

Hello Deidra and thank you for reaching out.

1. The EUIF – I will let Adam respond on this piece.
2. The SaaS document – yes is the standard answer. I can seek approval but due to the nature, it is typically needed to place the order. That said, we just had a SaaS go through legal for the Securonix project and we countersigned your legal send back a couple of weeks ago. This document is VERY similar with the Only differences being basically part numbers and pricing. Would that make a difference? I would think it would

be an already approved document with just a different technology list. They review each one individually.

3. I will get back to you on the exact amount for year 1. I can list the amounts for 2023, 2024, 2025 for the PO since this is a 3 year award with annual billing (unless you want to pay up front ☺). The amount for each year would be great. It will be processed annually because that's how the funds are allocated.
4. Side note:
    1. As an option also, I have a proposal from Cisco Capital if the City/JSO would like to entertain doing the purchase that way. Not sure the level of interest from the City/JSO in doing that, but I am happy to pass along the document and have a brief discussion if this is the any interest at all. I was advised the City has done it before so wanted to offer. No we will be processing annual purchase order releases.

Thank you!
