ADDITIONAL SPECIAL CONTRACT CONDITIONS

The following terms supersede or add to the Special Contract Conditions as indicated below.

Subsection 2.3.2 of the Special Contract Conditions is replaced in its entirety by the following:

2.3.2 Termination for Convenience.

The Contract may be terminated by the Department in whole or in part at any time, in the best interest of the State of Florida. If the Contract is terminated before performance is completed, the Contractor will be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of the Contract price as the amount of work satisfactorily performed. All completed work at the time of termination will become the property of the Customer and will be turned over promptly by the Contractor.

Subsection 3.2(b) of the Special Contract Conditions is deleted in its entirety.

Subsection 6.3 of the Special Contract Conditions is replaced in its entirety by the following:

6.3 Independent Contractor.

The Contractor and its employees, agents, representatives, and subcontractors are independent contractors and not employees or agents of the Department and are not entitled to State of Florida benefits. The Department will not be bound by any acts or conduct of the Contractor or its employees, agents, representatives, or subcontractors. The Contractor agrees to include the terms of this provision in all of its subcontracts under the Contract.

Subsection 6.4 of the Special Contract Conditions is replaced in its entirety by the following:

6.4 Risk of Loss.

Matters of inspection and acceptance are addressed in section 215.422, F.S. Until acceptance (to occur within ten (10) working days of delivery), risk of loss or damage will remain with the Contractor. The Contractor will be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer will: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer rejects a commodity, Contractor will remove the commodity from the premises within twenty (20) calendar days after notification of rejection, and the risk of loss will remain with the Contractor.

Commodities not removed by the Contractor within twenty (20) calendar days will be deemed abandoned by the Contractor and the Customer will have the right to dispose of such commodities. Contractor will reimburse the Customer for costs and expenses incurred in storing or effecting removal or disposition of rejected commodities.

Subsection 7.2 of the Special Contract Conditions is replaced in its entirety by the following:

7.2 General Liability Insurance.

The Contractor must secure and maintain Commercial General Liability Insurance or self-insure, to cover liability for bodily injury, property damage, products, personal & advertising injury, and completed operations. This insurance must provide coverage for all claims that may arise from the services and/or operations completed under the Contract, whether such services or operations are by the Contractor or anyone directly or indirectly employed by them. Such insurance must include the State of Florida as an additional insured for the entire length of the resulting contract. The Contractor is responsible for determining the minimum limits of liability necessary to provide reasonable financial protections to the Contractor and the State of Florida under the resulting contract.

All insurance policies must be with insurers licensed or eligible to transact business in the State of Florida, unless self-insured. The minimum acceptable limits as described in the NASPO ValuePoint Master Agreement, section 21, shall apply to coverage that is self-insured. The Contractor must submit via email, to the Department's contract manager, insurance certificates evidencing such insurance coverage or self-insurance, prior to execution of a contract with the Department and provide Department notice of any cancellation or nonrenewal at least five (5) calendar days prior to cancellation or nonrenewal.

8.4 Intellectual Property.

Unless specifically addressed in the Contract, intellectual property rights to all property created or otherwise developed by the Contractor for the Department or the Customer will be owned by the State of Florida at the completion of the Contract.

Inventions or discoveries developed directly and solely for providing services under the Contract which are patentable pursuant to 35 U.S.C. § 101 are the sole property of the State of Florida. Contractor must inform the Customer of any inventions or discoveries developed or made in connection with the Contract and will be referred to the Florida Department of State for a determination on whether patent protection will be sought for the invention or discovery.

Contractor must notify the Department or State of Florida of any publications, artwork, or other copyrightable works developed in connection with the Contract. All copyrights created or developed in connection with the Contract are the sole property of the State of Florida.

Subsection 11.3 of the Special Contract Conditions is replaced in its entirety by the following:

11.3 Liquidated Damages.

The Contractor will promptly notify the Department or the Customer upon becoming aware of any non-Force Majeure circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any commodity or contractual service. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance and will inform the Department or the Customer of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department or the Customer has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department's delay.

The Contractor acknowledges that untimely performance or other material noncompliance will damage the Department, but by their nature such damages are difficult to ascertain. Accordingly, the liquidated damages provisions stated in the Contract documents will apply. Liquidated damages are not intended to be a penalty and are solely intended to compensate for damages.

SECTION 1. DEFINITION.

The following definition applies in addition to the definitions in Chapter 287, Florida Statutes, (F.S.) and rule Chapter 60A-1, Florida Administrative Code (F.A.C.):

1.1 Customer.
The agency or eligible user that purchases commodities or contractual services pursuant to the Contract.

SECTION 2. CONTRACT TERM AND TERMINATION.

2.1 Initial Term.
The initial term will begin on the date set forth in the Contract documents or on the date the Contract is signed by all Parties, whichever is later.

2.2 Renewal.
Upon written agreement, the Department and the Contractor may renew the Contract in whole or in part only as set forth in the Contract documents, and in accordance with section 287.057(13), F.S.

2.3 Suspension of Work and Termination.

2.3.1 Suspension of Work.
The Department may, at its sole discretion, suspend any or all activities under the Contract, at any time, when it is in the best interest of the State of Florida to do so. The Customer may suspend a resulting contract or purchase order, at any time, when in the best interest of the Customer to do so. The Department or Customer will provide the Contractor written notice outlining the particulars of suspension. Examples of a reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Contractor must comply with the notice and will cease the activities associated with any active or new purchase orders. Within ninety (90) calendar days, or any longer period agreed to by the Contractor, the Department or Customer will either (1) issue a notice authorizing resumption of work, at which time activity will resume, or (2) terminate the Contract or purchase order. Suspension of work will not entitle the Contractor to any additional compensation.

2.3.2 Termination for Convenience.
The Contract may be terminated by the Department in whole or in part at any time, in the best interest of the State of Florida. If the Contract is terminated before performance is completed, the Contractor will be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of the Contract price as the amount of work satisfactorily performed. All work in progress will become the property of the Customer and will be turned over promptly by the Contractor.

2.3.3 Termination for Cause.
If the performance of the Contractor is not in compliance with the Contract requirements or the Contractor has defaulted, the Department may: (a) immediately terminate the Contract; (b) notify the Contractor of the noncompliance or default and require correction

within a specified time, otherwise the Contract will terminate at the end of such time; or (c) take other action deemed appropriate by the Department.

SECTION 3. PAYMENT AND FEES.

3.1 Pricing.
The Contractor will not exceed the pricing set forth in the Contract documents.

3.2 Price Decreases.
The following price decrease terms will apply to the Contract:

(a) Preferred Pricing. Consistent with the goals of section 216.0113, F.S., Contractor acknowledges and recognizes that the Department wants to take advantage of any improvements in pricing over the course of the Contract period. To that end, the pricing indicated in this Contract is a maximum guarantee under the terms of this clause. Contractor's pricing will not exceed the pricing offered under comparable contracts. Comparable contracts are those which are similar in size, scope, and terms. Contractor must annually submit an affidavit from an authorized representative attesting that the Contract is in compliance with this clause.

(b) Sales Promotions. In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, the Contractor may conduct sales promotions involving price reductions for a specified lesser period. The Contractor must submit documentation identifying the proposed (1) starting and ending dates of the promotion, (2) commodities or contractual services involved, and (3) promotional prices compared to then-authorized prices.

3.3 Payment Invoicing.
The Contractor will be paid upon submission of invoices to the Customer after delivery and acceptance of commodities or contractual services is confirmed by the Customer. Invoices must contain detail sufficient for an audit and contain the Contract Number and the Contractor's Federal Employer Identification Number.

3.4 Purchase Order.
A Customer may use purchase orders to buy commodities or contractual services pursuant to the Contract. If applicable, the Contractor must provide commodities or contractual services pursuant to purchase orders. The purchase order period of performance survives the expiration of the Contract. The duration of purchase orders must not exceed the expiration of the Contract by more than twelve (12) months.

3.5 Travel.
Travel expenses are not reimbursable unless specifically authorized by the Customer in writing, and may be reimbursed only in accordance with section 112.061, F.S.

3.6 Annual Appropriation.
Pursuant to section 287.0582, F.S., if the Contract binds the State of Florida or an agency for the purchase of services or tangible personal property for a period in excess of one fiscal year, the State of Florida's performance and obligation to pay under the Contract is contingent upon an annual appropriation by the Legislature.

3.7 Transaction Fees.
The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system pursuant to section 287.057(22), F.S. All payments issued by Customers to registered Vendors for purchases of commodities or contractual services will be assessed Transaction Fees as prescribed by rule 60A-1.031, F.A.C., or as may otherwise be established by law. Vendors must pay the Transaction Fees and agree to automatic deduction of the Transaction Fees when automatic deduction becomes available. Vendors will submit any monthly reports required pursuant to the rule. All such reports and payments will be subject to audit. Failure to comply with the payment of the Transaction Fees or reporting of transactions will constitute grounds for declaring the Vendor in default and subject the Vendor to exclusion from business with the State of Florida.

3.8 Taxes.
Taxes, customs, and tariffs on commodities or contractual services purchased under the Contract will not be assessed against the Customer unless authorized by Florida law.

3.9 Return of Funds.
Contractor will return any overpayments due to unearned funds or funds disallowed pursuant to the terms of the Contract that were disbursed to the Contractor. The Contractor must return any overpayment within forty (40) calendar days after either discovery by the Contractor, its independent auditor, or notification by the Department or Customer of the overpayment.

SECTION 4. CONTRACT MANAGEMENT.

4.1 Composition and Priority.
The Contractor agrees to provide commodities or contractual services to the Customer as specified in the Contract. Additionally, the terms of the Contract supersede the terms of any and all prior agreements between the Parties.

4.2 Notices.
All notices required under the Contract must be delivered to the designated Contract Manager by certified mail, return receipt requested; reputable air courier service; email; personal delivery; or as otherwise identified by the Department.

4.3 Department's Contract Manager.

4.5 Diversity Reporting.
The State of Florida supports its diverse business community by creating opportunities for woman-, veteran-, and minority-owned small business enterprises to participate in procurements and contracts. The Department encourages supplier diversity through certification of woman-, veteran-, and minority-owned small business enterprises, and provides advocacy, outreach, and networking through regional business events. For additional information, please contact the Office of Supplier Diversity (OSD) at osdinfo@dms.myflorida.com.

Upon request, the Contractor will report to the Department its spend with business enterprises certified by the OSD. These reports must include the time period covered, the name and Federal Employer Identification Number of each business enterprise utilized during the period, commodities and contractual services provided by the business enterprise, and the amount paid to the business enterprise on behalf of each Department purchasing under the Contract.

SECTION 5. COMPLIANCE WITH LAWS.

5.1 Conduct of Business.
The Contractor must comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and authority. For example, the Contractor must comply with section 274A of the Immigration and Nationality Act, the Americans with Disabilities Act, Health Insurance Portability and Accountability Act, if applicable, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status.

Pursuant to subsection 287.058(1), F.S., the provisions of subparagraphs 287.058(1)(a)-(c), and (g), F.S., are hereby incorporated by reference, to the extent applicable.

5.2 Dispute Resolution, Governing Law, and Venue.
Any dispute concerning performance of the Contract shall be decided by the Department's designated Contract Manager, who will reduce the decision to writing and serve a copy on the Contractor. The decision of the Contract Manager shall be final and conclusive. Exhaustion of this administrative remedy is an absolute condition precedent to the Contractor's ability to pursue legal action related to the Contract or any other form of dispute resolution. The laws of the State of Florida govern the Contract. The Parties submit to the jurisdiction of the courts of the State of Florida exclusively for any legal action related to the Contract. Further, the Contractor hereby waives any and all privileges and rights relating to venue it may have under Chapter 47, F.S., and any and all such venue privileges and rights it may have under any other statute, rule, or case law, including, but not limited to those based on convenience. The Contractor hereby submits to venue in the county chosen by the Department.

5.3 Department of State Registration.
Consistent with Chapters 605 through 623, F.S., the Contractor and any subcontractors that assert status, other than a sole proprietor, must provide the Department with conclusive evidence of a certificate of status, not subject to qualification, if a Florida business entity, or of a certificate of authorization if a foreign business entity.

5.4 Suspended, Convicted and Discriminatory Vendor Lists.
In accordance with sections 287.042, 287.133, and 287.134, F.S., an entity or affiliate who is on the Suspended Vendor List, Convicted Vendor List or the Discriminatory Vendor List may not perform work as a contractor, supplier, subcontractor, or consultant under the Contract. The Contractor must notify the Department if it or any of its suppliers, subcontractors or consultants have been placed on the Suspended Vendor List, Convicted Vendor List or the Discriminatory Vendor List during the term of the Contract.

5.5 Contractor Certification.
If the Contract exceeds $1,000,000.00 in total, not including renewal years, Contractor certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies that Boycott Israel List created pursuant to sections 215.4725, F.S., and 215.473, F.S., respectively. Pursuant to section 287.135(3), F.S., and 287.135(5), F.S., Contractor agrees the Department may immediately terminate the Contract for cause if the Contractor is found to have submitted a false certification or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel during the term of the Contract.

5.6 Cooperation with Inspector General and Records Retention.
Pursuant to subsection 20.055(5), F.S., Contractor, and any subcontractor to the Contractor, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Contractor must provide any information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but will not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor will retain such records for five years after the expiration of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State, at the Department of State's Records Management website, whichever is longer. The Contractor agrees to reimburse the State of Florida for the reasonable costs of investigation incurred by the Inspector General or other authorized State of Florida official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State of Florida which results in the suspension or debarment of the Contractor. Such costs will include, but will not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

5.7 Inspection.
Section 215.422, F.S., provides that agencies have five (5) working days, unless the contract specifies otherwise, to inspect and approve commodities or contractual

services. Items may be tested for compliance with specifications. Items delivered not conforming to specifications may be rejected and returned at the Contractor's expense. Interest penalties for late payment are also limited according to section 215.422, F.S.

SECTION 6. MISCELLANEOUS.

6.1 Subcontractors.
The Contractor will not subcontract any work under the Contract without prior written consent of the Department. The Contractor is fully responsible for satisfactory completion of all its subcontracted work. The Department supports diversity in its procurements and contracts, and requests that Contractor offer subcontracting opportunities to certified woman-, veteran-, and minority-owned small businesses. The Contractor may contact the OSD at osdhelp@dms.myflorida.com for information on certified small business enterprises available for subcontracting opportunities.

6.2 Assignment.
The Contractor will not sell, assign, or transfer any of its rights, duties, or obligations under the Contract without the prior written consent of the Department. However, the Contractor may waive its right to receive payment and assign same upon notice to the Department. In the event of any assignment, the Contractor remains responsible for performance of the Contract, unless such responsibility is expressly waived by the Department. The Department may assign the Contract with prior written notice to the Contractor.

6.3 Independent Contractor.
The Contractor and its employees, agents, representatives, and subcontractors are independent contractors and not employees or agents of the Department and are not entitled to State of Florida benefits. The Department will not be bound by any acts or conduct of the Contractor or its employees, agents, representatives, or subcontractors. The Contractor agrees to include this provision in all of its subcontracts under the Contract.

6.4 Risk of Loss.
Matters of inspection and acceptance are addressed in section 215.422, F.S. Until acceptance, risk of loss or damage will remain with the Contractor. The Contractor will be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer will: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer rejects a commodity, Contractor will remove the commodity from the premises within ten (10) calendar days after notification of rejection, and the risk of loss will remain with the Contractor.

Commodities not removed by the Contractor within ten (10) calendar days will be deemed abandoned by the Contractor and the Customer will have the right to dispose of such commodities. Contractor will reimburse the Customer for costs and expenses incurred in storing or effecting removal or disposition of rejected commodities.

6.5 Safety Standards.
Performance of the Contract for all commodities or contractual services must comply with requirements of the Occupational Safety and Health Act and other applicable State of Florida and federal requirements.

6.6 Ombudsman.
A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this office are found in section 215.422, F.S., which include disseminating information relative to prompt payment and assisting contractors in receiving their payments in a timely manner from a Customer. The Vendor Ombudsman may be contacted at (850) 413-5516.

6.7 Time is of the Essence.
Time is of the essence regarding each and every obligation of the Contractor under the Contract. Each obligation is deemed material, and a breach of any such obligation (including a breach resulting from untimely performance) is a material breach.

6.8 Waiver.
The delay or failure by the Department or the Customer to exercise or enforce any rights under the Contract will not constitute waiver of such rights.

6.9 Modification and Severability.
The Contract may only be modified by written agreement between the Department and the Contractor. Should a court determine any provision of the Contract is invalid, the remaining provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Contract did not contain the provision held invalid.

6.10 Cooperative Purchasing.
Agencies wishing to make purchases under this Contract are required to follow the requirements of section 287.042(16) or 287.057(3) (b), F.S., and rule 60A-1.045, F.A.C. These provisions require the Department to determine that the requesting agency's use of the Contract is cost-effective and in the best interest of the State.

Pursuant to their own governing laws, and subject to the agreement of the Contractor, government entities may make purchases under the terms and conditions contained herein, if agreed to by Contractor. Non-Customer purchases are independent of the Contract between the Department and the Contractor. The Department is not a party to any transaction between the Contractor and any purchaser.

SECTION 7. WORKERS' COMPENSATION AND GENERAL LIABILITY INSURANCE, AND INDEMNIFICATION

7.1 Workers' Compensation Insurance.
To the extent required by law, the Contractor must be self-insured against, or must secure and maintain during the life of the contract, Worker's Compensation Insurance for all its employees connected with the work of this project, and in case any work is subcontracted, the Contractor must require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees unless such employees engaged in work under the resulting contract are covered by the Contractor's

insurance program. Self-insurance or insurance coverage must comply with the Florida Worker's Compensation law. In the event hazardous work is being performed by the Contractor under the resulting contract and any class of employees performing the hazardous work is not protected under Worker's Compensation statutes, the Contractor must provide, and cause each subcontractor to provide adequate insurance satisfactory to the Department for the protection of employees not otherwise protected.

7.2 General Liability Insurance.
The Contractor must secure and maintain Commercial General Liability Insurance, including bodily injury, property damage, products, personal & advertising injury, and completed operations. This insurance must provide coverage for all claims that may arise from the services and/or operations completed under the Contract, whether such services or operations are by the Contractor or anyone directly or indirectly employed by them. Such insurance must include the State of Florida as an additional named insured for the entire length of the resulting contract. The Contractor is responsible for determining the minimum limits of liability necessary to provide reasonable financial protections to the Contractor and the State of Florida under the resulting contract.

All insurance policies must be with insurers licensed or eligible to transact business in the State of Florida. The Contractor must submit via email, to the Department's contract manager, insurance certificates evidencing such insurance coverage prior to execution of a contract with the Department and provide Department notice of any cancellation or nonrenewal at least ten (10) calendar days prior to cancellation or nonrenewal.

7.3 Indemnification.
To the extent permitted by Florida law, the Contractor agrees to indemnify, defend, and hold the Department, the Customer, and the State of Florida, its officers, employees, and agents harmless from all fines, claims, assessments, suits, judgments, or damages, including consequential, special, indirect, and punitive damages, including court costs and attorney's fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret, or intellectual property right or out of any acts, actions, breaches, neglect, or omissions of the Contractor, its employees, agents, subcontractors, assignees, or delegates related to the Contract, as well as for any determination arising out of or related to the Contract that the Contractor or Contractor's employees, agents, subcontractors, assignees, or delegates are not independent contractors in relation to the Department. The Contract does not constitute a waiver of sovereign immunity or consent by the Department or the State of Florida or its subdivisions to suit by third parties. Without limiting this indemnification, the Department or Customer may provide the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense.

SECTION 8. PUBLIC RECORDS, TRADE SECRETS, DOCUMENT MANAGEMENT AND INTELLECTUAL PROPERTY.

8.1 Public Records.
The Department may unilaterally cancel this Contract for refusal by the Contractor to comply with this section by not allowing access to all public records, as defined in

Chapter 119, Florida Statutes, made or received by the Contractor in conjunction with the Contract.

Pursuant to section 119.0701(2) (a), F.S., for contracts for services with a contractor acting on behalf of a public agency, as defined in section 119.011(2), F.S., the following applies:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT THE TELEPHONE NUMBER, EMAIL ADDRESS AND MAILING ADDRESS PROVIDED IN THE RESULTING CONTRACT OR PURCHASE ORDER.

Pursuant to section 119.0701(2)(b), F.S., for contracts for services with a contractor acting on behalf of a public agency as defined in section 119.011(2), F.S., the Contractor shall:

(a) Keep and maintain public records required by the public agency to perform the service.

(b) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law for the duration of the contract term and following the completion of the Contract if the contractor does not transfer the records to the public agency.

(d) Upon completion of the Contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

8.2 Protection of Trade Secrets or Confidential Information.
If the Contractor considers any portion of materials made or received in the course of performing the Contract ("contract-related materials") to be trade secret under section 688.002 or 812.081, F.S., or otherwise confidential under Florida or federal law, the Contractor must clearly designate that portion of the materials as trade secret or otherwise confidential when submitted to the Department. The Contractor will be responsible for responding to and resolving all claims for access to contract-related materials it has designated trade secret or otherwise confidential.

If the Department is served with a request for discovery of contract-related materials designated by the Contractor as trade secret or otherwise confidential, the Contractor will be responsible for filing the appropriate motion or objection in response to the request for discovery. The Department will provide materials designated trade secret or otherwise confidential if the Contractor fails to take appropriate and timely action to protect the materials designated as trade secret or otherwise confidential.

The Contractor will protect, defend, indemnify, and hold harmless the Department for claims, costs, fines, and attorney's fees arising from or relating to its designation of contract-related materials as trade secret or otherwise confidential.

8.3 Document Management.
The Contractor must retain sufficient documentation to substantiate claims for payment under the Contract and all other records, electronic files, papers and documents that were made in relation to this Contract. Contractor must retain all documents related to the Contract for five (5) years after expiration of the Contract, or, if longer, the period required by the General Records Schedules maintained by the Florida Department of State available at the Department of State's Records Management website.

8.4 Intellectual Property.
Unless specifically addressed in the Contract, intellectual property rights to all property created or otherwise developed by the Contractor for the Department or the Customer will be owned by the State of Florida at the completion of the Contract.

Any inventions or discoveries developed in the course of or as a result of services performed under the Contract which are patentable pursuant to 35 U.S.C. § 101 are the sole property of the State of Florida. Contractor must inform the Customer of any inventions or discoveries developed or made in connection with the Contract and will be referred to the Florida Department of State for a determination on whether patent protection will be sought for the invention or discovery. The State of Florida will be the sole owner of any and all patents resulting from any invention or discovery made in connection with this contract.

Contractor must notify the Department or State of Florida of any publications, artwork, or other copyrightable works developed in connection with the Contract. All copyrights created or developed in connection with the Contract are the sole property of the State of Florida.

SECTION 9. DATA SECURITY AND SERVICES.

9.1 Duty to Provide Secure Data.
The Contractor will maintain the security of State of Florida data including, but not limited to, a secure area around any displayed visible data. The Contractor will also comply with all HIPAA requirements and any other state and federal rules and regulations regarding security of information.

9.2 Warranty of Security.
Unless otherwise agreed in writing, the Contractor and its subcontractors will not perform any of the services from outside of the United States, and the Contractor will not allow

any State of Florida data to be sent by any medium, transmitted, or accessed outside of the United States.

The Contractor agrees that a violation of items listed above will result in immediate and irreparable harm to the Customer and will entitle the Customer to a credit as provided in the Contract documents. This credit is intended only to cover the Customer's internal staffing and administrative costs as well as the diminished value of services provided under the Contract and will not preclude the Customer from recovering other damages it may suffer as a result of such violation. For purposes of determining the damages due hereunder, a group of violations relating to a common set of operative facts (e.g., same location, same time period, same off-shore entity) will be treated as a single event. A violation of this provision will also entitle the Customer to recover any damages arising from a breach of this section and constitutes an event of default.

The Contractor must notify the Department and the Customer as soon as possible, in accordance with the requirements of section 501.171, F.S., if applicable, and in all events within one (1) business day in the event Contractor discovers any data is breached, any unauthorized access of data occurs (even by persons or companies with authorized access for other purposes), any unauthorized transmission of data occurs, or of any credible allegation or suspicion of a material violation of the above. This notification is required regardless of the number of persons or type of data affected. The notification must be clear and conspicuous and include a description of the following:

(a) The incident in general terms.

(b) The type of information that was subject to the unauthorized access and acquisition.

(c) The type and number of entities who were, or potentially have been affected by the breach.

(d) The actions taken by the Contractor to protect the data from further unauthorized access. However, the description of those actions in the written notice may be general so as not to further increase the risk or severity of the breach.

9.3 Remedial Measures.
Upon becoming aware of an alleged security breach, Contractor's Contract Manager must set up a conference call with the Department's and the Customer's Contract Manager. The conference call invitation must contain a brief description of the nature of the event. When possible, a thirty (30)-minute notice will be given to allow Department personnel to be available for the call. If the designated time is not practical for the Customer, an alternate time for the call will be scheduled. Contractor must share all available information on the call. The Contractor must answer all questions based on the information known at that time and answer additional questions as additional information becomes known. The Contractor must provide the Department and the Customer with final documentation of the incident including all actions that took place. If the Contractor becomes aware of a security breach or security incident outside of normal business hours, the Contractor must notify the Department's and the Customer's Contract Manager and in all events, within one business day.

9.4 Indemnification (Breach of Warranty of Security).
The Contractor agrees to defend, indemnify, and hold harmless the Department, the Customer, and the State of Florida, its officers, directors, and employees for any claims, suits, or proceedings related to a breach of the Warranty of Security. The Contractor will include credit monitoring services at its own cost for those individuals affected or potentially affected by a breach of this warranty for a two-year period of time following the breach.

9.5 Annual Certification.
The Contractor is required to submit an annual certification demonstrating compliance with the Warranty of Security to the Department by December 31 of each Contract year.

SECTION 10. GRATUITIES, LOBBYING, AND COMMUNICATIONS.

10.1 Gratuities.
The Contractor will not, in connection with this Contract, directly or indirectly (1) offer, give, or agree to give anything of value to anyone as consideration for any State of Florida officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone anything of value for the benefit of, or at the direction or request of, any State of Florida officer or employee.

10.2 Lobbying.
In accordance with sections 11.062 and 216.347, F.S., Contract funds are not for the purpose of lobbying the Legislature, the judicial branch, or the Department. Pursuant to subsection 287.058(6), F.S., the Contract does not prohibit the Contractor from lobbying the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding the Contract, after the Contract execution and during the Contract's term.

10.3 Communications.
Contractor shall not, without first notifying the Department's Contract Manager and securing the Department's prior written consent, make public statements which concern the Contract or its subject matter, disclose or permit disclosure of any data or information obtained or furnished in accordance with the Contract, or use any statement attributable to the Department or its employees. Public statements include press releases, publicity releases, promotions, marketing materials, corporate communications, or other similar communications. The Department's written consent shall not be construed to supersede or waive the Contract requirements imposed on the Contractor to maintain confidential information.

SECTION 11. CONTRACT MONITORING.

11.1 Performance Standards.
The Contractor agrees to perform all tasks and provide deliverables as set forth in the Contract. The Department and the Customer will be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof.

11.2 Performance Deficiencies and Financial Consequences of Non-Performance.
In addition to the processes set forth in the Contract (e.g., service level agreements), if the Department determines that there is a performance deficiency that requires correction by the Contractor, then the Department will notify the Contractor. The correction must be made within a time-frame specified by the Department. The Contractor must provide the Department with a corrective action plan describing how the Contractor will address all performance deficiencies identified by the Department.

If the corrective action plan is unacceptable to the Department, or implementation of the plan fails to remedy the performance deficiencies, the Department will retain ten percent (10%) of the total invoice amount. The retainage will be withheld until the Contractor resolves the performance deficiencies. If the performance deficiencies are resolved, the Contractor may invoice the Department for the retained amount. If the Contractor fails to resolve the performance deficiencies, the retained amount will be forfeited in order to compensate the Department for the performance deficiencies.

11.3 Liquidated Damages.
The Contractor will promptly notify the Department or the Customer upon becoming aware of any circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any commodity or contractual service. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance and will inform the Department or the Customer of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department or the Customer has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department's delay.

The Contractor acknowledges that untimely performance or other material noncompliance will damage the Department, but by their nature such damages are difficult to ascertain. Accordingly, the liquidated damages provisions stated in the Contract documents will apply. Liquidated damages are not intended to be a penalty and are solely intended to compensate for damages.

11.4 Force Majeure, Notice of Delay, and No Damages for Delay.
The Contractor will not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay and the delay is due directly to fire, explosion, earthquake, windstorm, flood, radioactive or toxic chemical hazard, war, military hostilities, terrorism, civil emergency, embargo, riot, strike, violent civil unrest, or other similar cause wholly beyond the Contractor's reasonable control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. The foregoing does not excuse delay which could have been avoided if the Contractor implemented any risk mitigation required by the Contract. In case of any delay the Contractor believes is excusable, the Contractor will notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result. The foregoing will constitute the

Contractor's sole remedy or excuse with respect to delay. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages will be asserted by the Contractor. The Contractor will not be entitled to an increase in the Contract price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor will perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State of Florida or to Customers, in which case the Department may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers with respect to commodities or contractual services subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the commodity or contractual services that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

SECTION 12. CONTRACT AUDITS.

12.1 Performance or Compliance Audits.
The Department may conduct or have conducted performance and/or compliance audits of the Contractor and subcontractors as determined by the Department. The Department may conduct an audit and review all the Contractor's and subcontractors' data and records that directly relate to the Contract. To the extent necessary to verify the Contractor's fees and claims for payment under the Contract, the Contractor's agreements or contracts with subcontractors, partners or agents of the Contractor, pertaining to this Contract, may be inspected by the Department upon fifteen (15) calendar days' notice, during normal working hours and in accordance with the Contractor's facility access procedures where facility access is required. Release statements from its subcontractors, partners or agents are not required for the Department or its designee to conduct compliance and performance audits on any of the Contractor's contracts relating to this Contract. The State of Florida's Chief Financial Officer and the Office of the Auditor General also have authority to perform audits and inspections.

12.2 Payment Audit.
Records of costs incurred under terms of the Contract will be maintained in accordance with section 8.3 of these Special Contract Conditions. Records of costs incurred will include the Contractor's general accounting records, together with supporting documents and records of the Contractor and all subcontractors performing work, and all other records of the Contractor and subcontractors considered necessary by the Department, State of Florida's Chief Financial Officer or the Office of the Auditor General.

SECTION 13. BACKGROUND SCREENING AND SECURITY.

13.1 Background Check.
The Department may require the Contractor and its employees, agents, representatives, and subcontractors to provide fingerprints and be subject to such background checks as

directed by the Department. The cost of the background checks will be borne by the Contractor. The Department may require the Contractor to exclude the Contractor's employees, agents, representatives or subcontractors based on the background check results. In addition, the Contractor must ensure that all persons have a responsibility to self-report to the Contractor within three (3) calendar days any arrest for any disqualifying offense. The Contractor must notify the Contract Manager within twenty-four (24) hours of all details concerning any reported arrest. The Contractor will ensure that all background screening will be refreshed upon the request of the Department for each person during the term of the Contract.

13.2 E-Verify.
In accordance with Executive Order 11-116, the Contractor agrees to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of the Contract for the services specified in the Contract. The Contractor must also include a requirement in subcontracts that the subcontractor must utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term. In order to implement this provision, the Contractor must provide a copy of its DHS Memorandum of Understanding (MOU) to the Contract Manager within five (5) calendar days of Contract execution. If the Contractor is not enrolled in DHS E-Verify System, it will do so within five (5) calendar days of notice of Contract award, and provide the Contract Manager a copy of its MOU within five (5) calendar days of Contract execution. The link to E-Verify is https://www.uscis.gov/e-verify. Upon each Contractor or subcontractor new hire, the Contractor must provide a statement within five (5) calendar days to the Contract Manager identifying the new hire with its E-Verify case number.

13.3 Disqualifying Offenses.
If at any time it is determined that a person has been found guilty of a misdemeanor or felony offense as a result of a trial or has entered a plea of guilty or nolo contendere, regardless of whether adjudication was withheld, within the last six (6) years from the date of the court's determination for the crimes listed below, or their equivalent in any jurisdiction, the Contractor is required to immediately remove that person from any position with access to State of Florida data or directly performing services under the Contract. The disqualifying offenses are as follows:

(a) Computer related crimes

(b) Information technology crimes;

(c) Fraudulent practices;

(d) False pretenses;

(e) Frauds;

(f) Credit card crimes;

(g) Forgery;

(h) Counterfeiting;

(i) Violations involving checks or drafts;

(j) Misuse of medical or personnel records; and

(k) Felony theft.

13.4 Confidentiality.
The Contractor must maintain confidentiality of all confidential data, files, and records related to the services and/or commodities provided pursuant to the Contract and must comply with all state and federal laws, including, but not limited to sections 381.004, 384.29, 392.65, and 456.057, F.S. The Contractor's confidentiality procedures must be consistent with the most recent version of the Department security policies, protocols, and procedures. The Contractor must also comply with any applicable professional standards with respect to confidentiality of information.

SECTION 14. INFORMATION TECHNOLOGY.

The following applies to all contracts for information technology commodities and contractual services. "Information technology" is defined in section 287.012(15), F.S., to have the same meaning as provided in section 282.0041, F.S.

14.1 Limitation of Liability.
For all claims against the Contractor under any contract or purchase order, and regardless of the basis on which the claim is made, the Contractor's liability under a contract or purchase order for direct damages shall be limited to the greater of $250,000, the dollar amount of the contract or purchase order, or two times the charges rendered by the Contractor under the purchase order. This limitation shall not apply to claims arising under the Indemnity paragraph contained in this agreement.

Unless otherwise specifically enumerated in the Contract or in the purchase order, no party shall be liable to another for special, indirect, punitive, or consequential damages, including lost data or records (unless the contract or purchase order requires the Contractor to backup data or records), even if the party has been advised that such damages are possible. No party shall be liable for lost profits, lost revenue, or lost institutional operating savings. The State and Department may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due to the Contractor as may be necessary to satisfy any claim for damages, penalties, costs, and the like asserted by or against them. The State may set off any liability or other obligation of the Contractor or its affiliates to the State against any payments due to the Contractor under any contract with the State.

14.2 Information Technology Standards.
Pursuant to sections 282.0051 and 282.318, F.S., the Agency for State Technology (AST) is to establish standards for the implementation and management of information technology resources. Vendors agree to cooperate with the agency in furtherance of its efforts to comply with AST standards, established in Title 74, F.A.C., as applicable.

ADDITIONAL SPECIAL CONTRACT CONDITIONS

The following terms supersede or add to the Special Contract Conditions as indicated below.

Subsection 2.3.2 of the Special Contract Conditions is replaced in its entirety by the following:

2.3.2 Termination for Convenience.

The Contract may be terminated by the Department in whole or in part at any time, in the best interest of the State of Florida. If the Contract is terminated before performance is completed, the Contractor will be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of the Contract price as the amount of work satisfactorily performed. All completed work at the time of termination will become the property of the Customer and will be turned over promptly by the Contractor.

Section 3.2 of the Special Contract Conditions is deleted in its entirety.

Subsection 6.1 of the Special Contract Conditions is replaced in its entirety by the following:

6.1 Subcontractors.
The Contractor will not subcontract any work under the Contract without prior written consent of the Department. The Contractor is fully responsible for satisfactory completion of all its subcontracted work. The Department supports diversity in its procurements and contracts, and requests that Contractor offer subcontracting opportunities to certified woman-, veteran-, and minority-owned small businesses. The Contractor may contact the OSD at osdhelp@dms.myflorida.com for information on certified small business enterprises available for subcontracting opportunities. The Contractor's use of Independent Dealers (as defined in the Master Agreement) will not be deemed a violation of this Section.

Subsection 6.2 of the Special Contract Conditions is replaced in its entirety by the following:

6.2 Assignment.
The Contractor will not sell, assign, or transfer any of its rights, duties, or obligations under the Contract without the prior written consent of the Department. However, the Contractor may waive its right to receive payment and assign same upon notice to the Department. In the event of any assignment, the Contractor remains responsible for performance of the Contract, unless such responsibility is expressly waived by the Department. The Department may assign the Contract with prior written notice to the Contractor. The Contractor's use of Independent Dealers (as defined in the Master Agreement) will not be deemed a violation of this Section.

Subsection 6.3 of the Special Contract Conditions is replaced in its entirety by the following:

6.3 Independent Contractor.

The Contractor and its employees, agents, representatives, and subcontractors are independent contractors and not employees or agents of the Department and are not entitled to State of Florida benefits. The Department will not be bound by any acts or conduct of the Contractor or its employees, agents, representatives, or subcontractors. The Contractor agrees to include the terms of this provision in all its subcontracts under the Contract.

Subsection 6.4 of the Special Contract Conditions is replaced in its entirety by the following:

6.4 Risk of Loss.

Matters of inspection and acceptance are addressed in section 215.422, F.S. Until acceptance (to occur within ten (10) working days of delivery), risk of loss or damage will remain with the Contractor. The Contractor will be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer will: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer rejects a commodity, Contractor will remove the commodity from the premises within twenty (20) calendar days after notification of rejection, and the risk of loss will remain with the Contractor.

Commodities not removed by the Contractor within twenty (20) calendar days will be deemed abandoned by the Contractor and the Customer will have the right to dispose of such commodities. Contractor will reimburse the Customer for costs and expenses incurred in storing or effecting removal or disposition of rejected commodities.

Subsection 7.2 of the Special Contract Conditions is replaced in its entirety by the following:

7.2 General Liability Insurance.

The Contractor must secure and maintain Commercial General Liability Insurance, including bodily injury, property damage, products, personal & advertising injury, and completed operations. This insurance must provide coverage for all claims that may arise from the services and/or operations completed under the Contract, whether such services or operations are by the Contractor or anyone directly or indirectly employed by them. Such insurance must include the State of Florida as an additional named insured for the entire length of the resulting contract. The Contractor is responsible for determining the minimum limits of liability necessary to provide reasonable financial protections to the Contractor and the State of Florida under the resulting contract.

All insurance policies must be with insurers licensed or eligible to transact business in the State of Florida. The Contractor must submit via email, to the Department's contract manager, insurance certificates evidencing such insurance coverage prior to execution of a contract with

the Department and provide Department notice of any cancellation or nonrenewal at least five (5) calendar days prior to cancellation or nonrenewal.

Subsection 7.3 of the Special Contract Conditions is replaced in its entirety by the following:

7.3 Indemnification.

To the extent permitted by Florida law, the Contractor agrees to indemnify, defend, and hold the Department, the Customer, and the State of Florida, its officers, employees, and agents harmless from all fines, claims, assessments, suits, judgments, or damages, including consequential, special, indirect, and punitive damages, including court costs and attorney's fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret, or intellectual property right or out of any acts, actions, breaches, neglect, or omissions of the Contractor, its employees, agents, subcontractors, assignees, or delegates related to the Contract, as well as for any determination arising out of or related to the Contract that the Contractor or Contractor's employees, agents, subcontractors, assignees, or delegates are not independent contractors in relation to the Department. The Contract does not constitute a waiver of sovereign immunity or consent by the Department or the State of Florida or its subdivisions to suit by third parties. Without limiting this indemnification, the Department or Customer may provide the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense.

Contractor is not responsible for the actions or omissions of Independent Dealers, which are not employees, agents, subcontractors, assignees or delegates, of Contractor, as such terms may be used in this agreement. Contractor's obligations under this Section shall not apply to the extent that a loss results from the negligence of the State of Florida or any of its officers, employees, agents, and representatives.

Subsection 8.4 of the Special Contract Conditions is replaced in its entirety by the following:

8.4 Intellectual Property.

Unless specifically addressed in the Contract, intellectual property rights to all property created or otherwise developed by the Contractor for the Department or the Customer will be owned by the State of Florida at the completion of the Contract.

Inventions or discoveries developed directly and solely for providing services under the Contract which are patentable pursuant to 35 U.S.C. § 101 are the sole property of the State of Florida. Contractor must inform the Customer of any inventions or discoveries developed or made in connection with the Contract and will be referred to the Florida Department of State for a determination on whether patent protection will be sought for the invention or discovery.

Contractor must notify the Department or State of Florida of any publications, artwork, or other copyrightable works developed in connection with the Contract. All copyrights created or developed in connection with the Contract are the sole property of the State of Florida.

Subsection 9.4 of the Special Contract Conditions is replaced in its entirety by the following:

9.4 Indemnification (Breach of Warranty of Security).

The Contractor agrees to defend, indemnify, and hold harmless the Department, the Customer, and the State of Florida, its officers, directors, and employees for any claims, suits, or proceedings related to a breach of the Warranty of Security. The Contractor will include credit monitoring services at its own cost for those individuals affected or potentially affected by a breach of this warranty for a two-year period of time following the breach.

Contractor is not responsible for the actions or omissions of Independent Dealers, which are not employees, agents, subcontractors, assignees or delegates, of Contractor, as such terms may be used in this agreement. Contractor's obligations under this Section shall not apply to the extent that a loss results from the negligence of the State of Florida or any of its officers, employees, agents, and representatives.

Subsection 11.3 of the Special Contract Conditions is replaced in its entirety by the following:

11.3 Liquidated Damages.

The Contractor will promptly notify the Department or the Customer upon becoming aware of any non-Force Majeure circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any commodity or contractual service. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance and will inform the Department or the Customer of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department or the Customer has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department's delay.

The Contractor acknowledges that untimely performance or other material noncompliance will damage the Department, but by their nature such damages are difficult to ascertain. Accordingly, the liquidated damages provisions stated in the Contract documents will apply. Liquidated damages are not intended to be a penalty and are solely intended to compensate for damages.

SECTION 2. CONTRACT TERM AND TERMINATION.

2.1 Initial Term.
The initial term will begin on the date set forth in the Contract documents or on the date the Contract is signed by all Parties, whichever is later.

2.2 Renewal.
Upon written agreement, the Department and the Contractor may renew the Contract in whole or in part only as set forth in the Contract documents, and in accordance with section 287.057(13), F.S.

2.3 Suspension of Work and Termination.

2.3.1 Suspension of Work.
The Department may, at its sole discretion, suspend any or all activities under the Contract, at any time, when it is in the best interest of the State of Florida to do so. The Customer may suspend a resulting contract or purchase order, at any time, when in the best interest of the Customer to do so. The Department or Customer will provide the Contractor written notice outlining the particulars of suspension. Examples of a reason for suspension include, but are not limited to, budgetary constraints, declaration of emergency, or other such circumstances. After receiving a suspension notice, the Contractor must comply with the notice and will cease the activities associated with any active or new purchase orders. Within ninety (90) calendar days, or any longer period agreed to by the Contractor, the Department or Customer will either (1) issue a notice authorizing resumption of work, at which time activity will resume, or (2) terminate the Contract or purchase order. Suspension of work will not entitle the Contractor to any additional compensation.

2.3.2 Termination for Convenience.
The Contract may be terminated by the Department in whole or in part at any time, in the best interest of the State of Florida. If the Contract is terminated before performance is completed, the Contractor will be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount which is the same percentage of the Contract price as the amount of work satisfactorily performed. All work in progress will become the property of the Customer and will be turned over promptly by the Contractor.

2.3.3 Termination for Cause.
If the performance of the Contractor is not in compliance with the Contract requirements or the Contractor has defaulted, the Department may: (a) immediately terminate the Contract; (b) notify the Contractor of the noncompliance or default and require correction

within a specified time, otherwise the Contract will terminate at the end of such time; or (c) take other action deemed appropriate by the Department.

SECTION 3. PAYMENT AND FEES.

3.1 Pricing.
The Contractor will not exceed the pricing set forth in the Contract documents.

3.2 Price Decreases.
The following price decrease terms will apply to the Contract:

(a) Preferred Pricing. Consistent with the goals of section 216.0113, F.S., Contractor acknowledges and recognizes that the Department wants to take advantage of any improvements in pricing over the course of the Contract period. To that end, the pricing indicated in this Contract is a maximum guarantee under the terms of this clause. Contractor's pricing will not exceed the pricing offered under comparable contracts. Comparable contracts are those which are similar in size, scope, and terms. Contractor must annually submit an affidavit from an authorized representative attesting that the Contract is in compliance with this clause.

(b) Sales Promotions. In addition to decreasing prices for the balance of the Contract term due to a change in market conditions, the Contractor may conduct sales promotions involving price reductions for a specified lesser period. The Contractor must submit documentation identifying the proposed (1) starting and ending dates of the promotion, (2) commodities or contractual services involved, and (3) promotional prices compared to then-authorized prices.

3.3 Payment Invoicing.
The Contractor will be paid upon submission of invoices to the Customer after delivery and acceptance of commodities or contractual services is confirmed by the Customer. Invoices must contain detail sufficient for an audit and contain the Contract Number and the Contractor's Federal Employer Identification Number.

3.4 Purchase Order.
A Customer may use purchase orders to buy commodities or contractual services pursuant to the Contract. If applicable, the Contractor must provide commodities or contractual services pursuant to purchase orders. The purchase order period of performance survives the expiration of the Contract. The duration of purchase orders must not exceed the expiration of the Contract by more than twelve (12) months.

3.5 Travel.
Travel expenses are not reimbursable unless specifically authorized by the Customer in writing, and may be reimbursed only in accordance with section 112.061, F.S.

3.6 Annual Appropriation.
Pursuant to section 287.0582, F.S., if the Contract binds the State of Florida or an agency for the purchase of services or tangible personal property for a period in excess of one fiscal year, the State of Florida's performance and obligation to pay under the Contract is contingent upon an annual appropriation by the Legislature.

3.7 Transaction Fees.
The State of Florida, through the Department of Management Services, has instituted MyFloridaMarketPlace, a statewide eProcurement system pursuant to section 287.057(22), F.S. All payments issued by Customers to registered Vendors for purchases of commodities or contractual services will be assessed Transaction Fees as prescribed by rule 60A-1.031, F.A.C., or as may otherwise be established by law. Vendors must pay the Transaction Fees and agree to automatic deduction of the Transaction Fees when automatic deduction becomes available. Vendors will submit any monthly reports required pursuant to the rule. All such reports and payments will be subject to audit. Failure to comply with the payment of the Transaction Fees or reporting of transactions will constitute grounds for declaring the Vendor in default and subject the Vendor to exclusion from business with the State of Florida.

3.8 Taxes.
Taxes, customs, and tariffs on commodities or contractual services purchased under the Contract will not be assessed against the Customer unless authorized by Florida law.

3.9 Return of Funds.
Contractor will return any overpayments due to unearned funds or funds disallowed pursuant to the terms of the Contract that were disbursed to the Contractor. The Contractor must return any overpayment within forty (40) calendar days after either discovery by the Contractor, its independent auditor, or notification by the Department or Customer of the overpayment.

SECTION 4. CONTRACT MANAGEMENT.

4.1 Composition and Priority.
The Contractor agrees to provide commodities or contractual services to the Customer as specified in the Contract. Additionally, the terms of the Contract supersede the terms of any and all prior agreements between the Parties.

4.2 Notices.
All notices required under the Contract must be delivered to the designated Contract Manager by certified mail, return receipt requested; reputable air courier service; email; personal delivery; or as otherwise identified by the Department.

The Department encourages supplier diversity through certification of woman-, veteran-, and minority-owned small business enterprises, and provides advocacy, outreach, and networking through regional business events. SECTION 5. COMPLIANCE WITH LAWS.

5.1 Conduct of Business.
The Contractor must comply with all laws, rules, codes, ordinances, and licensing requirements that are applicable to the conduct of its business, including those of federal, state, and local agencies having jurisdiction and authority. For example, the Contractor must comply with section 274A of the Immigration and Nationality Act, the Americans with Disabilities Act, Health Insurance Portability and Accountability Act, if applicable, and all prohibitions against discrimination on the basis of race, religion, sex, creed, national origin, handicap, marital status, or veteran's status.

Pursuant to subsection 287.058(1), F.S., the provisions of subparagraphs 287.058(1)(a)-(c), and (g), F.S., are hereby incorporated by reference, to the extent applicable.

5.2 Dispute Resolution, Governing Law, and Venue.
Any dispute concerning performance of the Contract shall be decided by the Department's designated Contract Manager, who will reduce the decision to writing and serve a copy on the Contractor. The decision of the Contract Manager shall be final and conclusive. Exhaustion of this administrative remedy is an absolute condition precedent to the Contractor's ability to pursue legal action related to the Contract or any other form of dispute resolution. The laws of the State of Florida govern the Contract. The Parties submit to the jurisdiction of the courts of the State of Florida exclusively for any legal action related to the Contract. Further, the Contractor hereby waives any and all privileges and rights relating to venue it may have under Chapter 47, F.S., and any and all such venue privileges and rights it may have under any other statute, rule, or case law, including, but not limited to those based on convenience. The Contractor hereby submits to venue in the county chosen by the Department.

5.3 Department of State Registration.
Consistent with Chapters 605 through 623, F.S., the Contractor and any subcontractors that assert status, other than a sole proprietor, must provide the Department with conclusive evidence of a certificate of status, not subject to qualification, if a Florida business entity, or of a certificate of authorization if a foreign business entity.

5.4 Suspended, Convicted and Discriminatory Vendor Lists.
In accordance with sections 287.042, 287.133, and 287.134, F.S., an entity or affiliate who is on the Suspended Vendor List, Convicted Vendor List or the Discriminatory Vendor List may not perform work as a contractor, supplier, subcontractor, or consultant under the Contract. The Contractor must notify the Department if it or any of its suppliers, subcontractors or consultants have been placed on the Suspended Vendor List, Convicted Vendor List or the Discriminatory Vendor List during the term of the Contract.

5.5 Contractor Certification.
If the Contract exceeds $1,000,000.00 in total, not including renewal years, Contractor certifies that it is not listed on either the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies that Boycott Israel List created pursuant to sections 215.4725, F.S., and 215.473, F.S., respectively. Pursuant to section 287.135(3), F.S., and 287.135(5), F.S., Contractor agrees the Department may immediately terminate the Contract for cause if the Contractor is found to have submitted a false certification or if Contractor is placed on the Scrutinized Companies with Activities in Sudan List, the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or the Scrutinized Companies that Boycott Israel List, or is engaged in a boycott of Israel during the term of the Contract.

5.6 Cooperation with Inspector General and Records Retention.
Pursuant to subsection 20.055(5), F.S., Contractor, and any subcontractor to the Contractor, understand and will comply with their duty to cooperate with the Inspector General in any investigation, audit, inspection, review, or hearing. Upon request of the Inspector General or any other authorized State official, the Contractor must provide any information the Inspector General deems relevant to the Contractor's integrity or responsibility. Such information may include, but will not be limited to, the Contractor's business or financial records, documents, or files of any type or form that refer to or relate to the Contract. The Contractor will retain such records for five years after the expiration of the Contract, or the period required by the General Records Schedules maintained by the Florida Department of State, at the Department of State's Records Management website, whichever is longer. The Contractor agrees to reimburse the State of Florida for the reasonable costs of investigation incurred by the Inspector General or other authorized State of Florida official for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the State of Florida which results in the suspension or debarment of the Contractor. Such costs will include, but will not be limited to: salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees.

5.7 Inspection.
Section 215.422, F.S., provides that agencies have five (5) working days, unless the contract specifies otherwise, to inspect and approve commodities or contractual

services. Items may be tested for compliance with specifications. Items delivered not conforming to specifications may be rejected and returned at the Contractor's expense. Interest penalties for late payment are also limited according to section 215.422, F.S.

SECTION 6. MISCELLANEOUS.

6.1 Subcontractors.
The Contractor will not subcontract any work under the Contract without prior written consent of the Department. The Contractor is fully responsible for satisfactory completion of all its subcontracted work. The Department supports diversity in its procurements and contracts, and requests that Contractor offer subcontracting opportunities to certified woman-, veteran-, and minority-owned small businesses. The Contractor may contact the OSD at osdhelp@dms.myflorida.com for information on certified small business enterprises available for subcontracting opportunities.

6.2 Assignment.
The Contractor will not sell, assign, or transfer any of its rights, duties, or obligations under the Contract without the prior written consent of the Department. However, the Contractor may waive its right to receive payment and assign same upon notice to the Department. In the event of any assignment, the Contractor remains responsible for performance of the Contract, unless such responsibility is expressly waived by the Department. The Department may assign the Contract with prior written notice to the Contractor.

6.3 Independent Contractor.
The Contractor and its employees, agents, representatives, and subcontractors are independent contractors and not employees or agents of the Department and are not entitled to State of Florida benefits. The Department will not be bound by any acts or conduct of the Contractor or its employees, agents, representatives, or subcontractors. The Contractor agrees to include this provision in all of its subcontracts under the Contract.

6.4 Risk of Loss.
Matters of inspection and acceptance are addressed in section 215.422, F.S. Until acceptance, risk of loss or damage will remain with the Contractor. The Contractor will be responsible for filing, processing, and collecting all damage claims. To assist the Contractor with damage claims, the Customer will: record any evidence of visible damage on all copies of the delivering carrier's Bill of Lading; report damages to the carrier and the Contractor; and provide the Contractor with a copy of the carrier's Bill of Lading and damage inspection report. When a Customer rejects a commodity, Contractor will remove the commodity from the premises within ten (10) calendar days after notification of rejection, and the risk of loss will remain with the Contractor.

Commodities not removed by the Contractor within ten (10) calendar days will be deemed abandoned by the Contractor and the Customer will have the right to dispose of such commodities. Contractor will reimburse the Customer for costs and expenses incurred in storing or effecting removal or disposition of rejected commodities.

6.5 Safety Standards.
Performance of the Contract for all commodities or contractual services must comply with requirements of the Occupational Safety and Health Act and other applicable State of Florida and federal requirements.

6.6 Ombudsman.
A Vendor Ombudsman has been established within the Department of Financial Services. The duties of this office are found in section 215.422, F.S., which include disseminating information relative to prompt payment and assisting contractors in receiving their payments in a timely manner from a Customer. The Vendor Ombudsman may be contacted at (850) 413-5516.

6.7 Time is of the Essence.
Time is of the essence regarding each and every obligation of the Contractor under the Contract. Each obligation is deemed material, and a breach of any such obligation (including a breach resulting from untimely performance) is a material breach.

6.8 Waiver.
The delay or failure by the Department or the Customer to exercise or enforce any rights under the Contract will not constitute waiver of such rights.

6.9 Modification and Severability.
The Contract may only be modified by written agreement between the Department and the Contractor. Should a court determine any provision of the Contract is invalid, the remaining provisions will not be affected, and the rights and obligations of the Parties will be construed and enforced as if the Contract did not contain the provision held invalid.

6.10 Cooperative Purchasing.
Agencies wishing to make purchases under this Contract are required to follow the requirements of section 287.042(16) or 287.057(3) (b), F.S., and rule 60A-1.045, F.A.C. These provisions require the Department to determine that the requesting agency's use of the Contract is cost-effective and in the best interest of the State.

Pursuant to their own governing laws, and subject to the agreement of the Contractor, government entities may make purchases under the terms and conditions contained herein, if agreed to by Contractor. Non-Customer purchases are independent of the Contract between the Department and the Contractor. The Department is not a party to any transaction between the Contractor and any purchaser.

SECTION 7. WORKERS' COMPENSATION AND GENERAL LIABILITY INSURANCE, AND INDEMNIFICATION

7.1 Workers' Compensation Insurance.
To the extent required by law, the Contractor must be self-insured against, or must secure and maintain during the life of the contract, Worker's Compensation Insurance for all its employees connected with the work of this project, and in case any work is subcontracted, the Contractor must require the subcontractor similarly to provide Worker's Compensation Insurance for all of the latter's employees unless such employees engaged in work under the resulting contract are covered by the Contractor's

insurance program. Self-insurance or insurance coverage must comply with the Florida Worker's Compensation law. In the event hazardous work is being performed by the Contractor under the resulting contract and any class of employees performing the hazardous work is not protected under Worker's Compensation statutes, the Contractor must provide, and cause each subcontractor to provide adequate insurance satisfactory to the Department for the protection of employees not otherwise protected.

7.2 General Liability Insurance.
The Contractor must secure and maintain Commercial General Liability Insurance, including bodily injury, property damage, products, personal & advertising injury, and completed operations. This insurance must provide coverage for all claims that may arise from the services and/or operations completed under the Contract, whether such services or operations are by the Contractor or anyone directly or indirectly employed by them. Such insurance must include the State of Florida as an additional named insured for the entire length of the resulting contract. The Contractor is responsible for determining the minimum limits of liability necessary to provide reasonable financial protections to the Contractor and the State of Florida under the resulting contract.

All insurance policies must be with insurers licensed or eligible to transact business in the State of Florida. The Contractor must submit via email, to the Department's contract manager, insurance certificates evidencing such insurance coverage prior to execution of a contract with the Department and provide Department notice of any cancellation or nonrenewal at least ten (10) calendar days prior to cancellation or nonrenewal.

7.3 Indemnification.
To the extent permitted by Florida law, the Contractor agrees to indemnify, defend, and hold the Department, the Customer, and the State of Florida, its officers, employees, and agents harmless from all fines, claims, assessments, suits, judgments, or damages, including consequential, special, indirect, and punitive damages, including court costs and attorney's fees, arising from or relating to violation or infringement of a trademark, copyright, patent, trade secret, or intellectual property right or out of any acts, actions, breaches, neglect, or omissions of the Contractor, its employees, agents, subcontractors, assignees, or delegates related to the Contract, as well as for any determination arising out of or related to the Contract that the Contractor or Contractor's employees, agents, subcontractors, assignees, or delegates are not independent contractors in relation to the Department. The Contract does not constitute a waiver of sovereign immunity or consent by the Department or the State of Florida or its subdivisions to suit by third parties. Without limiting this indemnification, the Department or Customer may provide the Contractor (1) written notice of any action or threatened action, (2) the opportunity to take over and settle or defend any such action at Contractor's sole expense, and (3) assistance in defending the action at Contractor's sole expense.

SECTION 8. PUBLIC RECORDS, TRADE SECRETS, DOCUMENT MANAGEMENT AND INTELLECTUAL PROPERTY.

8.1 Public Records.
The Department may unilaterally cancel this Contract for refusal by the Contractor to comply with this section by not allowing access to all public records, as defined in

Chapter 119, Florida Statutes, made or received by the Contractor in conjunction with the Contract.

Pursuant to section 119.0701(2) (a), F.S., for contracts for services with a contractor acting on behalf of a public agency, as defined in section 119.011(2), F.S., the following applies:

IF THE CONTRACTOR HAS QUESTIONS REGARDING THE APPLICATION OF CHAPTER 119, FLORIDA STATUTES, TO THE CONTRACTOR'S DUTY TO PROVIDE PUBLIC RECORDS RELATING TO THIS CONTRACT, CONTACT THE CUSTODIAN OF PUBLIC RECORDS AT THE TELEPHONE NUMBER, EMAIL ADDRESS AND MAILING ADDRESS PROVIDED IN THE RESULTING CONTRACT OR PURCHASE ORDER.

Pursuant to section 119.0701(2)(b), F.S., for contracts for services with a contractor acting on behalf of a public agency as defined in section 119.011(2), F.S., the Contractor shall:

(a) Keep and maintain public records required by the public agency to perform the service.

(b) Upon request from the public agency's custodian of public records, provide the public agency with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Chapter 119, F.S., or as otherwise provided by law.

(c) Ensure that public records that are exempt or confidential and exempt from public records disclosure are not disclosed except as authorized by law for the duration of the contract term and following the completion of the Contract if the contractor does not transfer the records to the public agency.

(d) Upon completion of the Contract, transfer, at no cost, to the public agency all public records in possession of the Contractor or keep and maintain public records required by the public agency to perform the service. If the contractor transfers all public records to the public agency upon completion of the contract, the contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the contractor keeps and maintains public records upon completion of the contract, the contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the public agency, upon request from the public agency's custodian of public records, in a format that is compatible with the information technology systems of the public agency.

8.2 Protection of Trade Secrets or Confidential Information.
If the Contractor considers any portion of materials made or received in the course of performing the Contract ("contract-related materials") to be trade secret under section 688.002 or 812.081, F.S., or otherwise confidential under Florida or federal law, the Contractor must clearly designate that portion of the materials as trade secret or otherwise confidential when submitted to the Department. The Contractor will be responsible for responding to and resolving all claims for access to contract-related materials it has designated trade secret or otherwise confidential.

If the Department is served with a request for discovery of contract-related materials designated by the Contractor as trade secret or otherwise confidential, the Contractor will be responsible for filing the appropriate motion or objection in response to the request for discovery. The Department will provide materials designated trade secret or otherwise confidential if the Contractor fails to take appropriate and timely action to protect the materials designated as trade secret or otherwise confidential.

The Contractor will protect, defend, indemnify, and hold harmless the Department for claims, costs, fines, and attorney's fees arising from or relating to its designation of contract-related materials as trade secret or otherwise confidential.

8.3 Document Management.
The Contractor must retain sufficient documentation to substantiate claims for payment under the Contract and all other records, electronic files, papers and documents that were made in relation to this Contract. Contractor must retain all documents related to the Contract for five (5) years after expiration of the Contract, or, if longer, the period required by the General Records Schedules maintained by the Florida Department of State available at the Department of State's Records Management website.

8.4 Intellectual Property.
Unless specifically addressed in the Contract, intellectual property rights to all property created or otherwise developed by the Contractor for the Department or the Customer will be owned by the State of Florida at the completion of the Contract.

Any inventions or discoveries developed in the course of or as a result of services performed under the Contract which are patentable pursuant to 35 U.S.C. § 101 are the sole property of the State of Florida. Contractor must inform the Customer of any inventions or discoveries developed or made in connection with the Contract and will be referred to the Florida Department of State for a determination on whether patent protection will be sought for the invention or discovery. The State of Florida will be the sole owner of any and all patents resulting from any invention or discovery made in connection with this contract.

Contractor must notify the Department or State of Florida of any publications, artwork, or other copyrightable works developed in connection with the Contract. All copyrights created or developed in connection with the Contract are the sole property of the State of Florida.

SECTION 9. DATA SECURITY AND SERVICES.

9.1 Duty to Provide Secure Data.
The Contractor will maintain the security of State of Florida data including, but not limited to, a secure area around any displayed visible data. The Contractor will also comply with all HIPAA requirements and any other state and federal rules and regulations regarding security of information.

9.2 Warranty of Security.
Unless otherwise agreed in writing, the Contractor and its subcontractors will not perform any of the services from outside of the United States, and the Contractor will not allow

any State of Florida data to be sent by any medium, transmitted, or accessed outside of the United States.

The Contractor agrees that a violation of items listed above will result in immediate and irreparable harm to the Customer and will entitle the Customer to a credit as provided in the Contract documents. This credit is intended only to cover the Customer's internal staffing and administrative costs as well as the diminished value of services provided under the Contract and will not preclude the Customer from recovering other damages it may suffer as a result of such violation. For purposes of determining the damages due hereunder, a group of violations relating to a common set of operative facts (e.g., same location, same time period, same off-shore entity) will be treated as a single event. A violation of this provision will also entitle the Customer to recover any damages arising from a breach of this section and constitutes an event of default.

The Contractor must notify the Department and the Customer as soon as possible, in accordance with the requirements of section 501.171, F.S., if applicable, and in all events within one (1) business day in the event Contractor discovers any data is breached, any unauthorized access of data occurs (even by persons or companies with authorized access for other purposes), any unauthorized transmission of data occurs, or of any credible allegation or suspicion of a material violation of the above. This notification is required regardless of the number of persons or type of data affected. The notification must be clear and conspicuous and include a description of the following:

(a) The incident in general terms.

(b) The type of information that was subject to the unauthorized access and acquisition.

(c) The type and number of entities who were, or potentially have been affected by the breach.

(d) The actions taken by the Contractor to protect the data from further unauthorized access. However, the description of those actions in the written notice may be general so as not to further increase the risk or severity of the breach.

9.3 Remedial Measures.
Upon becoming aware of an alleged security breach, Contractor's Contract Manager must set up a conference call with the Department's and the Customer's Contract Manager. The conference call invitation must contain a brief description of the nature of the event. When possible, a thirty (30)-minute notice will be given to allow Department personnel to be available for the call. If the designated time is not practical for the Customer, an alternate time for the call will be scheduled. Contractor must share all available information on the call. The Contractor must answer all questions based on the information known at that time and answer additional questions as additional information becomes known. The Contractor must provide the Department and the Customer with final documentation of the incident including all actions that took place. If the Contractor becomes aware of a security breach or security incident outside of normal business hours, the Contractor must notify the Department's and the Customer's Contract Manager and in all events, within one business day.

9.4 Indemnification (Breach of Warranty of Security).
The Contractor agrees to defend, indemnify, and hold harmless the Department, the Customer, and the State of Florida, its officers, directors, and employees for any claims, suits, or proceedings related to a breach of the Warranty of Security. The Contractor will include credit monitoring services at its own cost for those individuals affected or potentially affected by a breach of this warranty for a two-year period of time following the breach.

9.5 Annual Certification.
The Contractor is required to submit an annual certification demonstrating compliance with the Warranty of Security to the Department by December 31 of each Contract year.

SECTION 10. GRATUITIES, LOBBYING, AND COMMUNICATIONS.

10.1 Gratuities.
The Contractor will not, in connection with this Contract, directly or indirectly (1) offer, give, or agree to give anything of value to anyone as consideration for any State of Florida officer or employee's decision, opinion, recommendation, vote, other exercise of discretion, or violation of a known legal duty, or (2) offer, give, or agree to give to anyone anything of value for the benefit of, or at the direction or request of, any State of Florida officer or employee.

10.2 Lobbying.
In accordance with sections 11.062 and 216.347, F.S., Contract funds are not for the purpose of lobbying the Legislature, the judicial branch, or the Department. Pursuant to subsection 287.058(6), F.S., the Contract does not prohibit the Contractor from lobbying the executive or legislative branch concerning the scope of services, performance, term, or compensation regarding the Contract, after the Contract execution and during the Contract's term.

10.3 Communications.
Contractor shall not, without first notifying the Department's Contract Manager and securing the Department's prior written consent, make public statements which concern the Contract or its subject matter, disclose or permit disclosure of any data or information obtained or furnished in accordance with the Contract, or use any statement attributable to the Department or its employees. Public statements include press releases, publicity releases, promotions, marketing materials, corporate communications, or other similar communications. The Department's written consent shall not be construed to supersede or waive the Contract requirements imposed on the Contractor to maintain confidential information.

SECTION 11. CONTRACT MONITORING.

11.1 Performance Standards.
The Contractor agrees to perform all tasks and provide deliverables as set forth in the Contract. The Department and the Customer will be entitled at all times, upon request, to be advised as to the status of work being done by the Contractor and of the details thereof.

11.2 Performance Deficiencies and Financial Consequences of Non-Performance.
In addition to the processes set forth in the Contract (e.g., service level agreements), if the Department determines that there is a performance deficiency that requires correction by the Contractor, then the Department will notify the Contractor. The correction must be made within a time-frame specified by the Department. The Contractor must provide the Department with a corrective action plan describing how the Contractor will address all performance deficiencies identified by the Department.

If the corrective action plan is unacceptable to the Department, or implementation of the plan fails to remedy the performance deficiencies, the Department will retain ten percent (10%) of the total invoice amount. The retainage will be withheld until the Contractor resolves the performance deficiencies. If the performance deficiencies are resolved, the Contractor may invoice the Department for the retained amount. If the Contractor fails to resolve the performance deficiencies, the retained amount will be forfeited in order to compensate the Department for the performance deficiencies.

11.3 Liquidated Damages.
The Contractor will promptly notify the Department or the Customer upon becoming aware of any circumstances that may reasonably be expected to jeopardize the timely and successful completion (or delivery) of any commodity or contractual service. The Contractor will use commercially reasonable efforts to avoid or minimize any delays in performance and will inform the Department or the Customer of the steps the Contractor is taking or will take to do so, and the projected actual completion (or delivery) time. If the Contractor believes a delay in performance by the Department or the Customer has caused or will cause the Contractor to be unable to perform its obligations on time, the Contractor will promptly so notify the Department and use commercially reasonable efforts to perform its obligations on time notwithstanding the Department's delay.

The Contractor acknowledges that untimely performance or other material noncompliance will damage the Department, but by their nature such damages are difficult to ascertain. Accordingly, the liquidated damages provisions stated in the Contract documents will apply. Liquidated damages are not intended to be a penalty and are solely intended to compensate for damages.

11.4 Force Majeure, Notice of Delay, and No Damages for Delay.
The Contractor will not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees or agents contributed to the delay and the delay is due directly to fire, explosion, earthquake, windstorm, flood, radioactive or toxic chemical hazard, war, military hostilities, terrorism, civil emergency, embargo, riot, strike, violent civil unrest, or other similar cause wholly beyond the Contractor's reasonable control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. The foregoing does not excuse delay which could have been avoided if the Contractor implemented any risk mitigation required by the Contract. In case of any delay the Contractor believes is excusable, the Contractor will notify the Department in writing of the delay or potential delay and describe the cause of the delay either (1) within ten (10) calendar days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or (2) if delay is not reasonably foreseeable, within five (5) calendar days after the date the Contractor first had reason to believe that a delay could result. The foregoing will constitute the

Contractor's sole remedy or excuse with respect to delay. Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages will be asserted by the Contractor. The Contractor will not be entitled to an increase in the Contract price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor will perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State of Florida or to Customers, in which case the Department may (1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to Customers with respect to commodities or contractual services subjected to allocation, or (2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the commodity or contractual services that are the subject of the delay, which purchases may be deducted from the Contract quantity, or (3) terminate the Contract in whole or in part.

SECTION 12. CONTRACT AUDITS.

12.1 Performance or Compliance Audits.
The Department may conduct or have conducted performance and/or compliance audits of the Contractor and subcontractors as determined by the Department. The Department may conduct an audit and review all the Contractor's and subcontractors' data and records that directly relate to the Contract. To the extent necessary to verify the Contractor's fees and claims for payment under the Contract, the Contractor's agreements or contracts with subcontractors, partners or agents of the Contractor, pertaining to this Contract, may be inspected by the Department upon fifteen (15) calendar days' notice, during normal working hours and in accordance with the Contractor's facility access procedures where facility access is required. Release statements from its subcontractors, partners or agents are not required for the Department or its designee to conduct compliance and performance audits on any of the Contractor's contracts relating to this Contract. The State of Florida's Chief Financial Officer and the Office of the Auditor General also have authority to perform audits and inspections.

12.2 Payment Audit.
Records of costs incurred under terms of the Contract will be maintained in accordance with section 8.3 of these Special Contract Conditions. Records of costs incurred will include the Contractor's general accounting records, together with supporting documents and records of the Contractor and all subcontractors performing work, and all other records of the Contractor and subcontractors considered necessary by the Department, State of Florida's Chief Financial Officer or the Office of the Auditor General.

SECTION 13. BACKGROUND SCREENING AND SECURITY.

13.1 Background Check.
The Department may require the Contractor and its employees, agents, representatives, and subcontractors to provide fingerprints and be subject to such background checks as

directed by the Department. The cost of the background checks will be borne by the Contractor. The Department may require the Contractor to exclude the Contractor's employees, agents, representatives or subcontractors based on the background check results. In addition, the Contractor must ensure that all persons have a responsibility to self-report to the Contractor within three (3) calendar days any arrest for any disqualifying offense. The Contractor must notify the Contract Manager within twenty-four (24) hours of all details concerning any reported arrest. The Contractor will ensure that all background screening will be refreshed upon the request of the Department for each person during the term of the Contract.

13.2 E-Verify.
In accordance with Executive Order 11-116, the Contractor agrees to utilize the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all new employees hired during the term of the Contract for the services specified in the Contract. The Contractor must also include a requirement in subcontracts that the subcontractor must utilize the E-Verify system to verify the employment eligibility of all new employees hired by the subcontractor during the Contract term. In order to implement this provision, the Contractor must provide a copy of its DHS Memorandum of Understanding (MOU) to the Contract Manager within five (5) calendar days of Contract execution. If the Contractor is not enrolled in DHS E-Verify System, it will do so within five (5) calendar days of notice of Contract award, and provide the Contract Manager a copy of its MOU within five (5) calendar days of Contract execution. The link to E-Verify is https://www.uscis.gov/e-verify. Upon each Contractor or subcontractor new hire, the Contractor must provide a statement within five (5) calendar days to the Contract Manager identifying the new hire with its E-Verify case number.

13.3 Disqualifying Offenses.
If at any time it is determined that a person has been found guilty of a misdemeanor or felony offense as a result of a trial or has entered a plea of guilty or nolo contendere, regardless of whether adjudication was withheld, within the last six (6) years from the date of the court's determination for the crimes listed below, or their equivalent in any jurisdiction, the Contractor is required to immediately remove that person from any position with access to State of Florida data or directly performing services under the Contract. The disqualifying offenses are as follows:

(a) Computer related crimes

(b) Information technology crimes;

(c) Fraudulent practices;

(d) False pretenses;

(e) Frauds;

(f) Credit card crimes;

(g) Forgery;

(h) Counterfeiting;

(i) Violations involving checks or drafts;

(j) Misuse of medical or personnel records; and

(k) Felony theft.

13.4 Confidentiality.
The Contractor must maintain confidentiality of all confidential data, files, and records related to the services and/or commodities provided pursuant to the Contract and must comply with all state and federal laws, including, but not limited to sections 381.004, 384.29, 392.65, and 456.057, F.S. The Contractor's confidentiality procedures must be consistent with the most recent version of the Department security policies, protocols, and procedures. The Contractor must also comply with any applicable professional standards with respect to confidentiality of information.

SECTION 14. INFORMATION TECHNOLOGY.

The following applies to all contracts for information technology commodities and contractual services. "Information technology" is defined in section 287.012(15), F.S., to have the same meaning as provided in section 282.0041, F.S.

14.1 Limitation of Liability.
For all claims against the Contractor under any contract or purchase order, and regardless of the basis on which the claim is made, the Contractor's liability under a contract or purchase order for direct damages shall be limited to the greater of $250,000, the dollar amount of the contract or purchase order, or two times the charges rendered by the Contractor under the purchase order. This limitation shall not apply to claims arising under the Indemnity paragraph contained in this agreement.

Unless otherwise specifically enumerated in the Contract or in the purchase order, no party shall be liable to another for special, indirect, punitive, or consequential damages, including lost data or records (unless the contract or purchase order requires the Contractor to backup data or records), even if the party has been advised that such damages are possible. No party shall be liable for lost profits, lost revenue, or lost institutional operating savings. The State and Department may, in addition to other remedies available to them at law or equity and upon notice to the Contractor, retain such monies from amounts due to the Contractor as may be necessary to satisfy any claim for damages, penalties, costs, and the like asserted by or against them. The State may set off any liability or other obligation of the Contractor or its affiliates to the State against any payments due to the Contractor under any contract with the State.

14.2 Information Technology Standards.
Pursuant to sections 282.0051 and 282.318, F.S., the Agency for State Technology (AST) is to establish standards for the implementation and management of information technology resources. Vendors agree to cooperate with the agency in furtherance of its efforts to comply with AST standards, established in Title 74, F.A.C., as applicable.
