RE: **ESC-0316-18 – Reject All Awards -Medical Examiner's Office Case Management Solution**

On December 13, 2017 the Procurement Division received two responses for ESC-0316-18 for the Medical Examiner's Office Case Management Solution, to which it was determined that VertiQ Software, LLC., would be rejected for submitting price ranges. The bid tabulations were submitted to the assembled subcommittee for evaluation and review.

The evaluation team has completed their review of the bid response and after such, the Medical Examiner's Office requests approval to reject all bids due to the lack of competition and to rebid the Request for Proposal.

The intent is to revise elements of the RFP language in order to remove any ambiguity which would lead a potential vendor to believe that they do not qualify to bid.

If any additional information is required please do not hesitate to contact me.
