FROM: Jeffrey S. Foster, P.G., Solid Waste Environmental Engineer Manager
Will Williams, Chief, Solid Waste Division

DATE: January 5, 2018

SUBJECT: Recommendation of Award for Household Hazardous Waste Disposal
Bid No. SC-0312-18
Bid Date: November 15, 2017
Funding Account PWSW441DO 03410

A total of five (5) bids were received by the Procurement Division on November 15, 2017 for SC-0312-18 for Household Hazardous Waste Disposal services. After a thorough review of the submissions for the above mentioned bid, the Solid Waste Division recommends that the contract be awarded to the most competitively priced, qualified vendor – Perma-Fix of Florida, Inc. The amount of the award will be in an amount not to exceed $65,000.00 under a master blanket purchase order.

The not exceed amount of $65,000.00 is based upon the estimated expenditure for the fiscal year. Since we do not know the quantities and types of materials that will be received at the Facility during the year, an estimate based upon the bid pricing cannot be determined, however, we have historical costs and the $65,000 is in line with the amount we have been spending due to the increased popularity of the remote collection events. The $65,000.00 is a conglomerate of the items and prices in the bid. The initial term of the contract is from date of execution of the contract through September 30, 2018 with four (4) one (1) year renewal options.

Please notify the Solid Waste Division when this item will be placed on the Awards Committee agenda so a member of the Solid Waste Division can attend.

If you require additional information, please contact Dale Hotaling at 387.8847 or Sue Barry at 381-8205.

TERMS AND CONDITIONS
HOUSEHOLD HAZARDOUS DISPOSAL

1. SCOPE

The **Solid Waste Division** of the City of Jacksonville, Florida is currently accepting bids to obtain source(s) of supply for the item(s) / service(s) as outlined in the bid documents provided. The purpose of this bid invitation is to obtain information about your firm and its ability to provide these item(s) / service(s) and to obtain pricing commitments **for the disposal of Household Hazardous Waste** as listed in the bid documents.

2. AWARD

Award will be **ALL OR NONE** to the lowest responsive, responsible bidder. Bidders must bid on **ALL** items to be considered for award. **ALL** awards are subject to the availability of funds.

3. TERM OF AGREEMENT

The term of this agreement is from date of award through September 30, 2018 with four (4) one (1) year renewal options. Renewal Options may be exercised at the discretion of the City based on supplier performance adherence to the terms and conditions set forth in the bid documents. The contract may be canceled with or without cause, by the City with 30-day written notice to the contractor.

4. PRE-BID CONFERENCE

Not applicable.

5. COMPLIANCE WITH SPECIFICATIONS

The bidder, by affixing their signature to the bid form submitted, agrees to provide item(s)/service(s) in accordance with the bid documents provided. Bid only a single offering for each bid item. Multiple offerings, alternates (unless stated) and or stipulations may be cause for bid rejection. Bid only on forms provided herein unless otherwise stated. Bid submissions shall be in ink or typewritten. All corrections must be initialed.

6. STATE CONTRACTS

The City reserves the right to utilize contracts established by the State of Florida and or other governmental agencies for item(s)/service(s) covered under this bid. The city reserves the right to cancel this contract in whole or in part for such item(s)/service(s).

SPECIFICATIONS

HOUSEHOLD HAZARDOUS WASTE DISPOSAL
BID# SC-0312-18

PROJECT DESCRIPTION AND SCOPE OF WORK
FACILITY

The City operates two separate collection programs for hazardous waste and similar materials from exempt sources. A facility for this purpose has been constructed at 2675 Commonwealth Ave. The facility includes a 100' x 100' paved area under a roof with minimum vertical clearance of 14'. All waste handling operations will take place on the 50' x 100' primary work area which is sloped to two center drains leading to a closed system. Electricity, telephone, water, sewer and restrooms are available. An emergency shower and eye wash station is centrally located within the facility.

OPERATION

City personnel will collect waste from residential sources and some conditionally exempt generators, segregate incompatibles, and place the waste in temporary storage. As this material is accumulated, City personnel will further sort the waste, bulk some wastes (such as flammable liquids), and treat some wastes (such as acids and caustics).

SERVICES

The contractor will package, label, transport and dispose of the waste collected by City personnel. The City is willing to be the official generator of all waste collected at the Commonwealth Avenue Facility and the remote locations. At the same time, the contractor will collect waste from conditionally exempt generators (CESQG's) and Small Quantity Generators (SQG's) who request this service from the City. The contractor will make their services available to interested CESQG's and SQG's at the rate specified in this contract. Generally, the City will direct the CESQG and SQG to contact the Contractor to arrange for pick and disposal at their facility. CESQG's and SQG's will pay all charges incurred in the packaging, transportation and disposal of their waste directly to the contractor including all materials. The City will pay all labor charges for the collection. The CESQG/SQG facility will be the official generator for their wastes that are disposed of under this contract.

Conditionally Exempt and Small Quantity Collection

The collection site must be adequately staffed. Contractor's field analytical capability must be adequate to ensure acceptance at an EPA permitted hazardous waste facility.

All personnel at the site are expected to present a professional image to the public. All equipment must be clean and properly maintained.
