MEMORANDUM

TO: **Dustin L. Freeman**
Chief, Procurement Division

THRU: **Nina Sickler, P.E.**
Director, Public Works

FROM: **Will Williams, MBA**
Chief, Solid Waste Division

SUBJECT: **Recommendation to Award, Bid #JSC-0270-24**
A Sanctuary House of N. FL, Inc.
Roadside Litter Removal, Transportation, and Disposal

DATE: **December 13, 2023**

The Department of Public Works, Solid Waste Division has reviewed and tabulated the six (6) bids that were received for the referenced project for accuracy and compliance with the contract documents. Bids submitted by Inspiring Lives Forever, LLC dba ILF Transportation Services & Logistics and Salvadera, LLC should be rejected. Inspiring Lives Forever, LLC dba ILF Transportation Services & Logistics did not provide the commodity codes as required by the bid specifications and Salvadera, LLC is not a JSEB supplier.

Therefore, the Solid Waste Division recommends A Sanctuary House of N. FL, Inc. be awarded the project in the amount of $674,615.18 (FY24-$174,615.18, FY25-$250,000.00, FY26 - $250,000.00). The initial term of the contract is date of award through September 30, 2026, with two (2) one (1) year renewal options.

Please notify Solid Waste when this item will be placed on the Awards Committee agenda so a division representative can attend.

Funding for this project will be encumbered as follows:

1. **SCOPE**
The City of Jacksonville's Procurement Division is currently accepting bids to obtain a source of supply for the item(s)/service(s) as outlined in the bid documents provided. The purpose of this bid invitation is to obtain information about your firm and its ability to provide these item(s)/service(s) and to obtain pricing commitments for **Roadside Litter Removal, Transportation, and Disposal** as listed in the bid documents.

2. **AWARD**
Award will be **ALL OR NONE** to the lowest responsive, responsible bidder. The City reserves the right to reject any or all bids. ALL awards are subject to the availability of funds.

3. **TERM OF AGREEMENT**
The term of this agreement will be from the date of award through September 30, 2026 with two (2) one (1) year renewal options. Renewal Options may be exercised at the discretion of the City based on supplier performance and adherence to the terms and conditions set forth in the bid documents.

4. **MINIMUM REQUIREMENTS**
Bidders should submit or comply with the following requirements. Failure to submit any of these requirements may be grounds for rejection:

In order to be considered responsive to this solicitation, the Bidder must meet the minimum qualifications as listed below. Bidders are required to submit with their bid, proof they meet the minimum qualifications. Failure to meet and provide information as requested may result in bid rejection.

a. Bidders must be certified under NIGP commodity code *988.56 Litter Removal Services (Including Beach Cleaning) Roadside, Grounds, Recreational, and Park Area Services* at the time of bid opening to be considered for award.

b. Bidders must have an office located in Jacksonville, FL. Bidders must provide a properly zoned business address and maintain an active local phone number, email address, cell phone, and fax. A fax machine must be accessible at all hours for receipt of deficiency notifications or written communications. Please submit this information on the Bid Form (page 15) in the appropriate area.

c. Bidders must have a minimum of twelve (12) consecutive months of experience in Litter Removal Services prior to the bid opening date. Bidders must provide a copy of their company's Local Business Tax Receipt.

d. Bidders must provide at least three (3) verifiable references to demonstrate experience. An award consideration will not be made until all references have been verified.

e. Bidders must provide a list of their company's pertinent equipment currently owned or leased which will be used for the successful performance of the services requested in this solicitation. Bidders must have, at a minimum, one truck and trailer.

f. The State of Florida requires that anyone who is moving more than twenty-five (25) waste tires on Florida roadways be registered with the Florida Department of Environmental Protection as a waste tire collector.

Bidders must obtain a valid City of Jacksonville Waste Tire Hauler permit within thirty (30) calendar days from the date of award. Bidders must provide a copy of their company's permit that shows issuance and expiration date.

Please visit the Florida Department of Environmental Protection website via the link below or call (850) 245-8707 for verification or an updated registration list.

Description of Work
The work performed under this contract consists of the pickup, removal, and lawful disposal of litter and otherwise undesirable or objectionable appearing debris within the maintained limits of targeted Right-of-Ways and medians. Litter or debris may consist of varied sizes of bottles, cans, paper, tires, tire pieces, lumber, vehicle parts, metal junk, brush and other items to be removed under this effort. Contract specifications are restricted to roadside litter response and not yard waste, white goods, or residential service.

Frequency of Work
The Contractor shall provide monthly collection of the roadways detailed in Appendix "A". This work shall be coordinated with the City of Jacksonville (COJ) Project Manager. Additionally, the Contractor will be required to respond to other COJ issued work orders as specified herein.

Equipment
All equipment utilized to transport litter shall be constructed in a manner to preclude further distribution or loss of litter along a roadway. All open top carriers shall be covered and secured with tarpaulins. Equipment that causes damage to curbs, pavement, or turf will not be permitted.

Hours of Work
The Contractor shall perform all work under this contract Monday through Friday between the hours 6:00 a.m. and 6:00 p.m. No work shall be performed outside of these hours or on COJ recognized holidays without the express written consent of the COJ Project Manager.

Protection of Improvements
The Contractor shall exercise due care in the pursuit of the work under this contact. The Contractor shall not cause damage to sidewalks, streets, curbs, driveways, pavements, utilities, structures, fences, substantial or marked trees, or any property either on a or adjacent to the site. The Contractor shall make all repairs, at the Contractor's expense, for any and

all damage caused, in a manner satisfactory to the City. Such repairs shall restore the damaged area(s) to a condition equal to, or better than, that of the existing adjacent area(s), using similar materials.

Complaints/Damage to Property
The Contractor shall be responsible for addressing all complaints pertaining to any damage that allegedly occurred during litter removal operations. Any ruts, depressions or unleveled areas created on the property by the Contractor's operations must be corrected before payment is made. Any damage to streets, curbs, sidewalks, water pipes, meters, utilities equipment or other City or State property shall be properly repaired or restored at the Contractor's expense. Such repairs and/or restorations shall be inspected and approved the COJ Solid Waste Division Chief or his/her designee before payment for work is made. Care shall be taken with all equipment and property so that turf is not damaged or torn up. All complaints shall be properly settled with five (5) business days after the report is made to the Contractor. The Contractor is solely responsible for any damage to property as a result of any work being performed by the Contractor. Contractor shall indemnify the City and hold the City harmless against any and all claims, liabilities, losses and causes of action which may arise out of fulfillment of the Contract. The Contractor shall pay all claims and losses of any nature whatsoever in connection therewith, defend all suits in the name of the City when applicable, and pay all costs and judgements which may be issued thereon.

Traffic and Safety
Precaution shall be exercised at all times for the protection of persons and property. Traffic control shall be governed by the Florida Department of Transportation's latest edition of Roadway and Traffic Design Standards and Part VI of the Manual of Uniform Traffic Control Devices. The safety provisions of the Occupational Safety and Health Act of 1970 (Public Law 91-596) and other applicable laws, buildings, and construction codes shall be observed. Machinery, equipment and other hazards shall be properly guarded to prevent personal injuries. The foregoing requirements are to be considered as a minimum and the Contractor's compliance with these recommendations shall in no way relieve him/her of final responsibility for providing adequate traffic control devices for the protection of employees and the public at work areas. It shall be a requirement of this work that workers wear orange clothing of high visibility such as a vest, shirt, or jacket when performing litter pickup operations. "Workers Present" signs shall be erected at each end of targeted roadway being worked.

Quality of Work
The City will review completed areas for quality and acceptance. Areas determined to be unsatisfactory shall be re-cleaned by the Contractor at no additional cost to the City. Areas shall be cleaned in a manner that they are left reasonably free of all litter and debris. The COJ Solid Waste Division Chief or his/her designee's judgement when evaluating completed work shall be final.

Measurement and Payment
The quantities to be paid for work under this Contract shall be roadside miles cleaned and approved. All Right-of-Ways (both sides), on/off ramps (both sides), and medians if applicable, within each unit mile for the targeted roadway segment shall be cleaned of litter or debris and then reviewed for quality and acceptance by the COJ Project Manager or his/her designee. Fee quotes shall be for a linear mile unit measurement using an estimated weekly total of one hundred and fifty (150) miles of cleaned of Right-of-Ways as described above. Contractor shall also provide a fee quote for work conducted after hours, on holidays or under emergency circumstances via Attachment "B" herein. This work shall be done only on an as-needed basis and as authorized by the COJ Project Manager and/or his/her designee.

Disposal
The Contractor shall be responsible for all costs associated with the lawful disposal of material collected under this contract. All material shall be disposed at the City's Trail Ridge Landfill, located at 3150 U.S. Highway 301, Baldwin, Florida 32234.

Work Orders
The Contractor will be required to provide service to select Right-of-Ways, as tabulated by the COJ Project Coordinator. An example of the listed Right-of-Ways the Contractor may receive from the COJ Project Coordinator is shown in Appendix "A". In addition, the Contractor will be required to address CARE complaints or other "hot areas" that need litter collection service. For these additional Right-of-Ways, work orders will be issued by the COJ Project Coordinator. The Contractor will only be paid for those Right-of-Ways that are listed in the Appendix "A" form supplied to the Contractor by the COJ Project Coordinator in addition to those they have received a written work order to perform. The

City shall also issue work orders on a weekly basis for additional work not included in Appendix "A". All work order projects will be completed in the week issued. Emergency, extended hours, and day work will be completed with 24 hours of issuance of a work order. All work done by the Contractor for CARE complaints, hot areas, and additional work not included in Appendix "A" shall be covered by the linear mile unit price fee quote submitted by the Contractor.

Reporting Requirements
The Contractor shall provide monthly reports detailing road ways serviced, including date of collection, and volume of material collected. The reports shall also include copies of landfill disposal receipts where the collected material was disposed.

Contractor's Personnel
Supervision and personnel shall be competent for the particular type of work under this contract. The Contractor shall be fully responsible for the performance of its organization and the completion of all work under this Contract. The Contractor shall employ individuals who possess the necessary skills, including licensed personnel where applicable laws and regulations require work to be performed by licensed personnel, to perform all work with the highest degree of care and professionalism.

Sub-Contractors
The Contractor shall request and obtain approval from the City prior to sub-contracting any portion of the work covered by the Contract. The Contractor shall be fully responsible for the actions and omissions of its sub-contracted entities or personnel either directly or indirectly employed by the sub-contractor.

Supervision
The Contractor shall designate a point of contact through which all schedules, pay applications, work orders, and emergency requests shall be routed. The day-to-day supervision of the work performed under this contract lies with the contractor who is solely responsible for completion of the work.
