Current Contract Amount $7,000,000.00

The Department of Public Works, Right of Way & Stormwater Maintenance Division has received a renewal request letter from Preferred Materials, Inc. and respectfully requests to exercise the first, one year renewal option for BID #CP-0154-16; Continuous Asphalt Resurfacing, West Area.

We recommend approval of the renewal option requested by Preferred Materials, Inc. #7954-10 for the one (1) year service period from October 1, 2017 through September 30th, 2018 in the amount of $7,000,000.00. In addition to the renewal request above, the RWSM Division would also like to add two additional line items to the contract. These line items are needed so that reflective pavement markers can be added to roadways to indicate the location of Fire Hydrants for emergency first responders. Attached, please find the memo from PMI that indicates the final cost that was negotiated between COJ and PMI. Below please find the specific line items to add along with a brief description of the line item.

Line item 66A - $11.00 (EA) - Retro-Reflective Pavement Marker - Blue - Included when pavement markings are being applied. Line item is intended for use when roadway is being resurfaced and other pavement markings are being applied.

Line Item 66B - $55.00 (EA) - Retro-Reflective Pavement Marker - Blue - Included when other pavement markings are not needed or being applied. Line Item is intended for use when other roadway pavement marking is not needed. The company would be called out specifically for the individual placement of Blue Reflective Pavement Markers.

All other line items and pricing would remain unchanged.

Please contact Joel Troupe/Project Manager (472-2893) with any questions.

Thank you for your assistance.
