SUBJECT: RECOMMENDATION OF AWARD

RE: Arlington River Dredging
Bid No.: CF-0141-16
Bid Date: July 27, 2016
Award Amount: $841.087.54
Internal Services Account No.: PWEN011AD

The Department of Public Works has reviewed and tabulated Two (2) bids received on the referenced project for accuracy and compliance with the contract documents. The project was bid as encouragement. While our tabulation of the bids turned up minor corrections in the bids, no errors were significant enough to change the lowest bidder. Additionally, with such a large difference in the bid values between the two bidders, Public Works further evaluated the bid with its "engineer's estimate" and found it to be acceptable. The low bidder, Baker Klein Engineering, Inc. was also contacted to confirm their willingness to proceed with their price. In addition, Public Works has confirmed through www.myfloridalicense.com the appropriate licenses for this contractor and listed subcontractors, if applicable.

Accordingly, we recommend that the Total Base Bid for Arlington River Dredging be awarded to Baker Klein Engineering, Inc., 1334 Walnut Street, Jacksonville, FL 32206, in accordance with the attached bid documents in the amount of $841,087.54.

Total funding for this project should be encumbered by contract as follows:
