Re: **Continuous Asphalt Resurfacing West Area**

The Equal Business Opportunity (EBO) Office has reviewed the low bidder/proposer for compliance with the Jacksonville Small and Emerging Business (JSEB) program. The low bidder/proposer, **Preferred Materials,** met the JSEB criteria for this project. The low bidder/proposer's price for the subject project was **$ 4,153,204.87.00** and the goal was **10%**. Based upon review of the JSEB schedule of work, the letters of intent, and the areas of certification, the lowest bidder/proposer, **Preferred Materials,** met the goal by utilizing **10%** percent of currently certified JSEBs.

Our review efforts are documented and available upon request. Please let us know if you have any questions or concerns. I can be reached at (904) 255-8840.

PEDESTRIAN SAFETY IMPROVEMENT PROGRAM
WEST AREA
DUVAL COUNTY
2016-2017
SECTION 30

SCOPE OF WORK

30.1 SCOPE:

The work covered in these specifications consists of furnishing all labor, materials and equipment and performing all operations necessary for the construction of concrete sidewalks and appurtenant work including enclosing existing drainage ditches as required for the installation of sidewalk at designated locations in accordance with the contract documents.

30.2 INTENT OF PROJECT:

It is the intent of this contract to provide, upon request, well constructed City standard sidewalks at various locations within the limits of the City of Jacksonville. It is not the intent of these documents to minutely define the mode, means, methods, techniques, sequence or procedures of construction selected by the CONTRACTOR, or the safety precautions and programs incidental to the work of the CONTRACTOR, but rather to set forth reasonable and rational criteria for the construction thereof. All completed work must fit the purpose in a safe and integrated manner.

30.3 JOB SITE LOCATIONS:

The work sites will be on any street, highway or other City property located within the West Area within Duval County. (See map on next page) However, at any time during the extent of this contract, the City may issue purchase orders to construct sidewalks in other areas of the City.

B. **BASIS OF AWARD**

The project (West Area) may be awarded to the lowest responsive, responsible Bidder on the availability of funds within the project's approved budget. The CITY has the right to reject any or all bids if it is in the best interest of the City.

C. **REVISIONS OF BID PROPOSAL FORM**

Request for revision of the Bid Proposal Form must be made to the ENGINEER at least ten (10) days prior to date of opening of Bids. Revision of the Bid Proposal by the Bidder will void the Bid.

D. **CONTRACT EXPIRATION DATE**

The Contract expiration date shall be established as follows:

The notice to proceed date plus ten (10) calendar days for mobilization, plus the construction time established in the proposal, plus time extensions pursuant to valid change orders (which shall establish the construction completion date), plus 120 days to assure a contract exists beyond the scheduled construction completion date in order to comply with Executive Order Number 13-05. No purchase orders will be issued under this contract after September 30, 2017, unless extended by amendment. If, by mutual agreement of both parties and provided funding is available, the contract may be extended two (2) times for a period of twelve (12) months each time. All pricing shall remain firm for the initial period. Upon renewal (if applicable), a supplier may submit in writing a request for price escalation / de-escalation for the percentage of change as listed in the Consumer Pricing Index (CPI) and/or documentation notifying of an industry wide increase. The CITY reserves the right to decline any price

E. **BID CHANGES**

No changes in the amount of Bids appearing on the outside of Bids will be considered. Only the amounts shown on bidding documents inside the envelope will be considered. All changes, corrections and erasures must be initialed by the person signing the bid.

F. **CONSTRUCTION COMPLETION**

The CONTRACTOR shall begin work within ten (10) calendar days, including Sundays and holidays, after the date of written notice from the owner to begin work, and shall complete the work within 45 calendar days, including Sundays and holidays, after the expiration of such ten (10) day notice. If the Bidder determines that "off-hours" work is anticipated to complete the project within such allotted times, a schedule therefore shall be attached to this proposal as required by Section 20.3.4 of the General Conditions.

G. **SUBMITTAL STATEMENT**

The undersigned Bidder certifies that this proposal is made in good faith, without collusion or connection with any other entity bidding on this work.

The undersigned Bidder has examined and read (cover to cover) all Drawings, Specifications, General and Special Conditions, and other Contract Documents, and all Addenda thereto; and is acquainted with
