SUBJECT: RECOMMENDATION TO REJECT BIDS

RE: Herschel Street Drainage Improvements

Bid No.:	CP-0095-16
Bid Date:	April 27, 2016
Award Amount:	N/A
Internal Services Account No.	PWEN011AD

The Department of Public Works reviewed and tabulated the five bids received on the referenced project, all of which exceeded the funds available for the project at the time of the bid. Permission was sought and approved to enter into a post-bid/pre-award negotiation with JB Coxwell Contracting, Inc. in order to explore the possibility of reducing the project's funding deficit. Negotiations with JB Coxwell Contracting, Inc. failed to reach a mutual agreement. A Budget transfer has since occurred, but we are well past the 120 days the bid requires the contractor to hold their bid and have confirmed that they are not willing to build the project for the bid from last year.

We therefore recommend that the bids for Herschel Street Drainage Improvements be rejected. We will re-bid the project as soon as possible.
