RE: **RECOMMENDATION TO AMEND CONTRACT 8258-19**
Storm Sewer Cave-In Repair
BID No.: CP-0143-16
Received Date: August 3, 2016
Contract No.: 8258-19
Current Amount: $2,500,000.00

The subject contract was awarded to Jax Utilities Management, Inc., 8812 Alton Ave., Jacksonville, Fl. 32211 in the amount of $2,500,000.00 on August 3, 2016 with an expiration date of September 30, 2018. Due to the amount of work completed to date by this contractor, and the amount of work remaining, the contract amount will need to be increased. This will allow the Right of Way and Stormwater Maintenance Division to continue addressing cave in repairs with Jax Utilities Management Inc., for the remainder of fiscal 2018.

We, therefore, recommend that the subject contract be amended to increase the contract amount by $1,000,000.00 to a new contract amount of $3,500.000.00 with no change to the expiration date or options to renew. This will be amendment No.1. Work will be issued by purchase orders and funding should be encumbered from Right of Way and Stormwater Maintenance Division account PWGM462SW-06505-PW0072-01 and PWGM461SW-03410.

The second optional renewal, if both the CITY and the CONTRACTOR agree, may also include a Contract Unit Price adjustment based on the CPI for the preceding twelve months from the award date of the second contract. Contract Unit Prices will be adjusted by applying the CPI to the previously adjusted Contract Unit Prices for the first renewal option.
