R. Duane Kent, P.E.
Public Works Project Manager

SUBJECT: P-14-19 Professional Engineering Services for Minor Drainage Improvement Projects- Annual Contract

---

The subcommittee received Fifteen (15) proposals for evaluation for the subject project. Fourteen were found to be responsive, interested, qualified and available to provide the services required by the RFP, one was considered non-responsive because they qualified their insurance statement.

The proposals were evaluated using the criteria outlined in the Purchasing Code as augmented by the RFP (see attached matrix).

Based on the above, the following firms listed alphabetically were determined to be the most qualified of those submitting proposals. The ranking of first and second designates the order of qualification of these firms to perform the required services.

2. Adkinson Engineering, P.A.
2. The R-A-M. Professional Group, Inc.
1. Waitz & Moye, Inc.

We recommend that the above list be forwarded to the Mayor for final selection.
