Re: Temporary Seating at TIAA Bank Field – (Bid ECS-0478-14)
Contract Award Extension Recommendation

At this time, SMG Jacksonville respectfully recommends the award of the First – Three (3) year renewal extension on the Temporary Seating System at TIAA Bank Field contract per Bid ECS-0478-14. The original bidder InProduction (SGA Production Staging) has maintained the pricing for the first five (5) years per original contract. Per the attached letter from their CEO, they are requesting a modest 3% increase from their 2014 pricing.

The original bid in 2014 resulted in only one (1) responsive bidder and currently is the only vendor that is able to supply the quantities and size of seating required for the annual FL\GA Football Game due to total seat contractual obligations. In addition, the bidder purchased their primary competitor two years ago.

Funding of this award will be done annually by way of formal contract through the Office of General Counsel at the start of each fiscal year.

Please let us know if you have any further questions.

RE: InProduction Contract Renewal – Bid No. ESC-0478-14

Dear Keith;

It has been our pleasure working with you and the City of Jacksonville to provide temporary seating for the past five years. It is our desire to continue in our role for future years as the relationships we have built with you and the City, coupled with our performance in exceeding the requirements of the contract over the last five years has been beneficial to all parties involved with the event.

As required in the contract, our base "per seat" pricing, for the initial 5-year term of the contract, has remained the same. Unfortunately, our costs to provide services under the contract have increased over the five-year period. Since December 2014 costs have increased as measured by:

- Consumer Price Index for All Urban Consumers increase of 7.0% December 2018 vs December 2014.
- Producer Price Index by Industry; General Freight and Trucking, Long Distance Truckload increase of 9.9% December 2018 vs. December 2014.
- Producer Price Index for Construction Equipment Rental and Leasing increase of 7.4% December 2018 vs. December 2018.

Furthermore, our internal hourly wage to provide our services out of our Orlando facility has increased by 15.7% over the five-year period excluding benefits. Additionally, our rent, liability insurance, workers compensation and employee benefits have also increased significantly over the five-year period.

We are interested in exercising a (1) 3-year renewal option as noted in the contract but because of the significant increases in our costs, we will require a 3 % increase to the price.

I am available at your convenience to discuss our continued partnership. Our team is ready to make the 2019 event the best yet.

Sincerely,

John Campanelli
Chief Executive Officer
