MEMORANDUM

TO: **Competitive Sealed Proposal Evaluation Committee ("CSPEC")**

FROM: **Gregory Pease, Chief of Procurement**

DATE: **September 6, 2016**

RE: **REQUEST FOR APPROVAL TO UTILIZE COMPETITIVE SEALED PROPOSAL PROCESS**

Pursuant to Chapter 126, Part 2, § 126.204, approval is requested to utilize the Competitive Sealed Proposal process to formally procure services for **Household Hazardous Waste Debris Management for Duval County.** As a follow-up to the same, the CSPEC is now requested to review and approve the solicitation documents attached hereto.

More specifically, the CSPEC is requested to review and approve the evaluation criteria as outlined in the attached Request for Proposal ("RFP"). Procurement's review in this matter has revealed that:

The attached Certification Letter and the Scope of Services received from the using agency appear to be in order.

The RFP **has been** reviewed and approved by Risk Management regarding insurance and indemnification requirements.

The RFP **has been** reviewed and approved by EBO regarding JSEB participation goals and EBO recommends: Encouragement Program

It is requested that the CSPEC take these issues into consideration in its review and/or approval in this matter.

Subject: Household Hazardous Waste Debris Management for Duval County

---

Please take appropriate action to issue a Request for Proposal (RFP) for the referenced services based on the attached scope of services.

The following information is furnished in accordance with chapter 126.204 of the City Ordinance Code.

The purpose of this request is to ask permission to utilize a Competitive Sealed Proposal Evaluation Committee (CSPEC) process for the procurement of City services from a contractor to remove household hazardous waste materials (HHWM) from the waste stream in the event debris is generated from a natural or man-made disaster within the boundaries of Duval County. The City anticipates the selected contractor will remove all HHWM from the waste stream or debris materials for transport, treatment and disposal that is not vegetative debris. The selected contractor may be required to remove, segregate, treat, containerize, transport, etc. as applicable, all of the HHWM from within the rights-of-ways, City property and from designated storage areas (brought by others) defined in the City's Storm Debris Plan

The objective of the services requested will establish a service to remove "White Goods" from locations impacted by a man-made or natural disaster.

The proposal will provide qualification information that will allow the city to select the best equipped and qualified vendor to locate and be prepared to handle debris from a disastrous occurrence.

The subcommittee members for the evaluation are as follows:

Tom Fallin, P.E. Chief of Engineering.....255-8710
Department of Public Works

Will Williams, Chief of Solid Waste.....255-7512
Department of Public Works

Dinah L. Coleman-Mason, Manager, Special Projects.....255-8728
Department of Public Works (non-evaluator)

Thank you for considering our request.
