SUBJECT: CDB-0006-16 – Design-Build Services - Horizontal & Civil Engineering – JTA Park-n-Ride Lots on Southbank AMENDMENT 5C

In accordance with Design/Build CDB-0006-16, Contract 6533-54, the subject project was awarded by Amendment 5A in the amount of $27,908.48 to provide survey and evaluation services. Amendment 5B provided 60% design associated with ADA improvements and 100% lighting design for existing parking lots. Amendment 5C is to provide 100% ADA improvement design and construction for Lot #1 as well as the 100% lighting design and repairs for the former JTA Park-N-Ride Lot #1 and #2, located on the South Bank beneath the Acosta Bridge. Negotiations have resulted in the GMP amount of $296,658.96, which includes $10,000.00 contingency, as indicated on the attached Scope & Fee Summary, Exhibit G-3 and allowing for the completion of the work within 180 days from notice to proceed.

Accordingly, this is to recommend that Contract No #6533-54, Amendment 5A, originally executed September 20, 2017, between the City and J. B. Coxwell Contracting, Inc. for JTA Park-n-Ride Lots on Southbank, be amended to incorporate the attached Scope and Fee Summary, Exhibit G-3 to increase the GMP amount by $296,658.96 to a new GMP amount of $364,572.61, known as Amendment 5C.

To be encumbered as follows:

DICP32UTID-06505-DI0100-01	$296,658.96
TOTAL	**$296,658.96**

Re: Scope of Services and Fee Proposal for 100% Design & Construction Associated with ADA Improvements at Lot # 1, & 100% Lighting Design/ Repairs for Parking Lots 1& 2 @ former JTA Park-n-Ride Lots on Southbank
Design-Build Construction Delivery for City of Jacksonville-RFQ CDB-0006-16
City Contract No. 6533-54

Dear Mr. Kent:

J.B. Coxwell Contracting, Inc. (JBCCI) is pleased to submit for your review and consideration the following design-build scope of services and attached fee proposal for the 100% ADA improvement design and construction for lot # 1, as well as the 100% lighting design and repairs for the former JTA park-n-ride lot # 1 and 2 located on the Southbank beneath the Acosta Bridge. The proposed scope of work will consist of the following items:

Based on the above, Our Design-Build Team proposes the following scope of services:

- GAI will develop 100% ADA improvement design plans for parking lot 1, based on the approved 60% design plans previously submitted to the COJ. We will not obtain 10 Set approval with the plans, rather we will provide enough detail to obtain a ROW permit with the COJ (will require COJ Public Works Engineering Assistance)
- J.B. Coxwell Contracting, Inc. will construct the ADA improvements required for parking lot 1
- J.B. Coxwell Contracting, Inc. will have the lighting repaired in parking lot 1 & 2 based on the 100% design plans previously developed by our DB team

Items not included in this scope of services:

- Utility relocation design.
- COJ 10 Set Permitting, FDOT Permitting
- Landscape/hardscape/irrigation design.
- Tree Mitigation Calculations and Permitting (None Anticipated.)
- Construction QC Management or Construction Inspection.
- Any other design or construction services not specifically itemized herein.

JBCCI Fees for the above referenced scope of work – 1 Lump Sum $ 296,658.96

The above scope of work does not include any corrective actions or construction activities related to the other JTA Park-N-Ride parking lots. The design and construction services will be completed within one hundred eighty days (180) from notice-to-proceed. This lump sum proposal includes a project contingency of $10,000.00. The project contingency is for project elements which have not been fully designed and permitted, and which may increase in quantity or cost during the final design phase or during construction. The project contingency is for the Design-Builder's benefit and not for changed field conditions, unknown field conditions or added scope of work.

This lump sum amount is inclusive of only those services noted above, included in GAI's proposal (dated 11-14-18), Miller Electric's proposal (dated 10-16-18), and which are anticipated at this time. No services or work other than those noted in the proposals are included. In addition, any unknown condition(s) which may surface during design and construction or any other increase in scope of services may result in a request for additional services. No work will proceed however, without first obtaining approval from the City for any additional services.

We are again very appreciative of the opportunity to provide you with our design-build services. Should you have any questions or need any further information, please do not hesitate to contact us. We are also available to review and discuss this proposal with you and/or others at your convenience.

Regards,
J.B. Coxwell Contracting, Inc.
