RE: Bid SC-0383-23 JFRD Pharmaceuticals

To Whom it May Concern:

Bound Tree would be like to move forward with the renewal of the above referenced contract for the renewal period of June 29th, 2024 through June 28rd, 2025. As part of the contract renewal, we would need to amend some of the contract pricing.

Several key supplier partners have notified us of recent price increases. These were nationwide increases, not just increases for Bound Tree. There are a few items on the contract affected by these increases. As a result, we are requesting a contract amendment to adjust the contract prices impacted to reflect the direct pass-through of the manufacturer increases that cannot be absorbed. Manufacturer and Industry-Wide price change letters included.

There is no action you need to take if you accept the increases and substitutions; your contract will be amended, and you will continue to have access to the products. If you do not accept the current increases, please notify us on or before June 28th, 2024, and the items will be removed from your contract.

We have attached a copy of the pricing in PDF and Excel format for ease of review. Thank you for your unwavering commitment to serving your communities and allowing us to be your trusted partner. We appreciate your partnership and your understanding of this situation. If you have any questions regarding these contract price changes, please reach out to your Bound Tree Account Manager or Contracts team by phone or email.

Sincerely,

Dee McCoy
