RE: 2020 Agreement to Extend Contract - Senior Services Homemaking Services

Dear Mr. Jones,

Thank you for contacting me today. Please accept this revised Letter of Intent from PRAC Holdings, Inc. dba Arcadia Home Care & Staffing as our commitment to provide continued services under the 2018 Senior Services Homemaking Services Contract Bid # SC-0477-18 for the period of service of June 6, 2020 through June 5, 2021. We are agreeable to continue (extend) the current contract for Homemaker Services at the increased rate of $20.35/hour. All other contractual terms and conditions would remain in place.

We are requesting this rate increase to support program costs that we have already incurred, and will continue to incur. More specifically,

- Covid-19 has brought additional expenses for health care agencies in order to recruit excellent professionals and deliver high quality service. We provide PPE such as gloves, masks, and hand sanitizer for all of our homemaker staff under this contract. As a result, there is an overall cost increase for our Homemaker Service Program.
- Administrative costs allocated for the dedicated Service Coordinator and merit increases for our current Homemaker Staff have resulted in an overall cost increase for our Homemaker Services Program.
- The State Minimum Wage was increased effective January 1, 2020. The increase has resulted in employers in and out of health care raising wages. As a result, our starting rates must be above the current minimum wage to remain competitive.

In summary, we are requesting the increase to support the high quality and reliable homemaker services that we provide to the City of Jacksonville through competitive wages, retention programs, and increased costs due to Covid-19.
