SUBJECT: P-67-17 CEI Services for Fire Stations and Misc. Vertical Construction

---

The subcommittee received three (3) proposals for evaluation for the subject project and found it to be responsive, interested, qualified and available to provide the services required by the RFP. A request was submitted to and approved by the Professional Services Evaluation Committee to allow grading of the two proposals.

The proposals were evaluated using the criteria outlined in the Purchasing Code as augmented by the RFP (see attached matrix).

Based on the above, the following firms listed alphabetically were determined to be the most qualified of those submitting proposals. The ranking of first, second, and third designates the order of qualification of these firms to perform the required services.

2. Construction & Engineering Services Consultants, Inc.
3. Keville Enterprises, Inc.
1. VIA Consulting Services, Inc.

We recommend that the above list be forwarded to the Mayor for final selection.
