To abide by Chapter 119, Florida Statutes, as amended from time to time, a copy of which can be obtained online at http://www.leg.state.fl.us/Statutes/ and which by this reference is made a part hereof and incorporated herein, by considering all documents relative to this Agreement and the funding hereunder to be public records, as defined in said Chapter 119, Florida Statutes; and

3. To obtain permits, as may be required, from the State of Florida and the City of Jacksonville and abide by all applicable state laws and local ordinances, as amended from time to time; and

4. To return to the City within fifteen (15) days of written demand therefor all City Funds paid to the Recipient under the terms of this Agreement upon the City's (including, but not limited to the City Council or any other department, division or office of the City) finding that the terms of this Agreement, the provisions of the Ordinance appropriating funds to the Recipient, or the provisions of said Chapter 118 have been violated by the Recipient, including but not limited to making the disallowed expenditures, as specified in Chapter 118, Parts 3 and 4, *Ordinance Code*; and for the cost of required audits, which are specifically disallowed by this Agreement.

5. Recipient shall maintain a separate bank demand account and/or time deposit account and deposit and keep all City Funds received and no other funds in accounts and make all disbursements of City Funds from said accounts. Recipient shall maintain a separate budgetary accounting system so that the receipt and disbursement of City Funds can be accurately and adequately determined by reference to the book of accounts of the Recipient and a separate bank account need not be maintained.

In using one of the above stated methods, if Recipient opts for deposit in an interest-bearing account, Recipient shall report to the City, with all other information provided monthly, the amount of interest earned, the amount of interest received, and the use made of such interest. Any interest earned on City Funds provided pursuant to this Agreement can be spent only on items already in the Recipient's approved budget.

6. To consent to:

7. Recipient's violation of any of the provisions contained herein, including the failure to adhere to the auditing or reporting requirement of this Agreement or Chapter 118, *Ordinance Code,* shall be a material breach of this Agreement and may result in immediate termination of this Agreement and return of all funding, in the sole discretion of the City, notwithstanding any other provision of this Agreement to the contrary. Such refund shall be made in accordance with Section II.B.4 of this Agreement.

III. ASSIGNMENT AND SUBCONTRACTS

A. The Recipient shall not assign any rights or duties under this Agreement to any other party not specifically identified in the application for funding without the prior written permission of the City. If the Recipient attempts to assign any rights or duties without securing prior written permission, this Agreement shall be declared void by the City and the Recipient thereupon agrees to refund and return to the City all payments made pursuant to this Agreement which are unspent by Recipient at the time of such unpermitted assignment or which were spent by Recipient subsequent to said unpermitted assignment. Such refund and return shall be made within five (5) business days from demand.

B. The Recipient shall not enter into any subcontracts for any of the Services contemplated under this Agreement without obtaining the prior written approval of the City, which written approval shall be attached to the original Agreement and subject to such conditions and provisions as the City may deem necessary; provided, however, that notwithstanding the foregoing, unless otherwise provided herein, such prior written approval shall not be required for the purchase by the Recipient of such articles, supplies, equipment, and services which are both necessary and incidental to the performance of the Services required under this Agreement; and provided further, however, that no provision of this clause and no such approval by the City of any subcontracts shall be deemed in any event or manner to provide for the incurrence of any obligation of the City in addition to the total agreed upon price contained herein.

IV. EFFECTIVE DATE/TERM OF AGREEMENT

This Agreement shall become effective upon full execution by both parties, and shall continue in full force and effect as to all its provisions, terms and conditions until the 30th day of September 2022 (the "Term") unless sooner terminated with or without cause by either party, by giving thirty (30) days' prior written notice of such termination to the other party unless both parties mutually agree upon a lesser time in writing. In the event that this Agreement is terminated early by either party, any funds in the possession of Recipient that are unspent and/or unencumbered at the time of receipt of notice of termination shall be returned to the City within five (5) business days of termination. Pursuant to the legislative mandate in Section 118.301 (a)(5), *Ordinance Code*, all funding provided pursuant to this Agreement shall be spent or otherwise encumbered during the Agreement term ending September 30, 2022. Any such funds not spent or otherwise encumbered shall be returned to the Department, as provided in Section 118.301(a)(5), *Ordinance Code*, and Section XVI of this Agreement, for deposit into the City's general fund.

V. PAYMENT

A. The City agrees to pay the Recipient the total amount of **EIGHTY-FOUR THOUSAND EIGHT HUNDRED SEVENTY-FIVE AND 00/100 DOLLARS ($84,875.00)** for the Program (the "City Funds"). Such total sum shall be payable within thirty (30) days of full execution of this Agreement. Notwithstanding the foregoing, all accounting, submittals, and/or financial reports must have been approved and accepted by the City as true and correct no later than November 15, 2022, in order for the Recipient to receive any remaining payments for the Services performed during the grant period prior to October 1, 2022.

B. Except for the limited exception in Section XXVII of this Agreement, any costs of the Services paid for under any other agreement or funding source are not eligible for payment under this Agreement. Violation of this clause will constitute a material breach of this Agreement and shall stand as grounds for the City's withholding of funds from any source under this Agreement or any other agreement and, notwithstanding any provision in this Agreement or in any other agreement to the contrary, shall allow for the immediate termination of this Agreement upon twenty-four (24) hours' written notice, and shall require the return of all City Funds paid to the Recipient under this Agreement upon demand by the Director of the Department or his/her designee. Violation shall also be reported to any federal, state, or other funding sources for investigation.

C. **Suspension of City Funds**: In the event that the Recipient comes under investigation by any government or funding agency for activities, including, for example, but not limited to, (i) misuse of City Funds, (ii) improper accounting for City Funds, (iii) multiple billing of the Services or clients to one or more funding sources, or (iv) any other improper activities, all City funding under this Agreement may be suspended in the sole and exclusive discretion of the City until such time as the said investigation has been resolved in Recipient's favor or the alleged misuses have been satisfactorily explained to the Council Auditors.

i) If said investigation has been resolved favorably to the Recipient, or if, prior to such resolution, the Recipient's explanation of the circumstances has been accepted by the Council Auditor as satisfactory, then all suspended funds subject to this Agreement will be paid, as appropriate.

ii) If, on the other hand, the said investigation has been resolved adversely to the Recipient, or if, prior to such resolution, Recipient's explanation has not been accepted by the Council Auditors as satisfactory, then this Agreement shall be immediately terminated, notwithstanding any provision in this Agreement to the contrary, and all suspended funds shall become disencumbered and shall be returned to the general fund of the City. Furthermore, in the event of such adverse resolution, Recipient shall return to the City all such misused funds, all such improperly accounted for funds, and all such funds subject to multiple billings.

iii) In the event the said investigation extends beyond the expiration date of this Agreement, as specified in Section IV, then the City will seek legislation to avoid lapsing of funds and this Agreement will continue on a month-to-month basis, only with respect to the suspended funds, in order that such funds will not be disencumbered and returned to the City's general fund by the passage of time.

D. The Recipient shall execute the "Certification of Additional Funding Sources" attached hereto as **Exhibit B** and incorporated herein by this reference.

VI. TECHNICAL ASSISTANCE

A. The Recipient shall notify the City if sufficient staff, facilities, and equipment necessary to deliver the Services for the Program cannot be maintained. Failure to notify the City of any such deficiencies or to adequately maintain sufficient staff, facilities, and equipment necessary to provide the Services after a reasonable period given by the City to cure (in no event longer than five (5) business days to cure) shall be a material breach of this Agreement and grounds for termination, upon twenty-four (24) hours' written notice.

B. As a provider agency of the City, the Recipient agrees to participate in all City meetings and any other community activities reasonably requested by the City.

VII. PROGRESS REPORTS/ FINANCIAL REPORTS/PROGRAM MONITORING

A. The City's Contract Administrator will be responsible for monitoring the administrative and programmatic functions of the provisions of this Agreement. The City's

Contract Administrator for this Agreement will be the Director of the City's Office of Special Events or other appointed designee.

B. Recipient agrees to provide the City's Contract Administrator, or his/her designee with an annual narrative progress report on the Program described in **Exhibit A** and shall include basic statistical information relevant to the Program. Report forms are attached in **Exhibit A**. The narrative Program report is due on October 10, 2022.

The Recipient shall provide the Contract Administrator with a financial report along with the annual narrative progress report during the term of this Agreement on the same due date as the annual narrative progress report, which shall include a statement of expenditures made in each budget category and line item identified in the Recipient's budget attached in **Exhibit A**. Failure to submit required reports and documents shall result in a temporary hold on financial reimbursements until reporting is current.

C. The City's Contract Administrator or designee, annually, as outlined in **Exhibit A** will monitor the Program Goals and Objectives. The City's Contract Administrator will determine if the Recipient's stated Program Goals and Objectives have been met or if sufficient progress has not been made toward meeting said Goals and Objectives. Failure of the Recipient to at least maintain sufficient progress in these areas may be grounds for termination of this Agreement.

D. The Office of Special Events shall have the absolute right, at all times, during Recipient's normal business hours, with or without notice, to enter the Recipient's administrative and programmatic premises for the purpose of conducting on-site evaluations of the administrative and programmatic functioning of the funded program/agency. Failure of the Recipient to allow the Office of Special Events and/or its authorized representatives to enter its premises shall be a material breach of this Agreement and, notwithstanding any provision of this Agreement to the contrary, shall stand as grounds for the withholding of funds from any source under this Agreement or any other agreement and for termination of this Agreement, and shall require return to the City of all funds paid to the Recipient under the terms of this Agreement.

VIII. INTEREST OF CITY OFFICERS/EMPLOYEES AND OTHERS

No officer or employee of the City, no members of its governing body, and no other public official of the governing body of the locality in which the Program is situated and being carried out who exercises any functions or responsibility in the review or approval of the undertaking or carrying out of the Program shall participate in any decision relating to this Agreement which affects such person's personal interest or have any personal or pecuniary interest, direct or indirect, in this Agreement or the proceeds thereof.

IX. INTEREST OF THE RECIPIENT

The Recipient covenants that neither it nor any of its officers, board members, or employees presently have any interest and shall not acquire any interest, direct or indirect, which would conflict in any manner or degree with the performance of the Services. The Recipient further covenants that in the performance of this Agreement, no person having such interest shall be employed.

X. PERSONNEL

A. The Recipient represents that it now has, or will hire at its sole expense, all personnel required in performing the Services. Such personnel shall not be employees of or have any contractual relationship with the City.

B. The Services shall be performed by the Recipient or under its supervision, and all personnel engaged in the Services shall be fully qualified and shall be authorized or licensed under appropriate state and local law as necessary to perform the Services.

C. The Recipient represents that it will, at its sole expense, require all staff and/or volunteers who work with juveniles or youth (any unmarried person under the age of 18 years and who has not been emancipated by order of a court of competent jurisdiction) and vulnerable adults (*e.g.*, elderly or physically, mentally, or emotionally disabled, including victims of crime) to submit to a criminal history records check. This applies to all positions involving direct contact with juveniles, youth, or vulnerable adults, with the exception of special event volunteers. For purposes of this Agreement, a special event volunteer is defined as a volunteer committed to assist on a specific event/project lasting less than two consecutive weeks and where duties are performed under supervision of staff or certified volunteer leadership.

XI. RECORDS

A. By the acceptance of the City Funds, the Recipient agrees to adhere to all provisions of the Florida Public Records Law (Chapter 119, Florida Statutes) with respect to the receipt, expenditure and use of public funds from the City. Therefore, except to the extent prohibited by the Health Insurance Portability and Accountability Act of 1996 (HIPAA), a copy of which can be obtained by Recipient online at http://www.cms.gov/HIPAAGenInfo/, which regulations are incorporated herein by reference, as applicable, all the financial, business, and membership records of the person, corporation, foundation, trust, association, group, or organization relative to the grant shall be public records and subject to the provisions of the Public Records Law. Failure of the Recipient to comply with this requirement will constitute a breach of this Agreement and will cause cancellation of this Agreement and require the return of City Funds to the City.

B. The Recipient shall maintain financial and accounting records and conduct transactions in accordance with generally accepted accounting principles and Florida Statutes. These financial records shall be maintained in such a manner so as to permit positive and ready identification at all times of any funds received by Recipient from the City from the time such funds are actually received by Recipient until the time they are actually expended or disbursed by Recipient according to the terms of this Agreement.

C. In addition to other requirements specified in this Agreement, Office of Management and Budget (OMB) Circulars, including A-102, A-87, A-110, A-122, A-133 and A-21, may be used as a guide concerning records to be maintained. The aforesaid records shall be made available for audit, copying, or inspection purposes at any time during normal business hours and as often as the City or the City of Jacksonville Council Auditor may deem necessary.

D. The Recipient shall retain for such inspection all of its records and supporting documentation applicable to this Agreement for five (5) years after receipt of final payment from the City.

XII. AUDIT

A. In accordance with Section II.B.6 of this Agreement, Recipient, at its sole cost and expense, shall obtain a single independent audit of the Program funds annually by an independent certified public accountant not associated with the Recipient or the Program and/or Services herein described, and shall provide the City with an original copy of said audit or audits covering the period specified in Section II.B.6 above no later than one hundred eighty (180) days after the expiration of the City's fiscal year or years covering the aforesaid period.

B. Failure of the Recipient to provide a copy of a duly-executed audit performed in accordance with the preceding guidelines (Section II.B.6) shall constitute a material breach of this Agreement and, notwithstanding any provision of this Agreement to the contrary, shall stand as grounds for the withholding of funds from any source, under this Agreement or any other agreement, and for termination of this Agreement, and shall require return to the City of all funds paid to the Recipient under the terms of this Agreement.

C. If an audit pursuant to OMB Circular A-133 is applicable, City Funds shall not be used to pay for the audit, if said grant involves federal funds of less than $500,000.

D. Notwithstanding any other audit-rights provisions in this Agreement, the following audit-rights requirements are in addition and supplemental to those other audit requirements in this Agreement:

1. The Recipient shall establish and maintain books, records, contracts, subcontracts, papers, financial records, supporting documents, statistical records, goods, services and all other documents, in whatsoever form or format, including but not limited to, electronic storage media (for purposes of this Section XII.D, referred to herein as the "Records") sufficient to reflect all receipt and expenditures of City Funds provided by the City under this Agreement.

2. The Recipient shall retain all Program records pertinent to this Agreement for a period of five (5) years after completion of the Program. If an audit has been initiated and audit findings have not been resolved at the end of six (6) years, the records shall be retained until resolution of the audit findings or any litigation which may be based on the terms of this Agreement, at no additional cost to the City. Records shall be retained for longer periods when any retention period, as a matter of law, exceeds the time frames required in this provision.

3. Upon demand, at no additional cost to the City, the Recipient shall facilitate the duplication and transfer of any records during the required retention period in Paragraph 2 hereof.

4. The Recipient shall provide these records at all reasonable times for inspection, review, copying, or audit by the City.

5. At all reasonable times for as long as the records are maintained, the Recipient shall allow persons duly authorized by the City to have full access to and the right to examine any of the Recipient's records relative to the Program, regardless of the form in which kept.

6. The Recipient, at its sole and exclusive cost and expense, shall provide audits or reports as requested by the City and shall insure that all related party transactions are disclosed to the auditor.

7. The Recipient shall comply and cooperate immediately with any inspections, reviews, and investigations deemed necessary by the City's Contract Administrator.

8. The Recipient shall permit the City to interview any employee's subcontractors and subcontractor employees of the Recipient to assure the City of the satisfactory performance of the terms and conditions of this Agreement. Following such review, if performance of the Recipient is, in the opinion of the City, deficient, the City will deliver to the Recipient a written report of the deficiencies and request for development by the Recipient of a corrective action plan. The Recipient hereby agrees to prepare and submit to the City said corrective action plan within five (5) business days of receiving the City's written report. Thereafter, the Recipient shall correct all deficiencies in the corrective action plan, within five (5) business days from the City's receipt of the corrective action plan.

9. All reports, audits, and other information provided by the Recipient pursuant to this section shall contain the following statement: "*The information provided to the City of Jacksonville in this submittal is submitted under penalties of perjury, under Section 837.06, Florida Statutes.*"

10. To the extent that the Recipient uses subcontractors in the performance of the Services under this Agreement, or assigns this Agreement with prior City consent, the Recipient shall include the aforementioned audit, inspections, investigations, and record-keeping requirements in all subcontracts and assignments.

XIII. BUDGET CHANGES

The approved budget for the Recipient is included in **Exhibit A**. The Recipient can transfer the greater of $2,500.00 or +/- 20% between line items. The Contract Administrator must approve transfers in excess of $2,500.00 or +/- 20% line items, provided the total expenditures shall not exceed the maximum indebtedness of this Agreement. Budget amendments requested by the Recipient must be received in writing and logged in by the Contract Administrator no later than sixty (60) days after the Program event date.

XIV. CONTRACT, SCOPE OF WORK/SERVICES CHANGES

A. The City may, from time to time, require changes in the Services to be performed by Recipient under this Agreement. Such changes, including any increases or decreases in the amount of the Recipient's compensation which are mutually agreed upon by the City and the Recipient shall be incorporated in written amendments to this Agreement signed by both parties' authorized representatives.

B. Any request for change of Service delivery site or the Services provided shall be submitted by the Recipient in writing and approved by the City at least thirty (30) days prior to said changes. Failure to properly notify the City will constitute a breach of this Agreement and will be grounds for termination under Section XVIII.

C. In the event lawfully appropriated funds to finance this Agreement become unavailable, the City may terminate the Agreement upon no less than twenty-four (24) hours' notice in writing to the Recipient. Said notice shall be delivered by certified mail, return receipt requested, or in person with proof of delivery. The City shall be the final authority as to the availability of funds.

D. Should it become necessary for the City to change the designation of the City's Contract Administrator, the City shall use its best efforts to notify the Recipient within forty-eight (48) hours of such change.

V. EQUIPMENT PURCHASES

A.
