AGING TRUE™
Community Senior Services

Agency Overview

Aging True Community Senior Services prides itself on fulfilling its mission "*to provide essential and innovative services and care for individuals, families and communities throughout Northeast Florida to prepare for and support graceful aging*".

We offer home-based services to ensure senior independence in Northeast Florida. We have served hundreds of thousands of seniors, their families and the community in our more than five decades of operation. Through services our professionals develop and administer, we provide seniors with the care and assistance they need to live independently. Our health, nutritional and financial care programs are designed specifically to serve and educate the frail, elderly and disabled in our region, as well as their caregivers and families.

Throughout the years, the organization has expanded to meet the needs of the community and in 1991 was designated as the Community Care for the Elderly lead agency in Duval County. Aging True has grown into a large non-profit provider of senior services and a leader in enabling home-based care allowing for Jacksonville seniors to remain safely in their homes. Over the past 53 years, Aging True has an offering of 17 programs with over 150 employees and over 400 volunteers who work together to serve the thousands of clients we serve.

Specifically, Aging True nutrition programs have track records of success, demonstrated effective evidence-based practices, attracted a broad base of support from federal, state, city and private contributions, as well as maintained strong leadership and proven accountability.

Meals on Wheel Scope of Work

Aging True has been **designated** as the Lead Senior Service Provider for Duval County by the Area Agency on Aging, ElderSource since 1991. As the Lead Agency in Duval County, Aging True is the official overseer and operator of the Older American's Act Title III Meals on Wheels program.

Aging True Meals on Wheels prepares hot, nutritious, healthy meals for homebound individuals to reduce isolation, increase nutrition and health, and provide contact for isolated seniors. Nearly 70% of the Meals are delivered Monday – Friday, 252 days a year, by dedicated staff. And the balance of the meals are delivered by over 400 committed volunteers who work through 21 coordinated drop sites and in all ZIP codes in Duval county.

Meals are prepared in Aging True's commercial kitchen under the direction and guidance of a Registered Dietician who certifies that all menu items and meals meet recommended dietary requirements. Our Registered Dietician assists with planning and developing our menu which is designed for a community-dwelling senior population. Each meal is planned with variety, population preference and seasonal likes/dislikes in mind. With our fleet of seven specialized delivery vehicles that maintain food temperatures, our meals arrive hot and ready to eat. Although very resource-intensive, this element of our program is vital!

Participants enrolled in Aging True's Meals on Wheels program have been certified by Aging True staff ensuring their eligibility for the program. Full-time Certification Specialists conduct

telephone, in-home, initial and annual assessments, to verify a client's eligibility under all of our program guidelines to ensure the neediest are served first.

City of Jacksonville's Investment to Senior Nutrition

By designating funding for Meals on Wheels, the City of Jacksonville demonstrates its commitment to ensuring the health and well being of Duval County's most frail population of homebound elderly. Without permanent funds to serve the ever-increasing number of seniors receiving Meals on Wheels in Duval County and attend to our growing waitlist of more than 1000 seniors, the Meals on Wheels program will never be as effective as it needs to be – an issue that we are now working towards changing due to the City of Jacksonville's help!

Supporting Aging True's Meals on Wheels program will be highly cost-effective for the City of Jacksonville. Seniors remain in their homes with improved nutrition and decreased isolation while the City of Jacksonville benefits from decreased utilization of long-term skilled nursing facility stays often inhabited by this identical population of vulnerable, homebound seniors.

The City of Jacksonville has designated $150,000 for Aging True's Meals on Wheels program. The City's commitment will allow Aging True to provide approximately 25, 860 meals. Aging True will provide the meals at a rate of $5.80 per meal which includes food cost, employee compensation and vehicle maintenance and fuel (see attached budget detail for breakdown of associated expenses).

Aging True will submit an invoice to the City of Jacksonville on the first day of the month for the previous month's meals. All invoices will include supporting documentation for meal count including the names and addresses of clients receiving meals via this funding source.

Signed,

Teresa K. Barton 12-12-19

Ruben/Sokkhar
This should be a single source purchase will require GGAC approval unless Adebisi has an Executive Order or Ordinance that has already been approved then only an administrative award will be required. Because it has already been approved by Mayor's Office and OGC.
Thanks

Hi Adebisi,

Regarding the attached memo request, procurement will process administrative award or GGAC award thru PO if this goes thru competitive solicitation via bidding, single source with valid justification or other exemption with authorized legislation. Kindly let us know which process. I included also my supervisor on this email thread if there's a need for further clarification.

Thank you,

Hi Adebisi,

In reference to the attached memo, is there previous contract award for this one?
Period of Service is Oct. 1, 2019 to Sept. 30, 2020?
Is this different from SC-0341-20?
Please clarify.
