Receipt, Processing and Sale of Residential Recycling Materials

Bid No.:	SC-0460-17
Bid Date:	May 10, 2017
Award Amount:	$2,852,990.00

The Solid Waste Division (SWD) respectfully requests an increase to the annual contract amount tonnage for the Receipt, Processing and Sale of Curbside Recycling Materials collected from the City of Jacksonville residential premises from the City's and the three residential solid waste contract haulers. The additional tonnage is needed due to the increase in the percent contamination within the recyclable materials that cannot be recycled above the 10% contained in the RFP SC-0460-17. The vender requested and demonstrated to the SWD the increase in percentage (+/19%) pursuant to the method outlined in the RFP.

Therefore, the Solid Waste Division of the Department of Public Works recommends the annual tonnage be increased to 53,000 tons at the current rate of $53.83/ton which will increase the annual funding amount to $2,852,990.00. Also please note, the cost per ton the City pays to the vendor will be off-site by the amount of the revenue the City receives from the vendor for the sale of the recyclable materials. The upcoming FY 2021-2022 will be the fifth (5th) and final year of the base contract period and there will be two (2) more, one (1) year renewal options available for this contract. Sufficient funding for this award is available in 43102.157006.534070.000000.00000000.00000.0000000.
