Team,

Thanks for your patience regarding the **CAPITALIZE JAX at TPC for 2020**. As you all will agree the original proposal was not what the collective group desired. I have worked with their team to provide us the best possible experience, which benefits the goals of each organization.

One thing to note is the pricing has gone up for a private hospitality venue. Our one year commitment is $140,000 (this does not include an additional $5,000 for a separate event for City of Jacksonville's Mayor's Economic Impact Event. This will be budgeted through COJ and not impact our partners). With the price increase this year, we have asked all of our partners to consider increasing their investment, and we are thankful for all of you for doing so. The 2020 investment breakdown is as follows:

Capitalize JAX Hospitality Program 2020

Subject: FW: TPC Activation- OED Support

Good Morning Wendy, Please see trailing email. Sports and Entertainment is requesting that OED provide $5,000 toward the COJ TPC hospitality suite this spring. Please provide the account number for the $5,000 as I am currently preparing the required single source award request and need to include accounting information.

Thank you,

Ryan,

We should be good on this. Please have your Finance person work with Wendy Khan in my office when it is the appropriate time.

Thanks.

Kirk,

With the budget increase for FY 2020, is there a chance that your department can assist with a $5,000 increase. Sports is paying $80,000 (up $5K from last year). The additional funds will help to support the Mayor's event which is on Thursday evening.

Regards,
Ryan
