RE: Cedar Point Trail Pedestrian Bridge

Bid No.:	CF-0196-17
Bid Date:	July 19, 2017
Award Amount:	$487,899.64
Internal Services Account No.	PWEN011AD

The Department of Public Works reviewed and tabulated the three bids received on the referenced project. The lowest bidder for this project was Baker Klein Engineering, P.I. However their bid was considered non-responsive because they are not prequalified with the Florida Department of Transportation (FDOT) to perform minor bridge construction projects as per the specifications. In addition they failed to submit all the required forms with their bid submittal. The second low bid by S. E. Cline Construction, Inc. has been reviewed and accepted by FDOT. In addition, Public Works has confirmed through www.myfloridalicense.com the appropriate licenses for this contractor and listed subcontractors, if applicable. The project was bid as encouragement.

Accordingly, we recommend that the low bid by Baker Klein Engineering, P.I., Inc. be rejected and that award for the Cedar Point Trail Pedestrian Bridge be awarded to S. E. Cline Construction, Inc., 2 Pine Lakes Parkway Suite 3, Palm Coast, FL 32137 in accordance with the attached bid documents in the amount of $487,899.64.

Total funding for this project should be encumbered by contract as follows:

ACCOUNT NO.	ENCUMBERED AMOUNT
RPCP331F5720-06505-PR0023-05-PRC138-16	$418,778.00
