B. BASIS OF AWARD

The project may be awarded to the lowest responsive, responsible Bidder, or the project may be awarded to both the lowest and second lowest responsive, responsible Bidders with the lowest Bidder being designated the "Primary Contractor" and the second lowest Bidder being designated the "Secondary Contractor" for the Total Lump Sum Bid amount submitted by each bidder. Each award is contingent on the availability of funds within the project's approved budget.

If the City determines that the Primary Contractor is unable or is unavailable to perform a specific project within the timeframe established by the City, and the Primary Contractor submits, in writing, its inability to perform the work, then, at the discretion of the City, the City may assign the specific project to the Secondary Contractor using the unit prices established in its bid.

C. REVISIONS OF BID PROPOSAL FORM

Request for revision of the Bid Proposal Form must be made to the Procurement Division at least ten (10) days prior to date of opening of Bids. Revision of the Bid Proposal by the Bidder will void the Bid.

D. CONTRACT EXPIRATION DATE AND CONTRACT EXTENSIONS

The Contract expiration date shall be established as follows:
