The City reserves the right to make the final determination as to whether products are considered standard, as well as the right to **ADD** or **REMOVE** items as needed during the contract period.

The basis of award is by group to the lowest responsive, responsible bidder. Bidders **MUST** bid on all items in a group to be considered for award of that group. Bidders are to provide one quote for each item. Providing **MORE** than one quote for any item is just cause for the bidder to be rejected for that group. Freight for all orders shall be the responsibility of the vendor and should be factored into the items quoted on. All awards are subject to availability of funds.

Bidders must provide validation that they have been in the business of providing these items and similar janitorial products for a minimum of twelve (12) months prior to the bid opening date. The **REQUESTED** information shall be returned within the sealed bid packet.

Bidders **MUST** maintain a warehouse, and must have stock of at least 50% of the items specified herein (or equivalent items) at the time of bid submission. Ninety (90) percent of all orders must be delivered within three (3) to five (5) business days of receipt of Purchase Order and **NO** backorders shall extend beyond ten (10) business days. The items to be purchased against this solicitation are utilized citywide. The expectation **IS** that the successful bidder will maintain sufficient stock in order to facilitate delivery within the specified timeframe. Should the awarded bidder fail to deliver as required, the City reserves the right to make necessary purchases outside of the contract. Continuous failure to deliver product as specified above will be considered justification to rescind the contract and award to the next responsive, responsible bidder.
