Dan,
Good afternoon. Please see Captain Miller's e-mail thread below. The awarded vendor for Bid SC-0369-23 Group 5, Ever Ready First Aid has now stated they can no longer provide the correct item. However, the next lowest vendor, Quadmed has confirmed they can. Can you please prepare the re-award letter to send this Bid/Group back to awards next week so the correct item can be purchased? Thank you!
Tami

Hi Tami,
What do we need to do to get this re-awarded to the next lowest vendor? I believe QuadMed was next and they bid correctly and will ship as requested with the PEEP valve pre-attached as requested by the Medical Director.

EverReady did not bid the correct product appropriately. POA-70548-23 SC-0369-23

Good afternoon,
I just checked with O-Two on these Smart bags, these are now sold without the peep valve attached. They do not see them as a combo anymore.
Do you still want the bag valve mask?
