To: Sheryl Kurtz

Equipment Procurement Coordinator

City Of Jacksonville

Dear Ms. Kurtz,

We would be happy to accept the City of Jacksonville's offer of the second renewal option for Bid #SC-0417-17 for the rebuilding of transmissions under the same price, terms and conditions of the original bid with the following exception shown below:

Item #13 - GM6L90E Transmission (this transmission is in the Rescue Units)

Due to the poor design of this transmission by General Motors and the fact that said transmission is at it's maximum capabilities in the Rescue Units due to their weight and use, we are experiencing an increased number of parts required to rebuild same. General Motors and all other aftermarket suppliers have increased the cost of various components on this model of transmission and have been having issues with keeping adequate replacement parts in stock due to the large number of failures.

We would therefore respectfully request an increase in our bid price from $1,688.00 to $1,998.00 which is $310.00 or 18.36% and an exemption from the 48 hour requirement on this item only. This is still $301.99 or 15.1% lower than the next lowest bidder on the original bid.

The prices, terms and conditions shall remain the same on all other items on the original bid.

Thank you for the opportunity to continue our excellent working relationship with Fleet Management and the City of Jacksonville for the ninth year in a row!

Shannon Miller
