MEMORANDUM

TO: Greg Pease, Division Chief
Procurement Division

THRU: John Pappas, Director
Public Works Department

FROM: Dave McDaniel, Division Chief
Mowing and Landscape Maintenance Division

DATE: August 28, 2017

SUBJECT: **Recommendation of Award**

Bid Name: Herbicide Spraying of Outfall Ditches
Bid No: Bid No. CS-0226-17
Award Amount: $362,766.20

The Procurement Division received three (3) bids for the above project. The following vendors were disqualified for the following reason(s) noted below:

Vendor	Bid Amount	Reason for Disqualification
McCall Service, Inc.	$343,842.72	Failure to meet the required past performance requirements as set forth in the Pre-Qualifications. Failure to submit required Crewleader Right of Way and aquatic certification.
Deans Environmental, Inc.	$318,041.60	Failure to meet the required past performance requirements as set forth in the Pre-Qualifications. Failure to submit required Supervisor and Crewleader Right of Way and aquatic certification. No equipment list. No proof of local office or facility submitted. No documentation of Commercial Liability, Auto Liability or Workers Comp insurances submitted.

The following vendor is qualified and available to provide the services required by the bid specifications:

Vendor	Bid Amount
Orem Enterprise LLC, dba Pestmaster Services of Jacksonville	$362,766.20

The Mowing and Landscape Maintenance Division of the Department of Public Works has reviewed the qualified bid and has determined that Orem Enterprise LLC, dba Pestmaster Services of Jacksonville, has submitted the most responsive total bid of $362,766.20.

Therefore, the Mowing and Landscape Maintenance Division recommends award to Orem Enterprise LLC, dba Pestmaster Services of Jacksonville, 5535 Shad Rd., #41, Jacksonville, FL 32257, in the amount of $362,766.20.

Funds will be encumbered by a release under a Master Blanket Order using accounts PWML461SW-03410 and PWML011-03410.

This award is subject to appropriation by the City for FY2018, beginning October 1, 2017. To date, no funds have been appropriated.

The City has no obligation for payment and work hereunder is not authorized unless funds are appropriated for the work herein. A written notification will be provided in the event the funds are appropriated.

Should you have any questions or require additional information concerning this recommendation, please feel free to contact Jud Miller at 255-4306 or via email at jimiller@coj.net.

confirm conformance with the specifications before awarding the PROJECT to the lowest responsible BIDDER.

Submittal: Submit a list the BIDDER's equipment proposed to be used. Also, submit a separate list of equipment that is owned or leased by each sub-contractor performing part of the contract work. For each piece of equipment, show registration, name and model number, manufacturer, year of manufacture, and date purchased or leased. If the equipment is leased, include the name and phone number of the lessor.

5. BIDDER must own, lease or rent an interior office space and a warehouse or outdoor storage yard to contain the equipment required by this contract at the time of the Award. The office and equipment storage must be at a location zoned for commercial or industrial use in the city/county where it is located. The CONTRACTOR must have a local office located in Duval, St. Johns, Nassau, Baker or Clay County with a local or toll free telephone number, cellphone number, and email address, at which he/she may be contacted.

   Submittal: Submit address of facility and proof that the facility is owned, leased, or rented by the BIDDER.

C. BASIS OF AWARD

The project may be awarded to the lowest responsive, responsible Bidder contingent on the availability of funds within the project's approved budget. The corrected extended prices of the Total Lump Sum Base Bid will be used to determine the lowest qualified Bid. Proposals in which the prices obviously are unbalanced will be rejected. The City has the right to reject any or all bids.

If there are errors in the price extensions or in the total amount for any base bid, unit prices shall prevail, with the corrected base bid being used to determine the lowest qualified Bidder. The award of the contract will establish the Contractor and the unit prices which will be used during the life of the Contract.

The award will not be made until the CITY has completed all necessary investigations to determine if the low BIDDER is qualified to do the work and has the necessary organization, capital and equipment to carry out the contract.

D. REVISIONS OF BID PROPOSAL FORM

Request for revision of the Bid Proposal Form must be made to the Procurement Division at least ten (10) days prior to date of opening of Bids. Revision of the Bid Proposal by the Bidder will void the Bid.

E. CONTRACT EXPIRATION DATE

The Contract shall be for one (1) year beginning on October 1, 2017, unless the start date is modified by the CONTRACT MANAGER. The contract may be extended three (3) times for a one (1) year period by mutual agreement of both parties, provided funds are available.

The Contract will be issued in the form of a Blanket Purchase Order once the work has been awarded and the CONTRACTOR has submitted the required Insurance Certificates and other requested documents.

F. BID CHANGES

No changes in the amount of Bids appearing on the outside of Bids will be considered. Only the amounts shown on bid documents inside the envelope will be considered. All changes, corrections and erasures must be initialed by the person signing the bid.

HERBICIDE SPRAYING OF OUTFALL DITCHES

SECTION 30

SCOPE OF WORK

30.1 SCOPE

The work covered by these specifications consists of furnishing all equipment, labor and materials and performing all operations necessary to kill vegetation in outfall ditch bottoms using non-selective herbicides, and to selectively kill undesirable vegetation, including broadleaf and woody plants, along ditch banks using selective herbicides on a scheduled basis during length of the contract. In addition, the CONTRACTOR MANAGER may choose to chemically treat undesirable vegetation in roadside ditches, rights-of-way, easements, paved areas and individual parcels selected by CONTRACT MANAGER. In order to provide these services, the CONTRACTOR must be a Certified Pest Control Operator licensed in the State of Florida. The CONTRACTOR shall base its bid upon a chemical application necessary to kill undesirable vegetation, and to protect existing desirable vegetation identified by the CONTRACT MANAGER. The CONTRACTOR shall be responsible for the replacement of desirable vegetation damaged or killed by its misuse or misapplication of the chemicals.

30.2 WORK SITES

The work sites are outfall ditches maintained by the City. Appendix A lists the work sites and locations that may be assigned to the CONTRACTOR. This list is supplied to the CONTRACTOR to give an idea of the type and locations of ditches that may be assigned for treatment. The list does not commit the CITY to assign work to the CONTRACTOR at any or all of these locations. In addition, the CITY may select certain roadside ditches, pond and canal banks, side drains, drainage structures, and paved areas for herbicide treatment to remove undesirable vegetation.

30.3 INTENT OF CONTRACT DOCUMENTS

It is the intent of these Contract Documents to establish the type, scope and quality of landscape maintenance required by the City. It is not the intent of these Contract Documents to minutely define every detail of maintenance, but rather, to set fourth rational and reasonable criteria for the required maintenance described in the specifications.
