Re: <u>SC-0253-17 Purchase of Motor Vehicles City Wide</u>

The Fleet Management Division is requesting to reject all bids for Groups 1, 2, 3, and 4 of this solicitation. The responses received for these four groups exceeded the council approved budget for these vehicles. Fleet Management will re-solicit with revised specifications based on the council approved quantities and re-evaluated vehicle options. Furthermore, awarding these groups with the quantities specified and responses received, would put the City of Jacksonville at a financial disadvantage.

Conversely, Fleet Management is requesting to award Group 5 of this solicitation to Duval Ford, LLC in the amount of $3,625,597.00. Funding will come from AFFM513-06401.

Thank you for your consideration in this matter.
