Subject: Administrative Award for Contract Amendment with Lexis Nexis – Agreement #10019

Date: December 20, 2018

We are requesting an administrative award to authorize the Office of General Counsel to execute an addendum to the agreement with Lexis Nexis for Accurint Virtual Crime Center. The agreement is required in order for us to use the LexisNexis Public Safety Data Exchange Database (PSDEX) to include data sharing. The original award number is SS-0508-14. Attached is a copy of the addendum for your review.

Please let me know if you require any additional information. Your assistance in concurring with this request for the respective award is appreciated.

Accurint Virtual Crime Center Addendum - FLORIDA

This Accurint Virtual Crime Center Addendum ("Addendum") sets forth additional or amended terms and conditions for the use of Accurint Virtual Crime Center (the "LN Services" provided herein), which are in addition to, and without limitation of, the terms and conditions set forth in the services agreement between the customer identified below ("Customer") and LexisNexis Risk Solutions FL Inc. or its affiliated entity ("LN") for the LN Services (such services agreement, the "Agreement"). Capitalized terms used herein but not defined herein shall have the meanings ascribed to them in the Agreement.

I. Public Safety Data Exchange Database

1. LN maintains the LexisNexis® Public Safety Data Exchange Database ("PSDEX"), which contains information related to public safety and state and local law enforcement investigations. PSDEX is compiled from information submitted by PSDEX customers and enhanced by LN data and technology.
2. In exchange for good and valuable consideration, including access to PSDEX, Customer hereby agrees to contribute public safety information that may be used for analysis, investigations and reporting (the "Customer Data Contribution").
3. Miami Beach Police Department – Lead Contracting Agency (LCA).
   a. The Miami Beach Police Department has been designated as the LCA by the Florida Department of Law Enforcement for the LexisNexis Accurint Virtual Crime Center (AVCC) and will assume responsibility for ensuring compliance with the Federal Bureau of Investigation Criminal Justice Information Service (CJIS) Security Policy for each Florida Customer Agency using AVCC (CA).
   b. Each CA will be required to enter into the Interagency Information Sharing Agreement with the LCA to utilize AVCC and to document that they have met and will maintain CJIS compliance with LN and the requirements set forth by the LCA.
4. LN's obligations.
   a. LN agrees to provide PSDEX information to Customer.
   b. LN agrees to provide Customer with instructions for submitting information to the PSDEX database and for using the PSDEX service.
5. Customer obligations.
   a. Customer agrees to submit to LN, with reasonable promptness and consistency, Customer Data Contributions.
   b. Customer acknowledges and agrees that it is solely responsible for the content of the Customer Data Contributions submitted to LN and that it shall use reasonable care to ensure the information submitted is a reasonable reflection of the actual report. Each submission to LN with respect to an incident or subject constitutes a Customer Data Contribution.
   c. Customer's disclosure of information to LN is and will be in compliance with all applicable laws, regulations and rulings.
   d. Customer agrees to notify LN promptly of any change in status, factual background, circumstances or errors concerning any Customer Data Contribution previously provided to LN. Customer further agrees to submit corrected information in a timely manner. Customer agrees that it will fully and promptly cooperate with LN should any inquiry about the Customer Data Contributions arise.
   e. The following named individual/department shall serve as the contact person(s) for submissions made to LN. The contact person shall respond to requests from LN for clarification or updates on incident reports submitted by Customer during normal business hours, and Customer will not unreasonably withhold from LN information on any such submission. LN shall not reveal the identity of the Customer's contact person(s) to any other PSDEX customer.

f. Customer agrees that it will access information contributed to PSDEX by other customers only through LN and any Customer employee permitted access to PSDEX by Customer shall be a CJI Authorized User/Personnel as that term is used in the CJIS Security Policy.

g. Customer agrees that, to the extent permitted under applicable law, LN and all other PSDEX customers shall not be liable to Customer, and Customer hereby releases LN and all other PSDEX customers from liability to Customer, for any claims, damages, liabilities, losses and injuries arising out of, or caused in whole or in part by LN or each such other PSDEX customer's acts and omissions in reporting or updating incidents for inclusion in PSDEX. Other PSDEX customers are intended to be third party beneficiaries of this paragraph.

II. General Terms

1. **LICENSE GRANT**. Customer, at no charge, hereby grants to LN a paid up, irrevocable, worldwide, non-exclusive license to use, adapt, compile, aggregate, create derivative works, transfer, transmit, publish and distribute to herein specified PSDEX customers the Customer Data Contributions for use in PSDEX and all successor databases and/or information services provided by LN. For purposes of this Addendum, access to the Customer Data Contributions is limited to PSDEX customers that are authorized state of Florida agencies. Customer reserves the right to retract this license at any time provided notice is given to LN 60 days in advance of such action. Customer agrees that such an action will not be initiated without cause. If such an action is taken, LN will have 60 additional days in which to remove all Customer Data Contributions from PSDEX and all successor databases and/or information services provided by LN.
2. **GOOGLE GEOCODER**. LN uses Google Geocoder to geocode address locations that do not already contain "X" and "Y" coordinates. Any "X" and "Y" coordinate information provided by the Customer is assumed by LN to be accurate and will not be geocoded by Google Geocoder. Crime dot locations geocoded by Google Geocoder as displayed in PSDEX are approximate due to automated location methods and address inconsistencies.
3. **DATA DISCLAIMER**. LN is not responsible for the loss of any data or the accuracy of the data, or for any errors or omissions in the LN Services or the use of the LN Services or data therein by any third party, including the public or any law enforcement or governmental agencies.
4. **LINKS TO THIRD PARTY SITES.** PSDEX may contain links or produce search results that reference links to third party websites ("Linked Sites"). LN has no control over these Linked Sites or the content within them. LN cannot and does not guarantee, represent, or warrant that the content contained in the Linked Sites, including, without limitation other links, is accurate, legal, and/or inoffensive. LN does not endorse the content of any Linked Site, nor does it warrant that a Linked Site will not contain computer viruses or other harmful code. By using PSDEX to search for or link to Linked Sites, Customer agrees and understands that such use is entirely at its own risk, and that Customer may not make any claim against LN for any damages or losses whatsoever resulting from such use.
5. **OWNERSHIP OF SUBMITTED CONTENT**. All information provided by a PSDEX customer is offered and owned by that customer. Unless otherwise indicated by such customer, all data will be retained by LN and remain accessible by other PSDEX customers in accordance with the provisions of this Addendum and a de-identified subset of the data will remain available to the general public through the LexisNexis Community Crime Map service or its successor database.

AUTHORIZATION AND ACCEPTANCE

I HEREBY CERTIFY that I am authorized to execute this Addendum on behalf of Customer.
