Re: **CP-0034-19 – Traffic Signal & Street Light Structure Painting**

The Equal Business Opportunity (EBO) Office has reviewed the low bidder/proposer for compliance with the Jacksonville Small and Emerging Business (JSEB) program. The low bidder/proposer, **R-ECO Environmental Painting, LLC,** does meet the JSEB criteria for this project. The low bidder/proposer's price for the subject project was **$ 429,037.50** and the goal was **10%**. Based upon review of the JSEB schedule of work, the letters of intent, and the areas of certification, the lowest bidders/proposers, meet the goal by utilizing **100%** R-ECO Environmental Painting, LLC is a JSEB.

Our review efforts are documented and available upon request. Please let us know if you have any questions or concerns. I can be reached at (904) 255-8828.

B. BASIS OF AWARD

The project may be awarded to the lowest responsive, responsible Bidder for the Total Base Bid contingent on the availability of funds within the project's approved budget. The City has the right to reject any or all bids if it is in the best interest of the City.

C. REVISIONS OF BID PROPOSAL FORM

Request for revision of the Bid Proposal Form must be made to the ENGINEER at least ten (10) days prior to date of opening of Bids. Revision of the Bid Proposal by the Bidder will void the Bid.

D. CONTRACT EXPIRATION DATE

The Contract expiration date shall be established 120 calendar days after the scheduled construction completion date in order to comply with Executive Order 2013-05.

E. BID CHANGES

No changes in the amount of Bids appearing on the outside of Bids will be considered. Only the amounts shown on bidding documents inside the envelope will be considered. All changes, corrections and erasures must be initialed by the person signing the bid.

F. CONSTRUCTION COMPLETION

The intent of this contract is that the Contractor provides Traffic Signal & Street Light Structure Painting service during the period of Fiscal years 2018 thru 2021 (October 1, 2018 through September 30, 2021). The Contractor shall begin work within ten (10) calendar days and complete each work order within forty-five (45) calendar days, including Sundays and holidays, after issuance of a Blanket Order or Purchase Order from the City. No Blanket Orders or Purchase Orders will be issued under this Contract after September 30, 2021 unless the Contract is renewed. The active Contract will expire 120 days thereafter. All work started under a Blanket Order or Purchase Order shall be completed by the expiration date. By mutual agreement of both parties, provided funds are available, the Contract may be extended one (1) time for a period of one (1) years each. Each extension amendment of the contract will be amended prior to September 30th of the current contract fiscal year. Based upon the agreement of all parties, the Contract Unit Prices may be adjusted at the time of renewal based on the stated Consumer Price Index (CPI) for All Urban Consumers - South Region All Items, (Series CUURO300SAO), over the preceding twelve (12) months from the date of Contract Award. The adjusted Contract Unit Prices will be calculated using the current Contract Unit Prices and adjusting them by the amount of the stated CPI. The subsequent optional renewals, if both the CITY and the CONTRACTOR agree, may also include a Contract Unit Price adjustment based on the CPI for the preceding twelve months from the award date of the second contract. Contract Unit Prices will be adjusted by applying the CPI to the previously adjusted Contract Unit Prices for the first renewal option.

TRAFFIC SIGNAL AND STREET LIGHT STRUCTURE PAINTING
SECTION 30

SCOPE OF WORK

30.1 Scope: This contract is for the work covered by these specifications consists of furnishing all labor, construction equipment and/or traffic control equipment and materials necessary to clean and paint traffic signal and street light structures.

30.2 Location: This project is located within the limits of the City of Jacksonville, Florida and confined to the publicly owned right-of-way easements or properties associated with each project site. The sites or roadway segments are at various locations throughout the city. The City reserves the right to add or delete sites or roadways from the project as needed. It is anticipated that some sites or roadways will be along an identified corridor or within an area or zone; therefore, the Contractor may be able to work concurrently at several locations.

30.3 Intent It is the intent of these Contract Documents to establish in advance of issuing a purchase order, the Contract Unit Price for all items or work and materials which may be needed to clean and paint traffic signal and street light structures or other such work as required by the City; such items which will be described in a purchase order and will be used to determine compensation for all work covered by the purchase order. These specifications are intended to establish the standard construction methods and criteria necessary for completion of the work.

It is not the intent of these Contract Documents to minutely define the mode and fabric of construction of this project, but rather to set forth reasonable and rational criteria for the construction thereof.

30.4 Budget and Quantity of Work: The quantity of work to be performed on this project will be determined by the City and specified in each purchase order; however, the City does not guarantee a minimum amount of work to be awarded.

The quantities of work indicated in the proposal or the budget amount in these or any City document are not considered either a minimum or maximum amount of work to be performed, but do represent the best estimate of the work expected to be awarded and performed by this project.
