Subject: Request for Contract Award
ESC-0496-18 Debt Collection Services – Clerk of the Circuit and County Courts

---

The Clerk of the Circuit and County Courts has successfully completed negotiations with Linebarger Goggan Blair & Sampson, and Harris & Harris, and is requesting a contract award.
Unfortunately, the clerk's office was not able to successfully negotiate terms for contract award, and is requesting to rescind negotiation award with GC Services Limited Partnership.

The maximum indebtedness is $0.00, as the agencies earn the collection fee, for accounts collected in full, as compensation.

Angel, was the Clerk's Office able to negotiate the collection fee percentage with Linebarger and Harris & Harris? I want to include it on the award.

Hi Angel,

I have spent a few days this week in conversations with my executive level team seeing if we can figure this situation out. We went through the numbers many times however the 25% discount on rate is something that we are not able to support. In moving from 40% to 30%, our numbers change drastically. With all of our costs related to compliance, program build out, IT and ongoing operational expenses, we do not feel that we would be able to effectively manage the product while giving Duval the kind of program that you deserve.

Simply put, the rate reduction changed the numbers by so much, the decision was made that it does not make financial sense to move forward with the program as we do not want to put you or us in a bad future situation.

I am sorry to be the bearer of bad news Angel. We have all put in time and resources in trying to make this work but at the 25% rate reduction, the numbers just do not work on our end.
