SUBJECT: **SS-10066-21 AT&T Legacy Voice and Sonet Ring Services – Renewal Option**

DATE: March 27, 2024

The Information Technologies Division (ITD) requests approval to enter into the second renewal option with AT&T Corp. for Legacy Voice and SONET Ring Services. The services include Primary Rate Interface (PRI), Centrex PRI, Centrex Line, Business Lines, Direct Inward Dialing, Asymmetric Digital Subscriber Line, Memory Call Voicemail, and SONET Ring. Legacy telephone circuits provide inbound, and outbound voice calls for the City of Jacksonville, Duval County Tax Collector, Supervisor of Elections, Duval County Courthouse, Public Defender, State Attorney, Jacksonville Fire and Rescue Department (JFRD), and Jacksonville Sheriff's Office (JSO).

The current award is through March 31, 2024. The City will enter into the second of two (2) one (1) year renewal options. ITD Management is requesting an estimated amount of $1,200,000.00 for the one-year term. The period of services will begin on April 1, 2024, through March 31, 2025. The current not to exceed amount of $4,500.000.00 will increase to a new not to exceed amount of $5,700.000.00.

Upon award approval, a request for a formal contract amendment will be made through the Office of General Counsel.

RE: Contract with City of Jacksonville and AT&T for Legacy Voice and Sonet Ring Services

This is letter is to inform you that your current contract with AT&T is set to expire March 31, 2024 per Bid # SS-10066-21. AT&T would like to present a 12 month renewal option for the period April 1, 2024 thru March 31, 2025. The terms and conditions of the contract would remain the same as they are today.

The Voice services that would be extended include Business Lines, Centrex Services and PRIs that are all currently in place. This renewal would provide the City of Jacksonville the ability to continue these services without any changes in pricing per the contract expiring. Please confirm you would like to extend for 12 months.

Should your office require any further information, please feel free to contact me at 904-476-3100.

Sincerely,

W Chris Wadley

This amendment ("Amendment") modifies the parties' pre-existing Confirmation of Service Order, Letter of Election, Pricing Schedule or other service agreement referenced above ("Service Agreement") and is effective on the date on which the last party signs this Amendment ("Effective Date"). This Amendment extends the term for the existing Service Agreement ("Service Agreement Term"), and minimum term or commitment for each of the Services ("Minimum Payment Period"), regardless of how such terms are referred to in the Service Agreement, but only for the services set forth in Section 1 of this Amendment ("Services"). If any other services are covered by the Service Agreement, such services shall not be affected by this Amendment.

This Amendment is available to existing customers with an unexpired Service Agreement Term or with a Service Agreement Term which expired less than 6 months prior to the Effective Date of this Amendment. Where the Service Agreement term is **unexpired**, this Amendment extends the existing Service Agreement Term and Minimum Payment Period. Where the Service Agreement Term is **expired**, this Amendment establishes a new Service Agreement Term and Minimum Payment Period. This Amendment is not available to Customers who seek E-rate funding for the Services provided under the Service Agreement, as modified by this Amendment.

Except as expressly set forth below, all other terms and conditions of the Service Agreement (including any associated master agreement or Business Services Agreement) apply.

Addendum Agreement

Case Number FL21-0069-00
Option 1 of 1

Service description:
SERVICE: This Addendum offers an extension to the service period of the Customer's existing BellSouth® Primary Rate ISDN - Voice/Data (Standard) service, Business Lines as part of Basic Local Exchange Service, Centrex service, Megalink service, Metro Ethernet service and SMARTRing® OC-12 service. This addendum also includes change in some of the existing rate elements.

TERM: This Addendum provides for a twenty-four (24) month service period the expiration date of the existing Agreement.

Growth clause for Primary Rate ISDN service:

a) Circuits may be added during the first six (6) months of the Agreement or by 6/30/2022, whichever is earlier, at the MRC & NRC rates approved herein, and will be coterminous with the initial term of the Agreement.
b) Any circuits added after 6 months, but before 6/30/22, will require a full 24-month contract term (non-coterminous add to existing contract).
c) No Moves, Adds or Changes can be made after June 30, 2022. Renewals of existing circuits only.
d) Growth pricing assumes that facilities exist and no extraordinary costs are to be incurred in provisioning the service.

All terms and conditions of Contract Service Arrangement Agreement FL03-4214-02 apply to this Addendum unless modified herein.
