SUBJECT: CDB-0112-21 Design Build Services Small Active and Passive Parks –Contract 71629-22
Broward Pond Amenities Amendment 1A

Based on the Design Criteria Package developed by City engineers, the Department of Public Works, in accordance with Design/Build CDB-0112-21, Contract 71629-22, has completed negotiations with Acon Construction Co., Inc for constructability review, value engineering analysis, and construction of the Broward Pond amenities. Negotiations have resulted in the GMP amount of $460,450.88, which includes $25,000 in contingency as indicated on the attached Scope and Fee Summary B-1 and allowing for completion of the work within 60 days from the Notice to Proceed. Acon Construction Co., Inc is committed to meeting the 20% JSEB participation goals established in the CDB-0112-21.

Accordingly, this is to recommend that contract 71629-22, pending execution, for CDB-0112-21 between the City and Acon Construction Co., Inc for Design Build Services Small Active and Passive Parks be amended to incorporate the attached Scope and Fee Summary, Exhibit B-1 for Broward Pond Amenities for the GMP amount of $460,450.88, known as Amendment 1A.

To be encumbered as follows:

Attention: Mr. Robin Smith, P.E.
City Engineer
Reference: Broward Pond Amenities
DB Contract #0112-21

Mr. Smith,

We are pleased to provide this proposal for the work on the subject project under the guidelines of the referenced contract.

The scope of this project is to provide construction of necessary items to comply with the COJ minimum requirements for building an outdoor living room based in part on plans provided in the DCP provided to ACON titled McCoy's Creek Restoration-Broward Pond Amenities. The budget for the contract does not allow for full implementation of plans as designed, but intent will be met within this proposal and the proposals provided by subcontractors. This proposal has been negotiated and meets the intent of the governing contract. Some allowances were provided in the ACON proposal along with a contingency of $25,000 for use in accordance with the base contract provisions.

Our Guaranteed Maximum Price (GMP) for this project phase as stated is $460,450.88.

The Guaranteed Completion Date (GCD) will be 60 days from receipt of fully executed amendment.

Breakdowns follow this letter. Please contact me if you have any questions or need further information.

Sincerely,

Frank Anderson
Construction Manager

ACON Construction Company

Broward Amenities Proposal – Page 2 of 2

Prices are based upon sand bottom, in the event there are adverse conditions, such as limerock, coquina, concrete, etc., an additional charge will be required. Materials and workmanship installed or performed by Hayward Construction shall be guaranteed under normal conditions for a period of one year from the date of installation; excluding accidents and/or Acts of God. The above work will be performed in accordance with the drawings and/or specifications submitted by the owner for the above project and completed in a timely and professional manner. Should any of the work not be performed or supervised by Hayward Construction Group, we cannot be held responsible for any damage and/or malfunction.

Any alteration or deviation from the above specifications involving additional costs, will be executed only upon written agreement from both parties, and will become an extra charge over and above the estimate. All agreements are contingent upon strikes, accidents and/or delays beyond our control. Owner will carry fire, tornado/storm damage and other insurance necessary for the job listed above. Worker's Compensation and General Liability Insurance for the above estimate will be carried by Hayward Construction Group.
