ACME BARRICADES BID # PSC-0627-13
JEA BID #IFB-048-13

The Right of Way and Stormwater Maintenance division requests an extension and an increase for the existing ACME Barricade award, BID #PSC-0627-13 issued for the period of August 1, 2013, extended through February 28, 2018, not to exceed (NTE) $952,920.00.

JEA is in the process of awarding the new contract, which COJ will piggyback upon again, however, JEA have had multiple protests on the award which have caused a delay. JEA has extended the existing contract through May 31, 2018.

Therefore, we recommend a revision of the existing award for ACME Barricade, BID #PSC-0627-13, for an increase of $100,000.00 through May 31, 2018. The new total award NTE limit will be $1,052,920.00.

Mr. Lovgren,

Would you please forward a copy of the most recent JEA award action for the barricade contract.

I am extending on COJ's side and our procurement group needs a copy of your extension.

Thank you

Steve

Subject: RE: 055-17 Barricade Services - Intent to Award

Hi all,

You all will be seeing an email coming from me, regarding the 055-17 Barricades Solicitation.

After the Last Friday PAB where they ruled to Award to Bob's Barricades, ACME filed an injunction with Circuit Court to stop the Award. An alternate approved action, would be to rescind the solicitation and rebid.

So I will be issuing an intent to rescind email, which will go before next week's awards committee and with a change order to the ACME contract to extend it for six months, while rebidding is processed.

Feel free to give me a call if you have any questions.

Regards,
