SUBJECT: Gate Parkway Traffic Calming
BID# CP-0081-21
Contract: 71077,21/ PO 625286-21

The subject contract was awarded under BID# CP-0081-21 in the amount of $1,025,714.05 to Capps Land Management and Material, LLC, Contract 71077-21/ PO 625286-21. Change order #1 was for $61,037.86. Change order #2 was for $65,994.60. Change order #3 is detailed on the attached worksheet in the amount of $27,915.97.

Accordingly, this is to recommend approval for Change Order #3 for Gate Parkway Traffic Calming in the amount of $27,915.97, thereby increasing the maximum indebtedness to $1, 180,662.48.

Funding for the change order to be encumbered as follows:

CONSTRUCTION CHANGE ORDER

Change Order No. Three (3) Date February 3, 2023

Description of Project Gate Parkway Traffic Calming

Name of Contractor Capps Land Management & Material, LLC

Contractor's Address 8719 West Beaver Street, Jacksonville, FL 32220

Contract No. 71077-21/PO 625286-21

Account No. See attached. Original Contract $1,025,714.05

+ Previous Change Order 1-2 $127,032.46 + Change Order No. 3 $27,915.97

*See attached appendix for additional listings.

TOTAL REVISED CONTRACT $1,180,662.48

Bid Number CP-0081-20

Construction Completion Date August 5, 2022
Revised Construction Completion Date November 21, 2022
Contract Expiration Date December 3, 2022
Revised Contract Expiration Date March 21, 2023

In compliance with General Conditions of above-referenced contract, CONTRACTOR and OWNER do both hereby agree that the CONTRACTOR shall make the following changes, additions or deletions to the Work specified in the plans and specifications: See attached. Add 10 non-compensable calendar days to construction completion and contract expiration dates respectively.

Justification: See attached.

By execution of this document, the Contractor acknowledges that all issues related to Contract Time and Compensation are resolved.

The Issuing Authority has looked over cost and pricing data for this change order and has determined that this change order is necessary and all costs are reasonable.

Accepted for Contractor Capps Land Management and Materials, LLC

CAPPS LAND MANAGEMENT MATERIAL, LLC
GATE PARKWAY TRAFFIC CALMING
CONTRACT NO. 71077-21

CHANGE ORDER NO. 03
2/1/2023

NBR	MASTER ITEM DESCRIPTION	QUANTITY	UOM	UNIT COST	NET ADDITION	NET DELETION	TOTALS
	ADDITIONAL SCOPE						
1	**CR #13: ADDITIONAL CONCRETE SIDEWALK REPLACEMENT FROM STRUCTURE S-1 TO S-2**						
	CONCRETE SIDEWALK (5 INCHES THICK)	162.000	SY	$67.00	$10,854.00		
	GRASSING	148.000	SY	$7.50	$1,110.00		
	TIME EXTENSION	3.000	DAYS				
	NET TOTAL						**$11,964.00**
	JUSTIFICATION: Prior to construction of the 15" RCP pipe trench from Manhole Structure S-1 to Inlet Structure S-2, it was found that the existing sidewalk on the south side of Gate Pkwy traversed directly over the pipe trench in some areas. This meandering sidewalk was not shown in the original plans. In order to restore existing conditions above the pipe trench, the Contractor reconstructed 162 SY of concrete sidewalk and placed 148 SY of grassing, which are to be paid at the contract unit prices. Additionally, the Contractor is to be provided a noncompensible time extension of (3) days for the additional work affecting critical path activities.						
2	CR #15 HURRICANE IAN & EROSION CONTROL	1.000	LS	$965.73	$965.73		
	TIME EXTENSION	7.000	DAYS				
	NET TOTAL						**$965.73**
	JUSTIFICATION: In response to Hurricane Ian, the City directed the Contractor to install silt fencing along the unstabilized (not grassed) ground between Drainage Structures S-1 and S-2, in order to protect the recently constructed sidewalk from erosion and wash-out. Since this sidewalk was not shown in the original contract plans, the silt fence installed to protect it against weather events was not covered in the General Conditions §20.32.3. and §20.32.4. A lump sum price for the installation of the silt fence was negotiated with the Contractor as summarized in the Engineers Estimate attached (Change Request #15). Additionally, the Contractor is to be provided a noncompensible time extension of (7) days to cover the period of time between the Hurricane Plan directive (given 9/26/2022) and subsequent suspension of work (from 9/29/2022 through 10/2/2022) due to Hurricane Ian.						
3	CR #19: 12" CROSSWALK PAVEMENT MARKINGS	338.000	LF	$5.50	$1,859.00		
	NET TOTAL						**$1,859.00**
	JUSTIFICATION: During the placement of the permanent pavement markings, the Contractor discovered there was no pay item in the contract for the 12" Crosswalk Pavement Markings as shown at the BCBS Entrance Intersection, from approx. STA. 55+00 to 56+25. In response to RFI #15, the Engineer of Record confirmed a unit price for these markings was not included in the contract. A unit price for 12" Crosswalk Pavement Markings (White, Standard, Thermoplastic) was negotiated with the Contractor based on the Engineers Estimate attached (Change Request #19), and a total of 338 LF was installed.						
	TOTAL ADDITIONAL SCOPE				**$14,788.73**	**$0.00**	
	NET TOTAL ADDITIONAL SCOPE						**$14,788.73**
	PROJECT PAY ITEM RECONCILIATION						
1	Bid Pay Item No. 7 - Overexcavation (Contingency)	-20.000	CY	$5.00		($100.00)	
	Bid Pay Item No. 8 - A-3 Sand Backfill	-20.000	CY	$13.00		($260.00)	
	Bid Pay Item No. 9 - Hauling and Disposal of Unsuitable Material	-20.000	CY	$6.00		($120.00)	
	Bid Pay Item No. 17 - Case X Repair	70.000	SY	$100.00	$7,000.00		
	Bid Pay Item No. 18 - City Standard Curb & Gutter	111.000	LF	$26.00	$2,886.00		
	Bid Pay Item No. 20 - FDOT Type B Curb	-15.980	LF	$31.00		($495.38)	
	Bid Pay Item No. 21 - FDOT Type E Curb & Gutter	77.180	LF	$34.00	$2,624.12		
	Bid Pay Item No. 26 - Grassing	409.000	SY	$7.50	$3,067.50		
	Bid Pay Item No. 34 - Aluminum Signals Pole, Relocate	-1.000	EA	$1,475.00		($1,475.00)

NBR	MASTER ITEM DESCRIPTION	QUANTITY	UOM	UNIT COST	NET ADDITION	NET DELETION	TOTALS

JUSTIFICATION: Pay Item Nos. 7, 8 & 9 were contingent items that were not needed. Pay Item Nos. 17, 18, 20, 21 & 26 were overrun or underrun due to field conditions and installation impact and restoration limits that were different, or not captured, in the plans. Pay Item No. 34 was not needed due to field conditions which precluded the relocation of the pole.

Danielle Blanchard

From:	Danielle Blanchard
Sent:	Friday, November 11, 2022 4:56 PM
To:	April Capps (april@cappsland.net)
Cc:	Reid Harriett (rharriett@via-cs.com)
Subject:	RE: Gate Parkway, CR #15 (Hurricane Ian Costs)
Attachments:	CR #15 Hurricane Ian Costs.pdf; Engineer's Estimate; CR#15 Add'l Erosion Control.pdf

Good afternoon April,

Before Clyde left he submitted the below/attached Change Request **(CR#15 Hurricane Ian Costs)**. We notified CLM on 9/26/2022 to enact the Hurricane Plan, and followed up on 9/28/2022 suspending work from 9/29/2022 through 10/2/2022. We also directed CLM to install silt fence between Drainage Structures S-1 and S-2.

To summarize Clyde's proposal, he is seeking compensation for all labor, active equipment time during the enactment of the hurricane plan on 9/26-9/28, and for idle time 9/29-9/30. He also included all equipment & materials necessary to remove and replace inlet protection throughout the project, and install silt fence between S-1 & S-2.

We respectfully disagree that the City is responsible for these costs based on the contract language in the General Condition §20.32.3 and §20.32.3, please see below. The exception is the silt fence that was installed between Structures S-1 and S-2, because this was installed to protect work that was not in the original contract plans. Our estimate for this additional work is summarized in the Engineers Estimate attached, for a total of $965.73. The City will also offer a non-compensable time extension of 7 days to cover the period between the hurricane plan directive and subsequent suspension of work.

Please let me know if you have any questions.

20.32.3 The CONTRACTOR shall provide proper facilities, take all necessary precautions and assume the entire cost for protecting the work against weather conditions and for handling all storm, flood and ground water, sewage, or other seepage, that may be encountered during the performance of the Contract. The manner of providing for such contingencies and for carrying on the work in freezing weather shall meet with the approval of the ENGINEER. If the CONTRACTOR shall fail to provide adequate protection or in the event of emergencies, the CITY may provide such protection at the CONTRACTOR'S expense and deduct its costs from the Contract amount or the CONTRACTOR'S next application for payment, at the Owner's option.

20.32.4 The CONTRACTOR assumes all risk of damage to or destruction of the work covered by this contract until the work is completed and accepted by the CITY and shall repair or replace, at its expense, any work damaged or destroyed prior to such completion and acceptance regardless of cause, including flood, tides, fire, or any other natural disaster.

Thanks,

Danielle Blanchard, P.E.

Subject: Gate Parkway, CR #15 (Hurricane Ian Costs)

Danielle, attached is documentation for our cost request due to the recent Hurricane and directives from the City. Cost summary below:

- 9/26/22 - $912.72
- 9/27/22 - $2,400.14
- 9/28/22 - $650.57
- 9/29/22 - $2,147.90
- 9/30/22 - $2,147.90
- Future Work - $1,489.72

Total - $9,748.95
Time – 7 Days

Please issue a change order for the additional cost and time as soon as possible.

Thanks

Danielle, I have instructed Theo to proceed with the silt fence. That is all we are going to be able to do in the time frame.

Sent from my iPhone

On Sep 26, 2022, at 5:16 PM, Danielle Blanchard <DBlanchard@via-cs.com> wrote:

Clyde,

Yes we will need to shore up the area between S-1 and S-2, which has not been stabilized yet pending the irrigation work. This can be done by whatever means CLM finds necessary, but at a minimum we recommend:

1. Installing silt fence directly behind the back of curb to prevent washout into the roadway.
2. Jute mat or other stabilization between the back of curb and front of sidewalk to prevent washout and undermining of the sidewalk.

I would like to have a meeting onsite as soon as possible to review this in detail. Let me know if I can coordinate this directly with Theo. This is part of the hurricane preparedness plan and needs to be done before the heavy rain starts. Ideally we'd also like to agree on a price prior to starting but I also don't want to hold you up because it needs to be done as soon as possible.

Thanks,

Subject: Hurricane Ian Storm Preparation

All,
With Hurricane Ian currently forecasted to impact our area, all construction project sites need to have their Hurricane Preparedness Plan in effect by the close of business Tuesday, the 27th. This includes but is not limited to securing any materials/signage that can become airborne in high winds, ensuring a plan is in place to keep the project site & adjacent areas from flooding, etc.

Thanks,

Aaron Heric
