---

The Department of Public Works received only one (1) proposal to the referenced RFP solicitation. Based on Section 126.302(f) of the Procurement Code, we request approval to resolicit proposals from proposers previously solicited and from additional persons. At our request, Procurement conducted a market survey and identified additional potential respondents.

Accordingly, we wish to reject the one proposal received and withdraw the Request for Proposals P-28-19. We will re-solicit services with a new RFP for Professional Services for 21st Century Urban Branch Library Study.
