MEMORANDUM

TO: Greg Pease, Division Chief
Procurement Division

THRU: John Pappas, Director
Public Works Department

FROM: Dave McDaniel, Division Chief
Mowing and Landscape Maintenance Division

DATE: August 26, 2019

SUBJECT: **Recommendation of Award**

Bid Name: AQUATIC MANAGEMENT FOR STORMWATER TREATMENT PONDS
Bid No: Bid No. CS-0007-20
Bid Open Date: August 14, 2019
Award Amount: $240,081.44

The Procurement Division received three (3) bids for the above project. The Mowing and Landscape Maintenance Division of the Department of Public Works has reviewed the three (3) bids and has determined that DeAngelo Brothers LLC/ DBA Aquagenix has submitted the lowest, most responsive total bid of $240,081.44.

Therefore, the Mowing and Landscape Maintenance Division recommends award to DeAngelo Brothers LLC/ DBA Aquagenix, 6209 Bowdendale Avenue, Jacksonville FL 32216, in the amount of $240,081.44. This award is for two (2) years with two (2) two (2) year renewals.

Funds will be encumbered by a release under a Master Blanket Order using account PWML461SW-03410.

Equal Business Opportunity Program: Encouragement Plan

Should you have any questions or require additional information concerning this recommendation, please feel free to contact Russell Perry at 255-4306 or via email at russellp@coj.net.

1. The BIDDER must be registered as a Certified Pest Control Operator with the Florida Department of Agriculture in the category of "Aquatic Vegetation Management." Submit a copy of the current license.

2. Bidder must be in the vegetation management business and must have completed five (5) chemical treatment contracts similar in scope to this project within the previous five (5) years. Include, in the submittal, the date the business was established, current business license, and a list of at least five (5) completed contracts of similar scope. Include location of project, name and address of client, and the beginning and ending date of each contract.

3. Bidder's supervisor must have at least two (2) years' experience in herbicide spraying of rights-of-way and aquatics; each crew leader must have at least one (1) year' experience in herbicide spraying of rights-of-way and aquatics. The supervisor and each crew leader must be state certified in the IFAS right-of-way pest control category and be a state certified commercial Aquatic Pest Control Applicator. ." Including but not limited to a Florida Aquatic Pesticide License(Public Certification) and a Florida Public Health Pesticide License. Submit a copy of the required certifications with the bid package.

4 The BIDDER must have in its possession at least the required commercial grade high production equipment to be used in order to meet the equipment requirement of Special Conditions, **Section 31.28 – EQUIPMENT AND TOOLS**, either by ownership or long term lease agreement at the time of the Bid. All equipment shall be in good operating condition and be no more than 10 years old. For each piece of equipment, show the name, model, year of manufacture, registration, and date purchased or leased. If the equipment is leased, include the name and phone number of the lessor. Submit a list the equipment proposed to be used on Company letterhead signed by the Owner or Corporate Officer and dated. Failure to supply the equipment list may be grounds for rejection of the CONTRACTOR's bid. The CONTRACT MANAGER also reserves the right to inspect the tools and equipment proposed to be used at the business location to confirm conformance with the specifications before awarding the PROJECT to the lowest responsible BIDDER.

5. Submit a list of equipment which is owned or leased by each sub-CONTRACTOR performing part of the contract work. For each piece of equipment, show registration, name and model number, manufacturer, year of manufacture, and date purchased or leased. If the equipment is leased, include the name and phone number of the lessor. Equipment shall be no more than 10 years old.

6. BIDDER must own, lease or rent an interior office space and a warehouse or outdoor storage yard to contain the equipment required by this contract at the time of the Award. The office and equipment storage must be at a location properly zoned for commercial or industrial use in the city/county where it is located. Submit address of facility and proof that the facility is owned, leased, or rented by the BIDDER. The CONTRACTOR must have a local office located in Duval, St. Johns, Nassau, Baker or Clay County with a local or toll free telephone number, cellphone number, and email address, at which he/she may be contacted.

C. BASIS OF AWARD

The project may be awarded to the lowest responsive, responsible Bidder contingent on the availability of funds within the project's approved budget. The corrected extended prices of the Total Lump Sum Base Bid will be used to determine the lowest qualified Bid. Proposals in which the prices obviously are unbalanced will be rejected. The City has the right to reject any or all bids.

If there are errors in the price extensions or in the total amount for any base bid, unit prices shall prevail, with the corrected base bid being used to determine the lowest qualified Bidder. The award of the contract will establish the Contractor and the unit prices which will be used during the life of the Contract.

The award will not be made until the CITY has completed all necessary investigations to determine if the low BIDDER is qualified to do the work and has the necessary organization, capital and equipment to carry out the contract.

D. REVISIONS OF BID PROPOSAL FORM

CITY OF JACKSONVILLE, FLORIDA

SPECIFICATIONS FOR
AQUATIC VEGETATION MANAGEMENT OF STORMWATER TREATMENT PONDS

SECTION 30

SCOPE OF WORK

30.1 SCOPE

The work covered by these Contract Documents consists of furnishing all labor, equipment, and supplies and performing all operations necessary to provide aquatic vegetation management services for various storm water treatment ponds throughout the City of Jacksonville, Florida. Scheduled monthly services include the removal of floating and submerged litter/debris within the pond between the water line and 10 feet out, and the application of aquatic herbicide to remove vegetation inside the pond waterline.

Additional one time services may also be requested. These services are: the removal of litter/debris beginning 10 feet beyond the water line and ending in the middle of the pond; the mechanical removal of litter/debris and aquatic vegetation; and an initial intensive first time vegetation management service for ponds with heavy aquatic vegetation.

Aquatic vegetation to be removed are dead plants (algae, grasses, and other plants floating, partially submerged, or fully submerged) found inside the water line of each pond.

30.2 JOB SITE LOCATION

The job sites are storm water treatment ponds within the City of Jacksonville selected for aquatic vegetation management. A "**Representative List**" of storm water ponds is shown in Appendix "A" of "Section 31-Special Conditions." The list includes the site name, location, and acreage to be serviced. The City may choose to modify the site list by adding or deleting sites at any time during the life of the contract and to adjust the contract amount accordingly, upon written notice to the Contractor..

30.3 INTENT OF CONTRACT DOCUMENTS

It is the intent of these Contract Documents to establish the type, scope and quality of aquatic vegetation management services required by the City. It is not the intent of these Contract Documents to minutely define every detail of management services but rather to set fourth rational and reasonable criteria for vegetation management described in the specifications.
