B. BASIS OF AWARD

An award shall be made to all qualified JSEB business concerns that have met the Minimum Requirements in accordance with the specifications contained herein. Bidders must be qualified by certification and experience to perform the requested services at the time of bid opening to be considered for award.

Work under this award shall consist of tree removal, tree pruning, leaner removal, hanger removal, stump grinding, and proper disposal of generated debris within Duval County. This includes work required in emergencies at any hour of the day or night to protect the public. Work can be seasonal in nature, and large quantities of work may be due in short periods of time. It is imperative contractors complete all abatement projects in a timely manner consistent with these specifications.

The pre-qualified bidders listed under this award shall be utilized for each occurrence when the city has a need for services in any category listed herein in which the cost for that service is estimated to be less than $65.000.00. On projects ranging from $0.00 to $65,000.00 the Procurement Division will solicit through the informal quote process from only the pre-qualified bidders listed under this award and will award each location independently to the lowest responsive, responsible bidder based on the lump sum price
