RE: SC-0377-18 Contract Renewal

Dear Mr. Wright,

U.S. Water Services Corporation (USWSC) appreciates the opportunity to work with the City of Jacksonville over the past years. The current RFP SC-0377-18 expires February 28, 2021 and in accordance with the contract would like to extend the RFP for the next year to end February 28, 2022 if agreeable by the City.

USWSC will not be continuing to provide lift station inspections under this contract but will continue to perform the water treatment plant inspections. The reason is due to the fact we are anticipating the award of SC-0302-21 for the lift station inspections.

USWSC appreciates the relationship with the City and looks forward to another year.

Sincerely,

Hope Smith, Regional Manager
