The Information Technologies Division (ITD) submitted a bid for Full Service Wiring and Cabling Services – Request for Qualifications (RFQ) that was awarded on December 22, 2016.

The award recommendation pre-qualified seven (7) suppliers that successfully met the requirements as specified in the bid documents based on three years prior experience in installing and repairing telephone, data, electrical systems equipment and performing related work. The vendors provide engineering and design analysis for proposed projects to determine the cost, design, scope of work, and as-built drawings in AutoCAD.

ITD Management awarded all seven vendors on SC-0310-17 Full Service Wiring and Cabling Services; AEC Electrical Contractors, Inc., Professional Telephone Services, Inc. d/b/a Converged Communications, Exum Communications d/b/a Exum Electric, Inc., Network Cabling Services, Inc., Tietjen Technologies, Inc., VT Group d/b/a VT Milcom, Inc., and W. W. Gay Fire & Integrated Systems, Inc. On September 30, 2019 A3 Communications acquired Converged Communications.

The service contract was awarded for three (3) years from date of award, with three (3) one (1) year renewal options. The first one (1) year renewal option of three, began December 22, 2019, through December 21, 2020. The second one (1) year renewal option was retroactive from March 22, 2021, through March 21, 2022. The third and final one (1) year renewal option begins March 22, 2022, through March 21, 2023.

ITD Management recommends awarding the six (6) previously awarded suppliers:
AEC Electrical Contractors, Inc., Professional Telephone Services, Inc. d/b/a Converged Communications, Exum Communications d/b/a Exum Electric, Inc., Network Cabling Services, Inc., Tietjen Technologies, Inc., and W. W. Gay Fire & Integrated Systems, Inc.

Funding to be encumbered by Purchase Order from various funding sources on a per project basis.

Your favorable consideration of ITD's request is appreciated.

SUBJECT: SC-0310-17 Full Service Wiring and Cabling Services – Request for Qualifications

---

The Information Technologies Division (ITD) submitted a bid for Full Service Wiring and Cabling Services – Request for Qualifications (RFQ) bid was awarded on December 22, 2016.

The award recommendation pre-qualified seven (7) suppliers that successfully met the requirements as specified in the bid documents based on three years prior experience in installing and repairing telephone/data/electrical systems and equipment and performing related work. The vendors provide engineering and design analysis for proposed projects to determine the cost, design, scope of work, and as-built drawings in AutoCAD.

ITD Management awarded all seven vendors on SC-0310-17 Full Service Wiring and Cabling Services; AEC Electrical Contractors, Inc., Professional Telephone Services, Inc. d/b/a Converged Communications, Exum Communications d/b/a Exum Electric, Inc., Network Cabling Services, Inc., Tietjen Technologies, Inc., VT Group d/b/a VT Milcom, Inc., and W. W. Gay Fire & Integrated Systems, Inc. On September 30, 2019 A3 Communications acquired Converged Communications.

The service contract was awarded for three (3) years from date of award, with three (3) one (1) year renewal options. The awarded vendors exercised the first one (1) year renewal option of three, which began December 22, 2019 through December 21, 2020.

On December 11, 2020, GGAC approved a ninety-day (90) extension and to not exercise the two (2) remaining renewal options. The purpose of this action was to create a new RFQ to solicit eligible Jacksonville Small & Emerging Business (JSEB) suppliers and create a JSEB set aside. However, upon further analysis, ITD could not find enough JSEB qualified suppliers to fulfill the terms and conditions of the RFQ.

ITD Management recommends reinstating the award's remaining two (2) renewal options. Furthermore, ITD Management requests to exercise the 2nd renewal option, retroactive from March 22, 2021, through March 21, 2022.

Funding to be encumbered by Purchase Order by various funding sources per project basis.

Your favorable consideration of ITD's request is appreciated.

Dinah,

Per our phone conversation, I understand that you are not able to put your hands on the records from prospective bids that were reviewed in December 2020.

I have attached the draft specifications for ITD's Full Service Wiring & Cabling Services which were proposed for a 100% JSEB set aside.

The required specifications are found on pages 21-27 of the draft RFQ.

ITD is not aware of more than one JSEB vendor that who be able to meet all these qualifications.

I have attached the previous award which shows the suppliers that were included on our most recent prequalified list. We currently have an extension of this award which expires March 31, 2021.

Please let us know your recommendation or if I can provide further information.
