SUBJECT: Amendment 5C Contract 71629-22 CDB-0112-21
Acon Construction Co., Inc.
Design-Build Services - Shotgun House Repair

In accordance with Design/Build CDB-0112-21, Contract 71629-22, the Shotgun House Repair project was awarded by Amendment 5A in the amount of $197,974.15 to obtain approval from pertinent authorities to restore the exterior of two Shotgun houses. Phase 1 will cover all the preliminary work for design and permitting plus construction of the 1st house. Amendment 5B in the amount of $136,400.00 was to provide construction for Shotgun House C. Amendment 5C is to provide security and safety measures for the shotgun houses. Negotiations have resulted in the GMP amount of $15,554.00, as indicated on the attached Scope & Fee Summary, Exhibit F-3 and allowing for the completion of the work within 60 days from the notice to proceed. Acon Construction Co., Inc. is committed to meeting the 20% JSEB participation goals established for this contract.

Accordingly, this is to recommend that Amendment 5A, originally executed July 5, 2022, between the City and Acon Construction Co., Inc. for Shotgun House Repair, be amended to incorporate the attached Scope and Fee Summary, Exhibit F-3 to increase the GMP by $15,554.00 to a new GMP amount of $349,928.15 for the Shotgun House Repair known as Amendment 5C.

To be encumbered as follows:

Feb 10, 2024

Attention: Mr. Robin G. Smith, P.E.
City Engineer
Reference: LaVilla Neighborhood Parks Master Plan: Shotgun House Repair Phase 3
DB Contract #71629-22

Mr. Smith,

We are pleased to provide this proposal for the work on the subject project under the guidelines of the referenced contract.

The scope of this project is to provide a limited measure of security and safety for the two Jefferson Street Shotgun Houses that were stabilized in previous phase. Specofically, plywood will be installed on inside of windows with a black plastic sheet over the plywood to retain the building's appearance. We will also place galvanized fencing between the brick piers to discourage people from going under the building. These measures are additional to the perimeter fencing the city has already erected. No contingency was included due to funding limits.

Our Guaranteed Maximum Price (GMP) for the project scope as stated is $15,554.00.

The Guaranteed Completion Date (GCD) will be 60 days from receipt of permit.

Breakdowns follow this letter. Please contact me if you have any questions or need further information.

Sincerely,

Frank Anderson
Construction Manager
