RE: RECOMMENDATION TO AWARD
Citywide Pedestrian Safety Improvement Program - CDBG

BID No.: CS-0433-17
Received Date: April 5, 2017
Award Amount: $150,000

Please be advised that the Right of Way and Stormwater Maintenance Division of the Department of Public Works has reviewed the three submitted bids for the above-referenced project. Together with the Housing and Community Development Division, Neighborhoods Department, the bids were evaluated in accordance with Federal Guidelines as detailed in Specification Section 21. It was determined that the bid submitted by Hager Construction Company, scored the highest, 73 out of 100, in the evaluation process. Since Hager did not submit the lowest bid price, a further evaluation, the X-Factor, was required to be performed. Using the X-Factor, Hager's bid was not allowed to exceed the low bid by more than 8%. Hager's bid was 16.28% higher than the low bid. Based on exceeding the 8% allowance, the X-Factor details that the bid is to be awarded to low responsive bidder. The low bid was submitted by C.A.P. Contracting, Inc. Public Works has confirmed through www.myfloridalicense.com the appropriate licenses for C.A.P. Contracting, Inc., and listed subcontractors, if applicable.

Accordingly, we recommend the subject bid be awarded to C.A.P. Contracting, Inc., 1115 Edgewood Ave, West, Jacksonville, FL. 32208, for a not-to-exceed limit of $150,000.00. Funding will be encumbered on a per project basis through the issuance of Purchase Orders. Funding to be provided from several accounts, including, but not necessarily limited to: ERCD1A1/08301/PDC001.

A copy of the bid tabulation is attached. If additional information is needed, please contact Joel Troupe at 472-2893.
